A person may object to an application for issuance, renewal, transfer of location, or transfer to another person of a license, for issuance, renewal, or transfer to another person of a license with one or more endorsements, for issuance of an endorsement or for issuance of a permit, by serving upon the applicant and the board the reasons for the objection. The board shall consider the objections and testimony received at a hearing conducted under AS 04.11.510(b)(2) when it considers the application. An objection and the record of a hearing conducted under AS 04.11.510(b)(2) shall be retained as part of the board's permanent record of its review of the application.

Sec. 04.11.480. Protest. (a) A local governing body may protest the issuance, renewal, relocation, or transfer to another person of a license, issuance, renewal, or transfer to another person of a license with one or more endorsements, or issuance of an endorsement by sending the board and

the applicant a protest and the reasons for the protest within 60 days of the date of the notice of filing of the application. A protest received after the 60-day period may not be accepted by the board, and in no event may a protest cause the board to reconsider an approved renewal, relocation, or transfer. The local governing body may protest the continued operation of a license or endorsement during the second year of the biennial license period by sending the board and the licensee a protest and the reasons for the protest by January 31 of the second year of the license. The procedures for action on a protest of continued operation of a license or endorsement are the same as the procedures for action on a protest of a renewal application. The board shall consider a protest and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the protest and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If an application or continued operation is protested, the board shall deny the application or continued operation unless the board find that the protest is arbitrary, capricious, or unreasonable.

The board shall consider testimony received at a hearing conducted under AS 04.11.510(b)(3) when it considers the application, and the record of a hearing conducted under AS 04.11.510(b)(3) shall be retained as part of the board's permanent record of its review of the application.

(c) A local governing body may recommend that a license be issued, renewed, relocated, or transferred, or that a license with one or more endorsements be issued, renewed, or transferred to another person, with conditions. The board shall consider recommended conditions and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the recommended conditions and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If the local governing body recommends conditions, the board shall impose the recommended conditions unless the board finds that the recommended conditions are arbitrary, capricious, or unreasonable. If a condition recommended by a local governing body is imposed on a licensee, the local governing body shall assume responsibility for monitoring compliance with the condition, except as otherwise provided by the board.

(d) In addition to the right to protest under (a) of this section, a local governing body may notify the board that the local governing body has determined that a licensee has violated a provision of this title or a condition imposed on the licensee by the board. Unless the board finds that the local governing body's determination is arbitrary, capricious, or unreasonable, the board shall prepare the determination as an accusation against the licensee under AS 44.62.360 and conduct proceedings to resolve the matter as described under AS 04.11.510(c).

(e) If the location or proposed location of a license is within the boundaries of more than one local government, each local governing body may protest the issuance, renewal, relocation, or transfer of a license.

(yes or no).”

(c) When issuing a license in the area that has removed a local option, the board shall give priority to an applicant who was formerly licensed and whose license was not renewed because of the results of the previous local option election. However, an applicant described in this subsection does not have a legal right to a license and the board is not required to approve the application.

Sec. 04.11.497. Effect on licenses of prohibition of sale. If a majority of voters vote to prohibit the sale of alcoholic beverages under AS 04.11.491(a)(1), (a)(4) or (5), (b)(1), or (b)(3) or (4), the board may not issue, renew, or transfer, between persons or locations, a license for premises located within the boundaries of the municipality and in unincorporated areas within five miles of the boundaries of the municipality or within the perimeter of the established village. (d) In this section, “possession” means having physical possession of or exercising dominion or control over an alcoholic beverage, but does not include having an alcoholic beverage within the digestive system of a person.

Sec. 04.11.503. Effect on licenses of restriction on sale. If a majority of the voters vote under AS 04.11.491(a)(2) or (b)(2) to prohibit sale of alcoholic beverages except by the type or types of licensees or permit holders listed on the ballot, the board may not issue, renew, or transfer between persons or locations a license for premises located within the boundaries of the municipality and in unincorporated areas within five miles of the boundaries of the municipality or within the perimeter of the established village, except the type or types of licenses listed on the ballot. A license in effect within the boundaries of the municipality or perimeter of the established village, and in unincorporated areas within five miles of the boundaries of the municipality, except the type of license listed on the ballot, is void 90 days after the results of the election are certified. A license that expires during the 90 days after the results of a local option election are certified may be extended, until it is void under this section, by payment of a prorated portion of the biennial license fee.

Sec. 04.11.505. Licensing after prohibition on sale except in premises operated by municipality. (a) If a majority of the voters vote under AS 04.11.491(a)(3) to prohibit the sale of alcoholic beverages except on premises operated by the municipality, the board may not issue, renew, or transfer between persons or locations a license for premises located within the boundaries of a municipality and in unincorporated areas within five miles of the boundaries of the municipality, with the exception of the type of license listed on the ballot and operated under a license held by the municipality. (g) Notwithstanding AS 29.26.140(a), after a petition has been certified as sufficient to meet the requirements of (b) or (c) of this section, another petition may not be filed or certified until after the question presented in the first petition has been voted on. Only one local option question may be presented in an election.

