(c) *[Repealed, § 88 ch 74 SLA 1985.]*

(d) The board may approve

(1) the issuance of a new beverage dispensary or restaurant or eating place license without regard to (a) of this section if it appears that the issuance will encourage the tourist trade by encouraging the construction or improvement of

(A) a hotel, motel, resort, or similar business relating to the tourist trade with a dining facility or having kitchen facilities in a majority of its rental rooms and at least a minimum number of rental rooms required according to the population of the incorporated city, unified municipality, or population area established under (a) of this section in which the facility will be located, as follows:

(B) an airport terminal; and

(2) the renewal or transfer of ownership of a beverage dispensary or restaurant or eating place license issued under (1) of this subsection if the

(ii) maintains at least the minimum number of rental rooms that the hotel, motel, resort, or similar business had at the time of initial licensure or that were required at the time of initial licensure; or

(B) licensed premises are located inside an airport terminal.

(e) The board may approve the issuance or transfer of ownership of a restaurant or eating place license without regard to (a) of this section if

(1) the premises of the restaurant or eating place are more than 18 miles from the corporate limits of a city or unified municipality;

(2) the premises will serve food to the traveling public; and

(3) the board finds that the public convenience will be served by the issuance or transfer.

(f) An application requesting a transfer of location of licensed premises limited under (a) or (b) of this section shall be granted without regard to (a) of this section if the new location is less than one mile from the original location and

(2) relocation of the licensed premises is necessary due to

(A) termination of a lease or rental agreement;

(B) condemnation of the premises;

(C) the substantial destruction of the premises by any cause.

(h) Except as provided in (f) of this section, within an incorporated city, unified municipality or an organized borough, a new club license may be issued, and the relocation of an existing club license may be approved by the board if

(1) the issuance or relocation of club licenses under the population limitation contained in (2) of this subsection has been approved by resolution adopted by the incorporated city, unified municipality, or organized borough within which the club license is to be issued or relocated; and

(2) after issuance or relocation there would not be, inside the incorporated city or unified municipality, or inside the organized borough but outside the incorporated cities located within the borough, more than one club license for each 1,500 population or fraction of 1,500 population.

(i) This section does not apply to a golf course license issued under AS 04.11.115.

(j) The board may approve the issuance of an outdoor recreation lodge license without regard to (a) of this section if it appears that the issuance will encourage the tourist trade by encouraging the construction or improvement of a business relating to the tourist trade and the business meets the requirements for issuance of the license under AS 04.11.225.

(k) The board may allow the relocation of an existing beverage dispensary license under AS 04.11.090 to a restaurant, eating place, or hotel, motel, resort, or similar business that contains a restaurant or eating place, in a borough with a population of 60,000 or more if the governing body of the borough approves the relocation. However, if the relocation of the license is into or within an incorporated city in the borough, the board may not approve the relocation unless the governing bodies of both the borough and the incorporated city approve the relocation. The board may allow not more than three relocations in a borough under this subsection each decade. In this subsection, "decade" means each 10-year period beginning April 1 in a year ending in zero.

(l) In (a)(1) of this section, "population" includes only those persons residing inside the radius not later than the date the application is received by the board and not earlier than 60 days before the application is received by the board.

(m) In (a)(2) and (3) of this section, "population" includes only those persons residing inside the established village, incorporated city, unified municipality, or organized borough as of December 31 of the year preceding the date of application.

(n) In this section "radius" means the circular area or distance limited by the sweep of a straight line originating at the proposed licensed premises and extending outward.

Sec. 04.11.410. Restriction of location near churches and schools.

(a) A beverage dispensary or package store license may not be issued and the location of an existing license may not be transferred if the licensed premises would be located in a building

the public entrance of which is within 200 feet of a school ground or a church building in which religious services are regularly conducted, measured by the shortest pedestrian route from the outer boundaries of the school ground or the public entrance of the church building. However, a license issued before the presence of either cause of restriction within 200 feet of the licensed premises may be renewed or transferred to a person notwithstanding this subsection.

(b) If a beverage dispensary or package store license for premises located within 200 feet of a school ground or church building in which religious services are regularly conducted is revoked, expires, or is transferred to another location, a beverage dispensary or package store license may not be issued or transferred to the formerly licensed premises until the cessation of either cause of restriction.

Sec. 04.11.420. Zoning limitations.

(a) A person may not be issued a license or permit in a municipality if a zoning regulation or ordinance prohibits the sale or consumption of alcoholic beverages unless a variance of the regulation or ordinance has been approved.

Sec. 04.11.430. Person and location.

(a) Each license shall be issued to a specific individual or individuals, to a partnership, including a limited partnership, to a limited liability organization, or to a corporation. If the license is issued to a corporation or a limited liability organization, the registered agent of the corporation or limited liability organization must be an individual resident of the state.

