MEMORANDUM

TO: Robert Klein, Chair
and Members of the ABC Board

DATE: Tuesday, July 01, 2014

FROM: Sarah D. Oates
Records & Licensing Supervisor

RE: The Attic #5291

The applicant, The Last Roundup, LLC, currently owns and operates Beverage Dispensary License #4465, d/b/a Roundup Steak House, at 2701 S Cushman Street on the ground floor.

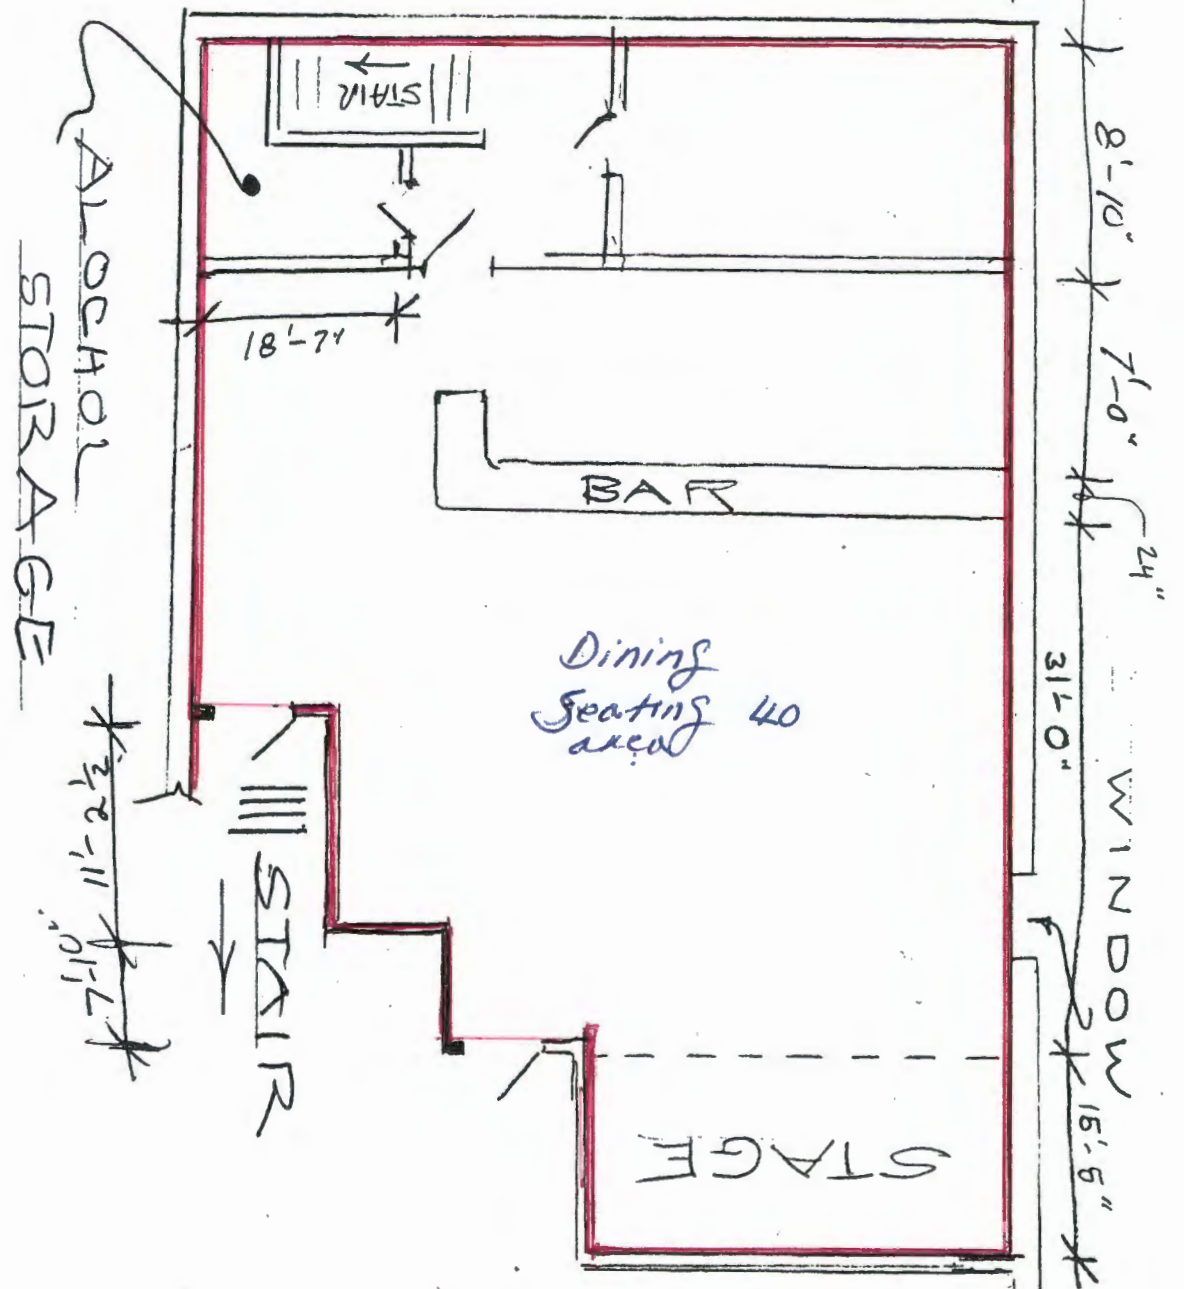

A separate Beverage Dispensary License #2847 owned by John J. Lounsbury, d/b/a The Attic, was being operated at the same address in the upstairs area. On December 10, 2013, license #2847 transferred location and ownership, and the upstairs premises was vacated.

On December 31, 2013, an application for a Beverage Dispensary – Duplicate License for the upstairs by The Last Roundup, LLC was received, but an issue regarding right title and interest came to light. This issue was resolved on February 28, 2014, and the application was processed.

Because the upstairs premises at 2701 S Cushman Street has a separate fixed bar from the downstairs, and both spaces are leased by The Last Roundup, LLC, the applicant is requesting the Board to consider this application for a duplicate license as required under AS 04.11.090(e).

Re: Arctic Circle Club of North America liquor license #3888 – Renewal Protest 2014/2015

Dear Licensee:

According to the Board's records, your continuing operation has been protested under AS 04.11.480(a) by the Mat-Su Borough. Under this statute, the Alcoholic Beverage Control Board may not approve the continued operation of this license unless the board finds the protest to be arbitrary, capricious and unreasonable.

The protest against your application is for:

- **No current MSB business license & no current Tobacco Tax license.**

The Board has delegated authority to the director to issue this warning letter to allow you an opportunity to satisfy the protest before the board's next meeting. Final action to deny the application will take place at the next meeting of the Board on July 8, 2014 in Fairbanks.

