Certificate Renewal (12 AAC 44.815)
Nurse aide certificates are renewed every two years in even-numbered years REGARDLESS of when a certificate was issued. Nurse aide certificates EXPIRE on March 31st of even-numbered years. Renewal notices are mailed at least 60 days prior to the expiration date. New certificates issued within 90 days of the renewal expiration will be effective through the next biennial period.

Continued competency for renewal (12 AAC 44.815 & 12 AAC 44.825)
There are continued competency requirements for each renewal period. It is the licensee’s responsibility to familiarize themselves with these requirements. The following applies:

• If you have held your certification for two years or more, you must complete 24 contact hours of continuing education and 160 hours of monetarily compensated employment as a Certified Nurse Aide.
• If you have held your certification for over a year but less than two years, you are required to have completed 12 contact hours of continuing education and 160 hours of monetarily compensated employment as a Certified Nurse Aide.
• If you have held your certification for less than a year, you are not required to complete the 160 hours of monetarily compensated employment as a Certified Nurse Aide nor the contact hours of continuing education.

Information about where and how you can obtain continuing education is available on the Board of Nursing’s website at: [https://www.commerce.alaska.gov/web/cbpl/ProfessionalLicensing/BoardofNursing/ApplicantInformation/ContinuingEducationInformation.aspx](https://www.commerce.alaska.gov/web/cbpl/ProfessionalLicensing/BoardofNursing/ApplicantInformation/ContinuingEducationInformation.aspx)

Random Audits (12 AAC 02.960)
After each renewal period, a percentage of licensees will be randomly audited to ensure compliance with the Board of Nursing’s requirements for continued competency. If you are chosen for the random audit, you will be notified and required to submit documentation of continued competency. **It is the licensee’s responsibility to retain proof of completed continuing education. Acceptance of said documentation is at the discretion of the Board of Nursing.**

Forms for documenting your continuing education may be obtained from the Board of Nursing’s web site at: [https://www.commerce.alaska.gov/web/cbpl/ProfessionalLicensing/BoardofNursing/ApplicantInformation/ContinuingEducationInformation.aspx](https://www.commerce.alaska.gov/web/cbpl/ProfessionalLicensing/BoardofNursing/ApplicantInformation/ContinuingEducationInformation.aspx)

Name and Address Changes
It is the certificate holder’s responsibility to notify the Division of Occupational Licensing of any change of address. Submit the request for a change of address **IN WRITING** and including your signature, to Alaska Nurse Aide Registry, 550 West 7th Avenue Suite 1500, Anchorage, AK 99501

Failure to receive a renewal notice does not relieve a certificate holder of the responsibility to renew his/her certification prior to the expiration date.