(b) Except for a license authorizing the sale of alcoholic beverages on a common carrier, a specific location shall be indicated on the license or permit as the licensed premises, the principal address of which shall be indicated on the license or permit. The mailing address of a licensee or, if the licensee is a corporation, the address of the registered office of the corporation must be kept current and on file in the main office of the board.

Sec. 04.11.450. Prohibited financial interest.

(a) A person other than a licensee may not have a direct or indirect financial interest in the business for which a license is issued.

(b) A person who is a representative or owner of a wholesale business, brewery, winery, bottling works, or distillery may not be issued, solely or together with others, a beverage dispensary license, a restaurant or eating place license, or package store license. A holder of a beverage dispensary license may be issued a brewpub license, subject to the provisions of AS 04.11.135. The prohibition against issuance of a restaurant or eating place license imposed under this subsection does not apply to a restaurant or eating place license issued on or before October 1, 1996 or a restaurant or eating place license issued under an application for a restaurant or eating place license approved on or before October 1, 1996.

(c) A license may not be leased by a licensee to another person, partnership, limited liability organization, or corporation.

(d) For the purposes of this section, a lessor under a graduated or percentage lease-rent agreement involving premises licensed under this title does not hold a financial interest in the business.

(e) A holder of either a general wholesale license or a wholesale malt beverage and wine license may not be employed by or act as the agent or employee of the holder of a beverage dispensary or package store license.

(f) In this section, “direct or indirect financial interest” means holding a legal or equitable interest in the operation of a business licensed under this title. However, credit extended by a distiller, a brewery, or a winery to a wholesaler, or credit extended by a wholesaler to persons licensed under this title, or a consulting fee received from a person licensed under this title, is not considered a financial interest in a business licensed under this title.

Sec. 04.11.460. Prior public approval.

(a) A new license or the transfer of location of an existing license may not be approved by the board in an area outside but within 50 miles of the boundaries of a municipality unless a petition asking that the license be issued or transferred within the area containing signatures of a majority of the permanent residents residing within one mile of the proposed premises is filed with the board.

(b) A license may not be issued in an area that is 50 miles or more from the boundaries of a municipality unless a petition asking that the license be issued within the area containing the signatures of two-thirds of the permanent residents residing within a radius of five miles of the United States post office station nearest to the proposed licensed premises, is filed with the board. If there are two or more United States post office stations in the vicinity of the proposed licensed premises, the nearest to the premises constitutes the point of beginning under this subsection. If there is no United States post office station within a radius of five miles of the proposed licensed premises, the applicant must obtain the signatures of two-thirds of the permanent residents residing within a five mile radius of the proposed licensed premises. A petition is not required for the renewal of a license issued in accordance with this subsection unless specifically required by the board.

(c) In this section, “permanent resident” means a person 21 years of age or older who has established a permanent place of abode.

Article 6. PROCEDURES FOR PUBLIC INFLUENCE.

Sec. 04.11.470. Objection.

A person may object to an application for issuance, renewal, transfer of location, or transfer to another person of a license, or for issuance of a permit, by serving upon the applicant and the board the reasons for the objection. The board shall consider the objections and testimony received at a hearing conducted under AS 04.11.510(b)(2) when it considers the application. An objection and the record of a hearing conducted under AS 04.11.510(b)(2) shall be retained as part of the board’s permanent record of its review of the application.

Sec. 04.11.480. Protest.

(a) A local governing body may protest the issuance, renewal, relocation, or transfer to another person of a license by sending the board and the applicant a protest and the reasons for the protest within 60 days of receipt from the board of notice of filing of the application. A protest received after the 60-day period may not be accepted by the board, and in no event may a protest cause the board to reconsider an approved renewal, relocation, or transfer. The local governing body may protest the continued operation of a license during the second year of the biennial license period by sending the board and the licensee a protest and the reasons for the protest by January 31 of the second year of the license. The procedures for action on a protest of continued operation of a license are the same as the procedures for action on a protest of a renewal application. The board shall consider a protest and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the protest and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If an application or continued operation is protested, the board shall deny the application or continued operation unless the board finds that the protest is arbitrary, capricious, and unreasonable.

(b) If the permanent residents residing outside of but within two miles of an incorporated city or an established village wish to protest the issuance, renewal, or transfer of a license within the city or village, they shall file with the board a petition meeting the requirements of AS 04.11.510(b)(3) requesting a public hearing within 30 days of the posting of notice required under AS 04.11.310, or by December 31 of the year application is made for renewal of a license. The board shall consider testimony received at a hearing conducted under AS 04.11.510(b)(3) when it considers the application, and the record of a hearing conducted under AS 04.11.510(b)(3) shall be retained as part of the board's permanent record of its review of the application.

