General report

Narrative:

OBSERVATION:

On 12-23-13, at about 1752 hours, Underage Buyer 13-008; age 19, herein referred to as UB, entered H & H Lakeview Restaurant. I remained outside. At about 1753 hours, UB sent me a total of three text messages essentially relating he had been sold an amber beer, no age or ID was asked for and that he had

paid. The third message described the server. UB paid for the beer with a recorded ten dollar bill and received change.

OFFICER ACTION:

At about 1757 hours, I entered the establishment and observed UB seated at the bar with a glass of beer in front of him. I took a photograph of UB seated with the beer. UB identified his server, gave me his ID and then departed the establishment. I then made contact with the server and advised him UB was underage and 19. He was asked to provide his ID and his server education card to me. He was identified as licensee James G. Berryman.

INTERVIEW #1, DI, J.G. BERRYMAN:

Conducted in a non-custodial manner. Berryman essentially related he was tired and this was "Bullshit". Berryman, using more explicatives, said he had just gotten off the loader and was relieving the bartender so he could cook a hamburger. His neighbor, a customer at the bar, said UB needed a beer. Berryman recalled serving UB an amber beer and did not check his ID. Berryman has been selling alcohol for 14 years and has received server education, TAP 116075, exp. 6-23-16, instructor E. Jenkins. I advised Berryman I was going to my vehicle to complete the summons. As I was leaving I heard him say something to the effect that I needed an ass whoopin.

OFFICER ACTION:

Berryman was issued summonses for furnishing alcohol to a person under 21 and allowing an under 21 person on a licensed premises. A mandatory court date of 1-28-14, 0830 hours, Palmer District Court was assigned. After discussing his Restaurant Designation Permit, I exited the establishment.

NOTE:

UB completed five compliance checks on 12-23-13. Two establishments sold UB an alcoholic beverage.

EVIDENCE:

Digital audio and photos.

CASE STATUS:

Closed with charges referred to the DAO for prosecution.

MR. WEIDNER: We're here today on State verse James Gerald Berryman. The actual case number is 3PA-14-0007 CR. Mr.

1 Berryman was initially served with two citations, 1P00355106
2 and 100355107. 00355106 charge allowing a person under 21
3 persons -- allowing a person under 21 to remain on licensed
4 premises with criminal negligence. P00355107 charged that a
5 licensee, to wit, Mr. Berryman, had allegedly furnished
6 alcohol to a minor with criminal negligence. Those were the
7 subject then of a complaint in this matter, a two-count
8 complaint. The complaint in Count I charged furnishing of
9 alcoholic beverages to persons under the age of 21 by licensee
10 in violation of AS 04.16.052(5).

11 Count II charged furnishing of alcoholic beverages to
12 persons under the age of 21 by licensees in violation of
13 AS 04.16.052(2). There's going to be a guilty plea today
14 under Rule 11, the Alaska Rules of Criminal Procedure, to
15 Count II. Count I is going to be dismissed with prejudice.
16 I'll state in a moment, Your Honor, the basis of the -- the
17 factual basis for the plea. The defendant can acknowledge and
18 I also will represent to Your Honor that I've advised Mr.
19 Berryman of his rights to a trial by jury, his rights to a
20 unanimous verdict, his rights to call witnesses, his rights to
21 cross examine and confront witnesses, his rights to effective
22 assistance of counsel, his rights to remain silent, his rights
23 to a verdict being unanimous and other applicable rights.
24 I've shown him a copy of the statute to which he is pleading
25 and advised him of the elements of the statute. It's my

1 understanding he's doing so knowingly, voluntarily and with
2 knowledge of those rights.

3 I'll note for the record, Your Honor, that, as reflected
4 by the police reports and my investigation of the
5 circumstances that gave rise to this situation are as follows:
6 Mr. Berryman will be 77 years old in August. He's been in
7 Alaska since 1969. He has ran an establishment -- actually,
8 it's near my homestead on the Parks Highway but it's at
9 Mile 99. It's the H&H establishment. I don't know if Your
10 Honor's familiar with it or not but it's a.....