Sec. 04.11.508. Establishment of perimeter of established village. (a) Except as provided under (b) and (c) of this section, for purposes of AS 04.11.491, 04.11.497, and 04.11.503, the perimeter of an established village is a circle around the established village that includes an area within a five-mile radius of the post office of the established village. (c) If the board determines that the perimeter of an established village as provided under (a) and (b) of this section does not accurately reflect the perimeter of the established village, the board may establish the perimeter of the established village and the areas of overlapping perimeter described under (b) of this section for purposes of applying a local option selected under this chapter.

Sec. 04.11.509. Notice of the results of a local option election. (4) if a protest to the issuance, renewal, transfer of location or transfer to another person of a license made by a local governing body is based on a question of law, the board shall hold a public hearing.

(c) Unless the grounds for the suspension or revocation are under AS 04.11.370(a)(4), board proceedings to suspend or revoke a license shall be conducted in accordance with AS 44.62.360 - 44.62.630 (Administrative Procedure Act), except that the licensee may submit a request to the director within 15 days after the accusation is served on the licensee for an opportunity to informally confer with the director or the board. Notice of the opportunity for an informal conference shall be served on the licensee along with the accusation. The director shall

respond to a request for an informal conference or a formal hearing in a timely manner. The director shall hold an informal conference within 15 days after receiving a request for an informal conference unless the applicant and the director agree in writing to waive or extend the time limit. After the informal conference, the board shall hold a formal hearing on the accusation at the next regularly scheduled board meeting that occurs 20 days or more after service of the accusation. (a) A person who possesses alcoholic beverages in a municipality or established village in violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 may, upon conviction, be punished by a fine not to exceed \$1,000 and shall forfeit the seized alcoholic beverages. When a peace officer stops or contacts a person concerning a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501, the peace officer shall seize the alcoholic beverages and may issue a citation to the person as provided in AS 12.25.175 — 12.25.230.

(b) If a person cited for a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 for which a bail amount has been established under (c) of this section does not contest the citation, the person may, within 30 days after the date the citation is issued,

(1) mail or personally deliver to the clerk of the court in which the citation is filed by the peace officer the amount of bail indicated on the citation and a copy of the citation indicating that the right to an appearance is waived, a plea of no contest is entered, and the bail and all alcoholic beverages seized are forfeited; or

(2) perform community work in lieu of payment of the fine or a portion of the fine as provided in (d) of this section.

(c) The supreme court shall establish by rule or order a schedule of bail amounts that may be forfeited without a court appearance for a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501. In establishing the bail schedule the supreme court may consider the quantity of alcoholic beverages possessed and the number of prior violations of the person cited. Before establishing or amending the schedule of bail amounts required by this subsection, the supreme court shall appoint and consult with an advisory committee consisting of the following seven persons: one superior court judge, one magistrate from each judicial district in the state, a representative of the Department of Law, and a representative of the Public Defender Agency. The

maximum bail amount may not exceed \$1,000, and the issuing officer shall write on the citation the amount of bail applicable to the violation.

(d) Community work shall be performed at the direction of the local governing body of the municipality or the local governing body of the established village. In the absence of a local governing body for an established village, community work shall be performed at the direction of the body that has traditionally performed public functions on behalf of the entire community. The value of community work in lieu of a fine is \$5.00 per hour. When the community work is completed, the person cited for the violation shall mail or personally deliver to the clerk of the court in which the citation is filed by the peace officer

(1) a form, prescribed by the administrative director of the Alaska Court System, indicating completion of the community work; and

(2) a copy of the citation, indicating that the right to an appearance is waived, a plea of no contest is entered, and that the bail is forfeited or community work has been performed and that all alcoholic beverages seized are forfeited.

(e) When bail has been forfeited or proof of performance of community work under this section has been filed with the court, a judgment shall be entered. Forfeiture of bail or filing proof of performance of community work and forfeiture of all seized items is a complete satisfaction for the violation. The clerk of court accepting the bail or the form indicating performance of community work shall provide the offender with a receipt stating that fact, if requested.

(f) A person cited under this section is guilty of failure to obey a citation under AS 12.25.230 if the person fails to pay the fine, appear in court as required, or provide proof of performance to the court as specified in (d)(1) of this section.

(g) Notwithstanding other provisions of law, if a person cited for a violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 for which a bail amount has been established under (c) of this section appears in court and is found guilty, the penalty that is imposed for the offense may not exceed the bail amount for that offense established under (c) of this section.

(h) A violation of AS 04.11.501 or an ordinance adopted under AS 04.11.501 may not be considered a criminal offense and may not result in imprisonment, nor is a fine imposed for a violation considered criminal punishment. A person cited for a violation does not have a right to a jury trial or court appointed counsel.