(c) A local governing body may recommend that a license be issued, renewed, relocated, or transferred with conditions. The board shall consider recommended conditions and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the recommended conditions and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If the local governing body recommends conditions, the board shall impose the recommended conditions unless the board finds that the recommended conditions are arbitrary, capricious, or unreasonable. If a condition recommended by a local governing body is imposed on a licensee, the local governing body shall assume responsibility for monitoring compliance with the condition, except as otherwise provided by the board.

(d) In addition to the right to protest under (a) of this section, a local governing body may notify the board that the local governing body has determined that a licensee has violated a provision of this title or a condition imposed on the licensee by the board. Unless the board finds that the local governing body's determination is arbitrary, capricious, or unreasonable, the board shall prepare the determination as an accusation against the licensee under AS 44.62.360 and conduct proceedings to resolve the matter as described under AS 04.11.510(c).

[Repealed, § 69 ch 101 SLA 1995.]

 - (A) a restaurant or eating place licensee;
 - (B) a beverage dispensary licensee;

(g) Notwithstanding AS 29.26.140(a), after a petition has been certified as sufficient to meet the requirements of (b) or (c) of this section, another petition may not be filed or certified until after the question presented in the first petition has been voted on. Only one local option question may be presented in an election.

Sec. 04.11.508. Establishment of perimeter of established village.

(A) that has adopted a local option, the local option adopted by the municipality applies in the overlapping area;

(B) the local option adopted by the established village does not apply in the overlapping area;

(2) within the perimeter of another established village and, if the other established village has

(A) also adopted a local option under AS 04.11.491, the local option of the established village that is less restrictive applies in the overlapping area;

(B) not adopted a local option under AS 04.11.491, the local option does not apply in the overlapping area.

(c) If the board determines that the perimeter of an established village as provided under (a) and (b) of this section does not accurately reflect the perimeter of the established village, the board may establish the perimeter of the established village and the areas of overlapping perimeter described under (b) of this section for purposes of applying a local option selected under this chapter.

Sec. 04.11.509. Notice of the results of a local option election.

However, the decision may not be made before the time allowed for protest under AS 04.11.480 has elapsed, unless waived by the municipality.

(b) The board may review an application for the issuance, renewal, transfer of location, or transfer to another person of a license without affording the applicant notice or hearing, except

- (1) if an application is denied, the notice of denial shall be furnished the applicant immediately in writing stating the reason for the denial in clear and concise language; the notice of denial must inform the applicant that the applicant is entitled to an informal conference with either the director or the board, and that, if not satisfied by the informal conference, the applicant is then entitled to a formal hearing conducted by the office of administrative hearings (AS 44.64.010); if the applicant requests a formal hearing, the office of administrative hearings shall adhere to AS 44.62.330 — 44.62.630 (Administrative Procedure Act); all interested persons may be heard at the hearing and unless waived by the applicant and the board, the formal hearing shall be held in the area for which the application is requested;
- (2) the board may, on its own initiative or in response to an objection or protest, hold a hearing to ascertain the reaction of the public or a local governing body to an application if a hearing is not required under this subsection; the board shall send notice of a hearing conducted under this paragraph 20 days in advance of the hearing to each community council established within the municipality and to each nonprofit community organization entitled to notification under AS 04.11.310(b);
- (3) if a petition containing the signatures of 35 percent of the adult residents having a permanent place of abode outside of but within two miles of an incorporated city or an established village is filed with the board, the board shall hold a public hearing on the question of whether the issuance, renewal, or transfer of the license in the city or village would be in the public interest;

(4) if a protest to the issuance, renewal, transfer of location or transfer to another person of a license made by a local governing body is based on a question of law, the board shall hold a public hearing.

(c) Unless the grounds for the suspension or revocation are under AS 04.11.370(a)(4), board proceedings to suspend or revoke a license shall be conducted in accordance with AS 44.62.330 — 44.62.630 (Administrative Procedure Act), except that the licensee is entitled to an opportunity to informally confer with the director or the board within 10 days after the accusation is served upon the licensee. Notice of the opportunity for an informal conference shall be served upon the licensee along with the accusation. If an informal conference is requested, the running of the period of time specified in AS 44.62.380 for filing a notice of defense is tolled from the date of receipt of the request for the conference until the day following the date of the conference unless extended by the board. After the conference, the licensee, if not satisfied by the results of the conference, may obtain a hearing by filing a notice of defense as provided in AS 44.62.390. If the grounds for suspension or revocation are under AS 04.11.370(a)(4), the licensee is not entitled to notice and hearing under AS 44.62.330 — 44.62.630 on the merits of the suspension or revocation. However, the board shall afford the licensee notice and hearing on the issue of what administrative sanction to impose under AS 04.16.180.

A license may not be suspended or revoked under AS 04.11.370(a)(4) or (5) unless the board considers the reports prepared by arresting and investigating officers and the sentencing report sent to the board under AS 12.55.025(b).