11 THE COURT: It's been around a long time, I believe.

12 MR. WEIDNER: It has. It certainly has and it serves a
13 very valuable function to the community both in terms of a
14 local watering hole, so to speak, but also a restaurant. He
15 does -- he is the owner. He is a licensee. He's actually
16 been supporting his aged wife for a number of years.

17 On the date in question, he was out plowing snow and he
18 came back in momentarily and one of his sons who was a -- the
19 bartender was back cooking so he did serve a drink to a person
20 who appears to have been under age. I've got photographic
21 proof and I've actually got witnesses to the fact that that
22 person -- and if Your Honor needed, you could see -- actually
23 looks to be considerably older than 21 but he was technically
24 a minor and I don't think that -- and I'm -- there's a
25 question as to whether or not the ID in question was properly

1 examined but Mr. Berryman is concerned though that there might
2 be a miscarriage of justice and he might get convicted by a
3 jury of the furnishing charge. So, as a result, under *Alford*,
4 he's going to plea to the allowing the minor on the premises.

5 The Alcohol Beverage and Control Board has sent some type
6 of appropriate notice on this and it hasn't been resolved yet
7 and we may well litigate the issues there but we're prepared
8 to plead guilty today to the allowing the minor on the
9 premises. In that regard, Mr. Berryman did have a -- what he
10 thought was a valid restaurant license to allow a minor to be
11 on the premises but the agent apparently told him that it
12 wasn't, that there was some problem with it. So he's going to
13 plead guilty under *Alford* to avoid the possibility of a
14 miscarriage of justice and a greater offense and that includes
15 the fact that he, apparently, has a number of years ago a
16 prior conviction for furnishing which was an -- again, very
17 interesting circumstances but that's the status of the case.

18 The agreement is a one-year SIS, the option of either 24
19 hours work service or a fine of \$250. He's going to pay the
20 fine and if you have any other questions, I'll be glad to
21 address them.

22 THE COURT: Okay. And how much time are you requesting to
23 pay the fine?

24 MR. WEIDNER: Sorry to have to ask this but does the court
25 system take credit cards or not? Do.....

1 THE COURT: Well, we -- I think we're on the verge of
2 allowing e-filing and paying but.....

3 MR. WEIDNER: Right.

4 THE COURT:that's only traffic tickets so far
5 so.....

6 MR. WEIDNER: Right.

7 THE COURT:I, frankly, don't know. Do you know,
8 Madam Clerk?

9 MR. WEIDNER: Well, in any -- how about if we just say 30
10 days?

11 THE COURT: That's fine.

12 MR. WEIDNER: I mean, he could pay it today with a credit
13 card but, if not, he'll pay it within 30 days.....

14 THE COURT: That's fine.

15 MR. WEIDNER:and any court costs within 30 days.

16 THE COURT: Okay. So Count I, the furnishing, is
17 dismissed and no probation to follow. Will this be a guilty
18 or no contest plea?

19 MR. WEIDNER: No contest.

20 DISTRICT ATTORNEY: I'm sorry, we don't accept no contest
21 pleas. It has to be.....

22 MR. WEIDNER: Well, it's guilty under *Alford* then.

23 THE COURT: Okay. And that.....

24 MR. WEIDNER: Under *Alford* verse *North Carolina*. I know
25 Your Honor's familiar with the case.

1 THE COURT: And I don't know that it nowadays makes much
2 difference but, in any event, Mr. Berryman, what is your
3 current mailing address?

4 MR. BERRYMAN: It's 8C89 Box 616, Willow. That's, of
5 course, Alaska, 99688.

6 THE COURT: 8C89 Box 616?

7 MR. BERRYMAN: Right.

8 THE COURT: 99688?

9 MR. BERRYMAN: Right.

10 THE COURT: Okay. And, with that, Mr. Berryman, anything
11 you'd like to say about the case?

12 MR. BERRYMAN: No, sir.

13 THE COURT: All right. Bear with me as I fill out the
14 paper work. The -- well, I'll accept the agreement, Mr.
15 Berryman, with the license starting with a 031. You've,
16 doubtless, been here a long time.

17 MR. BERRYMAN: It has.

18 THE COURT: And, as I recall, H&H has been there before
19 there was a bridge across the Susitna. So it's just the kind
20 of thing you run into when you're operating a license.....

