Restaurant Designation Permit Holders

Address:

Dear Beverage Dispensary Licensees, Golf Course Licensees, Sporting Activity or Event (Formerly Recreation Site Licensees), Club Licensees, Outdoor Recreation Lodge Licensees, Destination Resort Licenses, and Beverage Dispensary Tourism Licensees Who Also Hold Restaurant Designation Permits:

Effective January 1, 2024, restaurant designation permits are no longer operational by regulation. Under the Title 4 Rewrite, these permits are replaced with restaurant endorsements. **However, for the endorsement to be effective, you must apply for your restaurant endorsement by December 31, 2023.** If you do not, you risk the ability to serve meals to unaccompanied minors and to employ individuals aged 16 to 20 on your licensed premises. You also risk enforcement action for unendorsed restaurant service under AS 04.09.450 (which carries a statutory \$500 fine per violation).

To comply with the requirements of the Title 4 Rewrite, please apply for a restaurant endorsement under AS 04.09.450. You may do so by "claiming your business" and applying for a "restaurant endorsement" through AMCO's new online licensing portal AK-ACCIS (available through myAlaska). While the online licensing system is our preference, you may also do so by applying via email for a restaurant endorsement. The application can be found on AMCO's website (www.commerce.alaska.gov/web/amco/AlcoholLicenseApplication.aspx).

Note: If you hold an REPL license in any form, the conditions of your restaurant designation permit will now be incorporated into your license and you need not apply for a restaurant endorsement.

All other license holders: Do not hesitate to take action. Direct all follow-up questions to alcohol.licensing@alaska.gov or (907) 269-0350.

Respectfully,
Joan M. Wilson
AMCO Director