Under 13 AAC 104.147(a) "A licensee shall pay the following additional fee for renewal of a license after a local governing body protests renewal under 13 AAC 104.145(g)(1): (1) if the delinquent taxes are paid after the local governing body files a protest with the board and *before* the board denies license renewal under AS 04.11.510(a), \$50". Additionally under the regulation, fees could reach an additional \$2,000 if taxes are not paid and "Failure to remit fees under this section within 10 days following receipt of written notice from the director is additional grounds for the board to deny an application for renewal." **Your remittance of \$50.00 is due within 10 days of receipt of this letter.**

If you have questions, please do not hesitate to contact our office.

Subject: License Transfer

Dear Alcoholic Beverage Control Board,

I am concerned about a alcohol packaging store applying for a license transfer here in Anchorage. Re; Mom and Pops Grocery at 601 W 36th Ave.

I have witnessed many homeless people that enter the location and come out with tiny one shot bottles (shooters). The homeless population seems to gravitate to that location because the clerk does not ask for I.D. to most of them. I spoke with several homeless people and they said they like to go there because they don't need I.D. I know in the past Mom and Pop's were issued citation for selling Tobacco to minors. I looked at the State of Alaska Business Licensing and found this is a often occurrence. I found that since 1992 the business license owners changed 13 times, why would they do that. There are several years 1992 - current it appears no license was granted or they didn't apply for one. According to the State of Alaska Licensing, ownership was changed almost every year in addition they changed ownership several times in a single year.