Sec. 04.11.535. Suspension and revocation based on acts of employees.

(a) If, in a proceeding to suspend or revoke a license under AS 04.11.370(a)(5), the board finds that a sentencing report sent to the board under AS 12.55.025(b) or a report prepared by the investigating or arresting officers in connection with the violation, contains information that if uncontradicted or unexplained would provide a ground for suspension or revocation under AS 04.11.370(a)(5), the licensee has the burden of proof to establish that the licensee neither knowingly allowed the violation nor recklessly or with criminal negligence failed to act in accordance with the duty prescribed under AS 04.21.030.

(b) If the board suspends or revokes a license on grounds that a licensee knowingly allowed or recklessly or with criminal negligence failed to act in accordance with the duty prescribed under AS 04.21.030 resulting in unlawful action of an agent or employee, the board shall file a criminal complaint charging the licensee with violation of AS 04.16.150.

Sec. 04.11.550. Notice of expiration.

On or before February 15, the director shall mail a notice of expiration to each licensee who has not either (1) filed an application to renew a license, along with any applicable affidavits and all fees due, or (2) notified the director of an intent not to do so. Failure of the director to mail this notice of expiration does not waive the requirement that the application for renewal be filed by February 28.

(c) The Department of Commerce, Community, and Economic Development shall recover any amounts erroneously refunded under (a) of this section. Sec. 04.11.680. Duration of licenses and permits.

(a) Upon application and payment of one-half of the biennial fee, the board may issue a seasonal license under this title that is effective for the intervals stated on the license. A seasonal license may not be effective for more than 12 months in a two-year period. Otherwise, all licenses issued under this title other than a retail stock sale license are effective for the two calendar years ending December 31, unless a shorter period is prescribed by the board or by law.

(a) A person who possesses alcoholic beverages in a municipality or established village in violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 may, upon conviction, be punished by a fine not to exceed \$1,000 and shall forfeit the seized alcoholic beverages. When a peace officer stops or contacts a person concerning a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501, the peace officer shall seize the alcoholic beverages and may issue a citation to the person as provided in AS 12.25.175 — 12.25.230.

(b) If a person cited for a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 for which a bail amount has been established under (c) of this section does not contest the citation, the person may, within 30 days after the date the citation is issued,

(1) mail or personally deliver to the clerk of the court in which the citation is filed by the peace officer the amount of bail indicated on the citation and a copy of the citation indicating that the right to an appearance is waived, a plea of no contest is entered, and the bail and all alcoholic beverages seized are forfeited; or

(2) perform community work in lieu of payment of the fine or a portion of the fine as provided in (d) of this section.

(c) The supreme court shall establish by rule or order a schedule of bail amounts that may be forfeited without a court appearance for a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501. In establishing the bail schedule the supreme court may consider the quantity of alcoholic beverages possessed and the number of prior violations of the person cited. Before establishing or amending the schedule of bail amounts required by this subsection, the supreme court shall appoint and consult with an advisory committee consisting of the following seven persons: one superior court judge, one magistrate from each judicial district in the state, a representative of the Department of Law, and a representative of the Public Defender Agency. The maximum bail amount may not exceed \$1,000, and the issuing officer shall write on the citation the amount of bail applicable to the violation.

(d) Community work shall be performed at the direction of the local governing body of the municipality or the local governing body of the established village. In the absence of a local governing body for an established village, community work shall be performed at the direction of the body that has traditionally performed public functions on behalf of the entire community. The value of community work in lieu of a fine is \$5.00 per hour. When the community work is completed, the person cited for the violation shall mail or personally deliver to the clerk of the court in which the citation is filed by the peace officer

(f) A person cited under this section is guilty of failure to obey a citation under AS 12.25.230 if the person fails to pay the fine, appear in court as required, or provide proof of performance to the court as specified in (d)(1) of this section.

(h) A violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 may not be considered a criminal offense and may not result in imprisonment, nor is a fine imposed for a violation considered criminal punishment. A person cited for a violation does not have a right to a jury trial or court appointed counsel.

(1) was not a party to the violation subjecting the property to forfeiture;

(2) had no actual knowledge or reasonable cause to believe that the property was to be used in violation of the law; and

(3) had no actual knowledge or reasonable cause to believe that the person committing the violation had

(j) Notwithstanding (i) of this section, a court is not required to order the forfeiture of a vehicle or watercraft if the court determines that

(1) the vehicle or watercraft is the sole means of transportation for a family residing in a village;

(2) the court may impose conditions that will prevent the defendant's use of the vehicle or watercraft; and

(3) either

(A) a member of the family would be entitled to remission under this section if the family member were an owner of or held a security interest in the vehicle or watercraft; or

(B) if a member of the family would not be entitled to remission, the family member was unable as a practical matter to stop the violation making the vehicle or watercraft subject to forfeiture.