21 MR. BERRYMAN: Right.

22 THE COURT:and you just know that the people they
23 send in there look like they're pushing 30 so it's -- you
24 know, I know you've had the conversation with Mr. Weidner but
25 it is what it is and I'll accept the agreement. The

1 furnishing is dismissed and it's a \$250 fine on Count II.
2 I'll accept the guilty plea and it's a suspended imposition of
3 sentence for one year so if you do the things you need to and
4 don't do things you shouldn't, you can get the conviction set
5 aside at the end of a year.

6 MR. BERRYMAN: Okay.

7 THE COURT: So, basically, the conditions -- and I wrote
8 down no probation. It's one year probation on conditions that
9 you pay a \$250 fine by July 4th so get it done before the
10 Independence Day. There's a \$50 misdemeanor surcharge payable
11 within 10 days at the clerk's office, one year probation on
12 conditions you comply with the direct court orders by the
13 deadlines and commit no jailable offenses and I don't believe
14 there was any bond and/or bail conditions but if there were,
15 those are vacated. So any questions, sir?

16 MR. BERRYMAN: One question. When does your probation
17 start?

18 THE COURT: Starts today and.....

19 MR. BERRYMAN: Okay.

20 THE COURT:ends a year from today so you can mark it
21 on your calendar.

22 MR. BERRYMAN: I'll watch.

23 THE COURT: All right. And, Mr. Weidner, anything else?

24 MR. WEIDNER: No.

25 THE COURT: All right. Well, thank you for helping out.

1 MR. WEIDNER: Always a pleasure, Your Honor. Have a nice
2 afternoon.

3 THE COURT: You too and.....

4 MR. BERRYMAN: You're going to send me a bill, huh?

5 THE COURT: With that, I'm out of files. We're off
6 record.

7 DISTRICT ATTORNEY: Thank you.

8 THE COURT: Good luck.

9 DISTRICT ATTORNEY: Have a nice afternoon, Judge.

License Transfer Application
License No. 586**

Dear Sir or Madam:

Coho's Bar & Grill LLC, d/b/a Coho's Bar & Grill, has applied for the transfer of Liquor License number 586, a Beverage Dispensary Tourism License currently held by Yang Sing, LLC, and issued pursuant to AS 04.11.400(d) (the "**Tourism License**"). Coho's Bar & Grill is applying to have this Tourism License transferred from Yang Sing, LLC to Coho's as licensee.

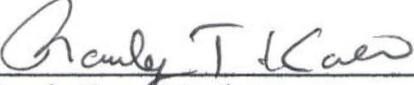

The Tourism License relates to the existing restaurant dining facility (the "**Restaurant**") operated by Yang Sing, LLC on the ground floor of the Goldbelt Hotel at 51 Egan Drive in Juneau, Alaska (the "**Hotel**"). In accordance with AS 04.11.400(d)(1), the Hotel is a business engaged in the tourist trade. The Hotel has 106 guest rooms available for rent to the public, most of which are occupied by travelers. The Hotel and Restaurant offer packages which include intimate dining at the Restaurant, and other packages for group celebrations and activities, such as parties, family reunions and weddings. The Hotel also coordinates excursions for its guests such as guided fishing and whale watching tours, and other outdoor activities. Collectively, the Hotel and the Restaurant provide the environment and tourist resources that appeal to a traveler, and which qualify the Hotel and Restaurant facility for a tourism liquor license under AS 04.11.400(d)(1).

Coho's Bar & Grill has entered into agreements with Goldbelt Hotel LLC, the owner of the Hotel, under which the entire Hotel facility is being transferred to Coho's Bar & Grill. As part of these agreements, Coho's will operate and manage the Restaurant as a dining facility for tourists and other Hotel guests. Enclosed is a copy of the proposed menu that Coho's will offer to its patrons. Coho's Bar & Grill looks forward to continued operation of the Restaurant and the opportunity to serve and support the tourism industry in Juneau.

HMSHost Renews Food & Beverage Contract at Anchorage International Airport
New restaurant created in partnership with Norton Sound Economic Development Corporation

BETHESDA, MD – HMSHost Corporation, a world leader in travel dining and shopping, today announced a ten-year extension of its food and beverage concessions contract with Anchorage International Airport (ANC). HMSHost will continue to offer an exceptional lineup of local and national brands to ANC travelers, highlighted by the new ***Norton Sound Seafood House***.