As a concerned citizen of our community the activity of Mom and Pop's at 601 W 36th Ave is not in the best interest of our community and is not a good corporate neighbor. I lived here in Anchorage since 1959. I thought our goal was to improve our neighborhoods. I understand this must have been overlooked in the past, and that's ok. If you would please look into this matter. My goal is not to discourage any business, however if a business that is not in the best interest of our community and causing a neighborhood problem, then I would encourage you to take proactive actions. Until then I will oppose this Alcohol License Transfer.

Sincerely

Sam O'Connor

The Voyager Restaurant was formerly known as the Corsair Restaurant. It was destroyed by flood in 2012, and has not been renovated or remodeled since the flood damage occurred.

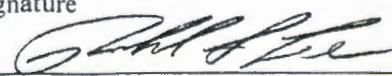

In July, 2013, Hickel Investment Company (which owns and operates the Hotel Captain Cook) purchased the Voyager Hotel from RPS, LLC, which also owns the subject dispensary license.

The basement restaurant will probably never be re-opened as a food and beverage outlet due to the extensive flood damage sustained. On the other hand, Hickel investment Company plans to renovate the entrance at 944 West Fourth Avenue and connect it to the hotel lobby, which is currently served by an entrance on I Street. This change will include remodeling the lobby to also provide for limited food and beverage service for hotel guests. This is expected to be done within the next 18 months.

It is believed that this will qualify for an appropriate use of the tourism license, and that the Alcohol Beverage Control Board will approve the renovated premises for a transfer of the license to Hickel Investment Company dba the Voyager Hotel.

SUBJECT: Liquor License #45 - Response to Notice of Violation
and actions taken to prevent reoccurrence

On 4-26-14, Brenda McClure, a server who has been with me here at Mykel's for over 15 years, sold a beer to a person under age after looking at her ID, and despite reading the 95 birth year didn't register that she was under 21. I still shake my head in disbelief that of all the servers, this action came from Brenda. She is normally composed and thorough, so her serving a minor stumps me. Regardless, she and I have discussed the error plus we have had meetings with all the servers to again review the house policies and state laws. Our Assistant Manager and I have been quizzing the servers on a regular basis to ensure they know the birth date of a 21 year old! I also posted a note which every server has signed after reading. The note includes:

"I need to make certain that everyone knows and understands the severity of serving alcohol to a minor. **No excuse is acceptable!!** Your job is to **Ask for ID, read it with no uncertainty of the date, and then comprehend the date and be 100% certain that the person you will be serving is without a doubt over 21 years of age**, or don't serve them at all! All of you have had the proper training and are capable servers, so there is no reason this should ever happen again! I thought that everyone was scared into full awareness after Kay made her mistake a year ago, please don't let this second error go without serving as a wake-up call to be more diligent to your duties in carding and serving only patrons of the proper age! This matter is of the utmost importance! Please take the time and pay attention! This can never happen again and I will be challenging each of you myself to ensure that it won't. You risk losing your job if you can't follow this simple policy."

I believe I have a very qualified and well trained staff who generally do an exemplary job of following the law, but this time Brenda failed to take the extra time necessary to process the information given her and made a gross error. She and I both apologize for the mistake and promise to try and ensure it won't happen again!

Please call me if you have any questions or concerns, (907) 398-3693 cell; (907) 262-4305 restaurant.

Dear Director Cote:

This letter is in response to Notice of Violation # AB14-0544 issued to our License #177 on 4/30/14 and received May 6th, 2014.

Investigator Hamilton states that he came in contact "with a female who was identified as the manager". As I told Investigator Hamilton verbally on 4/29/14, Shelly Shank was the individual he requested identification from, and she is in fact my Sales & Catering Manager here at the Breeze Inn. She was a patron of the business at the time of the encounter and was not on duty. When she returned to the lounge, Investigator Hamilton had left the premises, so she was unable to provide him with any of the identification he requested.

Ms. Shank was given additional duties effective April 10th which include oversight of the lounge. 3 AAC 304.465 states that "If the person cannot show a current card or a copy of it on file on the premises, or show a date of hire less than 30 days earlier, the person shall immediately cease selling or serving alcoholic beverages." As Ms. Shank had until May 10th under the law to attend and complete the requisite training, neither she nor the licensee were in violation. Ms. Shank did, in fact, attend the training here in Seward and received her training Certificate #125365 on May 6, 2014.

We respectfully request that you dismiss the Notice of Violation in accordance with your authority under 3 AAC 304.525 (a)(1)(D).

Sincerely,

Ronald W. Hewitt, CHA

Dear Ms. Cote':

Re: Notice of Violation
License Number: 219

Chena Hot Springs has taken the following actions so that this violation does not happen again:

First, employee involved was fired.

Second, we bought a new \$1600 id card reader, and all ids are now read with it.

Third, no new employee is allowed to serve alcoholic beverages until they receive their TAMS card even though the State Statute allows 30 days before they are required to have the card.

Sincerely,

To whom it may concern,

In the matter of Lu Lovelace an employee mandatory meeting was held. We went over the laws pertaining to minors being in the bar. Miss Lovelace was put on suspension for 30 days and has to repeat her taps class on May 13th. It's important to all us that work here to have a safe environment.

Thank you for your time.

Dear Director:

This letter is in reference to your Notice of Violation Number AB14-0530. The following measures have been put in place to prevent another violation.

1. Our Canteen Manager went to the ABC office in Fairbanks and met with Mr. Richard Finney to discuss proper signage, overall ABC rules, and a discussion on the statement of proof of age.
2. The bartender on duty that day was new (her third week) and had not completed TAPS Training. She was not scheduled to work again until after she had completed the training.
3. We hosted a TAPS training session at our Post. We also invited several other local establishments to take part. We are a community minded organization and believe if we made the mistake someone else might also. This ensured all of our bartenders and other local clubs bartenders were trained professionally to eliminate the possibility of a recurrence. It also enables us to be sure enforcement of the ABC rules are uniform in the local area.
4. Within 48 hours (the incident took place on Saturday and we do not open again until Tuesday) a Bar Meeting was held to discuss the incident and to remind all the staff of the importance of verifying the age and eligibility of every individual that enters our premises.

We hope these measures meet with your approval and restore your confidence that Veterans of Foreign Wars Post 10029 will enforce the Alcoholic Beverage Control Board Rules.

Sincerely,

Charles Hess

Dear Director,

This letter is in response to License number 2106; dated: 4-30-14; AS 04.16.052 and AS 04.21.025.

Kathryn "Mary" May was asked by Manager Sharon Hu about having a "TAM card," and Mary did tell Sharon, "Yes, I have one." Because Mary was only filling in one day per week at the restaurant (Sharon recently had a baby March 3, 2014), Sharon thought everything was okay. When ABC asked Kathryn "Mary" to show them her TAMS card at the restaurant, she pulled out from her wallet a Beverage card from Virginia, that was not a TAMS card. Kathryn was shocked herself and she had misunderstood what a TAMS card was. Kathryn is willing to sign this letter to confirm the situation.

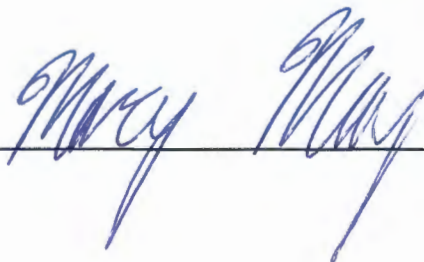

We have placed Kathryn on disciplinary action. She is asked to have a leave of absence and is told to have TAMS certification immediately. She is not allowed to come to the restaurant, and she is signing this document elsewhere.

From this lesson, Sharon has learned and is NOW REQUIRING ALL employees to have their TAMS card COPIED and Drivers' Licenses COPIED in a binder for all records. We also had another staff meeting to address this entire occurrence. We take this matter very, very seriously, and are very sorry.

Sincerely,

Jo Chi Hu

Dear Miss Cote

IN response to a Notice of Violation I received on 4-12-14 for selling alcoholic beverage to a person under the age of 21 yrs, I did ask and look at her military I.D. and glanced at my born on date calendar only to miss think her age, but I caught my mistake as she was going out the door and followed her out to get the alcoholic beverage back but she had already reached the troopers car.

Going forward I will take the extra few seconds to double check all I.D.'s on all people attempting to buy alcoholic beverages. I have also talked to all employees to make sure they double check all I.D.'s

For closing we will do our best to make sure this does not happen again.

Subject: Reply to ABC Board Notice of Violation #AB14-0426 for License #3113

Dear Ms Cote',

This letter is in response to the subject violation at Trail Lake Lodge on 23 Mar 2014. I have owned Trail Lake Lodge since 2007 and have made a concerted effort to educate and train my employees in their alcohol serving responsibilities to preclude any violations of the governing State statutes for the privilege of holding a liquor license. It is my responsibility and I accept the responsibility for this violation. When Ms Nichols first started working for me she had had lots of experience working at other food and beverage businesses. I made a bad assumption that she had a valid server card in her possession.

I am normally in the bar supervising operations in the winter time whenever the bar is open. Unfortunately, I was in Nevada and Minnesota from 21- 28 Mar on family business. It is our customary rule to check everyone's identification prior to being served. Ms Nichols stated to me that she did in fact look at the customer's military ID card (which she had never seen one before) and noticed the year on the ID was 1994 but for some reason she did not do the math in her head nor look at the three prominently posted cards that says "you must have been born on this date or prior in 1993 to be served". She learned a very valuable lesson in "focusing on what you are doing" from this event!

Ms Nichols has completed the server education course. Amy Fulton has provided her current and valid server card to Mr. Hamilton as she had provided an old card vice her current one.

In addition to Ms Nichols' recently completed formal server education, I have held remedial training at the start of each server's shift to remind them of the "date and year required to be served" and of the various types of ID cards that may be presented. Ms Nichols has volunteered to help train new staff that arrives for our summer season and to relay her own personal experience to our new personnel. I have personally checked all current servers' proof of server education cards and have a copy of them in my safe.

I will ensure that all new servers complete the server education prior to being assigned any server shift.

If you have any other recommendations for remedial training or for any other procedures or processes to preclude this from happening again I will certainly implement them!

Sincerely,

Mrs Shirley A Cote; Director ABC Board,

This is a letter in reverence to my violation dated 3-25-14 for underage buyers in my establishment without a proper guardian. You directed me to : AS 04.16.052 and I would like to note that this is not the correct violation, as stated by you it clearly reads: Furnishing alcoholic beverages to persons under the age of 21 by licensees. But stated in the actual violation it states no underage person was given alcohol, just sodas (non-alcoholic beverages) and fries.

Also under further investigation on the missing signs it was brought to my attention that the missing sign had actually been taken down by a patron a week prior and as soon as it was brought to our attention the same day 3 more signs were printed and placed at the door and exit areas.

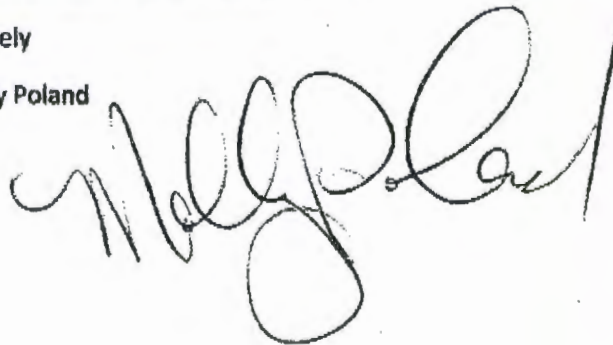

I humbly request that these violations be dismissed due to the fact that people do vandalize places. As soon as it was brought to my attention it was corrected. And the fact that we are currently applying for a restaurant designation permit, and no one under age was given alcoholic beverages, as stated in the violation even though you directed me to AS 04.16.052

I was told that investigator Hamilton was back in my establishment for several hours that evening and was actually impressed with my bartender and told her so. As he could see we try very hard to make sure to abide by all laws and I do take this very seriously and do not want any more violations on my record.

In conclusion, the stated violations have been taken very seriously, and we have had an employee meeting about several laws, including but not limited to the serving of minors, and the laws with in the restaurant designation permit we are APPLYING for and the current laws being a bar. Also to my door man for keeping a close eye for people ripping down sign's and being quick about putting the required signs back in place each night. Thank you for considering the dismissal of these violations and I look forward to hearing from you very soon.

Very Sincerely

-Molly Poland

I WAS NOT ON PREMISES FOR SEVERAL HOURS NOR DID I GO BACK. MOLLY TOLD ME THAT SIGN WAS TAKEN DOWN APPROX 3 MONTHS AGO DURING RENOVATION IN FACT. BARTENDER TOLD ME "TO BE QUITE HONEST, THERE ARE A LOT OF YOUNG PEOPLE IN HERE". I DID NOT TELL BARTENDER I WAS IMPRESSED W/HER.

To: The Director of the Alcohol Beverage Control Board

From: Froso's Family Dining
D.B.A. Dionysus LLC
License #3243

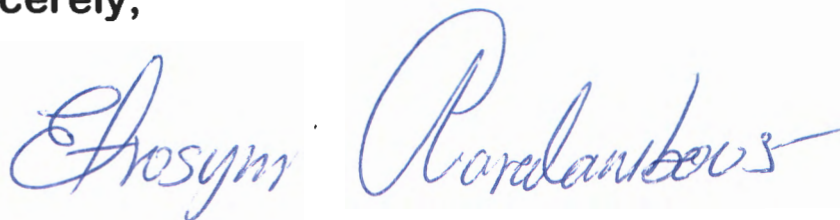

On March 22, 2014, at my business, Froso's Family dining, my server Sheila A. Kilgore did serve alcohol to a minor. This is a mistake we take very seriously. She did card the minor, however, she misread the date on the identification. The identification was a military I.D. which our I.D. reader cannot read. In addition, the writing is quite small on the I.D., which resulted in Miss Kilgore's regrettable mistake. It is not our policy to serve minors at our restaurant, and we take this incident seriously.

Actions:

- 1) From this date forward Sheila will carry on her person reading glasses to assist when presented with Military I.D.s or any other identification that our I.D. machine cannot read, or is difficult to read.
- 2) We will continue to have staff meetings to remind our employees of the rules and regulations and policies of alcohol service both by the state and our business.

It is our hope, with this incident, that all of my employees will be more diligent in the future to prevent any recurrence of this type of mistake.

Yours Sincerely,

Wal-Mart would like to respond to the charge of "sale of alcohol to a minor" by our
employee occurring on the date of 04-12-14.

This store does have procedures in place to prevent such violations of law and did train all
cashiers per corporate policy prior to the alleged violation, however additional training and
cashier meeting was conducted on 4-23-14 to cover how to ensure no customer under 21
without parent or legal guardian can be present in liquor box. The associates have been told
to request ID from anyone appearing under age 21 and to ask them to leave if not with a
parent or legal guardian.

I believe the cashier in question misunderstood that the issue was no minor can purchase any
item (even non alcohol) from that register on the premises of liquor because they can't
legally be in the liquor box, but now all cashiers are clear on the requirements.

Please contact me with further details at the above address, or call me at 479-204-8358 to
discuss.

Sincerely,

Jim Renfrow

April 7, 2014

Attention: Shirley A. Cote', Director

High Mark Distillery, License #5201, has read over the Alleged Violation Number AB14-0364, and in response, has closed the doors to any outside visitors to our distillery.

High Mark Distillery shall await a determination through the Alaska Legislative Committee for (HB309- the distillery bill) to see how we should best proceed in the future.

Thank you for your patience with we young distilleries across Alaska, as we strive to grow in an appropriate manner.

Guidance is appreciated from the Alaska ABC Board. Please continue to be available for questions, as well as find fault, as distilleries try to discern between how we are taught to run our distilleries from certified training distilleries in other states across the U.S.A. and how we are expected to run our distilleries differently here in Alaska.

Respectfully,
Felicia Keith-Jones, Owner
High Mark Distillery, Inc.