“HMSHost continues to deliver exceptional, well-designed dining options that enhance our food and beverage concessions program. This agreement will bring new venues to give visitors to Alaska the local flavor they eagerly anticipate and enjoy,” said Debbie Herrick, Properties Manager, Anchorage International Airport.

The **Norton Sound Seafood House** is a showcase of the fishery resources and the small-boat fishermen of remote Northwest Alaska communities. HMSHost is pleased to work in partnership with the Norton Sound Economic Development Corporation (NSEDCC), a local, non-profit corporation, to develop this exciting, locally-themed seafood restaurant for ANC. NSEDCC’s goals are to support local fisheries and provide economic development through education, employment, training and financial assistance to its 15 member communities.

For **Release** January 21, 2010

"NSEDC is very pleased to be a partner in this project for several reasons," said Janis Ivanoff, NSEDC's Chief Executive Officer. "The prime location will certainly result in increased exposure to our region's high-quality seafood; this will let consumers passing through the airport experience the fishery resources that our region has depended on for thousands of years, improve the markets for our local small-boat fishermen, and ultimately to bring the fishermen's and consumers' best interests together in this niche operation in Alaska's busiest airport."

Locally-caught seafood will be the star of the **Norton Sound Seafood House** menu with items created by well-known television celebrity **Chef Al Levinsohn**. Selections include Chef Al's Alaskan Crab Po Boy, Original Ale battered Halibut Po Boy, Original Ale battered Halibut and King Crab Cake Dinner. Scheduled to open in August, the restaurant will be located post-security on Concourse C, and will provide travelers a cozy, modern atmosphere with a full bar featuring locally-brewed beer, fine wines, and cocktails.

Humpy's Great Alaskan Alehouse, a popular Anchorage pub that features a range of local draft beers and is famous for Alaskan Fish & Chips, is another new concept opening on Concourse B in July. HMSHost's current ANC food and beverage options include **Starbucks Coffee, Chili's Too, Quiznos, Legends, Café Del Mundo** and **Upper One Lounge**.

"We believe this new agreement expresses the airport's confidence that we are making the traveler's day better at Anchorage International Airport. We are also very pleased to support the local community in partnership with the Norton Sound Economic Development Corporation and are working with them to create a unique restaurant that truly gives ANC's travelers a sense of place," said Stephen Douglas, Vice President, Business Development, HMSHost.

GENERAL STATEMENT ON PROGRESSIVE UPGRADES TO EXISTING FACILITY

- Scope of project is primarily to provide a restaurant addition for the existing terminal building within the existing occupancy.
 - Area of new work within this project will continue to move the building towards a long-term goal of compliance with existing codes.
 - Long term goal is for all sections of the building to fully meet standards for Type I-A construction. In areas of the building where original construction was designed to meet equivalent preceding codes, (Type I, FR) these original assemblies are assumed to be adequate to continue to provide fire resistance in accordance with the codes and standards in place at the time of original construction.
 - Where existing work is removed, it will be replaced with components fully compliant with current codes. Where work is out or patched, it will be replaced to match adjacent existing construction.
 - Where it is impractical to bring components up to full current code compliance, every effort has been made to ensure that work in this phase does not cut to lessen any component's current function.
 - The facility is assumed to be performing to the intent of the IBC Section 502.3.1 Non-separated use conditions, in that the long-term vision for rehabilitation will progressively move toward fully compliant Type I-A Construction in all areas affected by new construction.

The Norton Sound Economic Development Corporation (NSEDC) is a regional economic development organization representing 15 communities in northwest Alaska. These communities, while small, are rich in history and culture and provide some of the best seafood in the world. The local fishing fleets are exclusively comprised of small vessels with local crews who brave the ever-changing conditions that the Bering Sea is so well known for. Whether fishing in 18-foot open skiffs for halibut off of St. Lawrence Island, making 1-2 day trips to deliver a few thousand pounds of well-cared for king crab, or harvesting salmon from the same waters as their ancestors have done for thousands of years, Norton Sound fishermen are a dedicated group that take pride in their work and their resource.

MEMORANDUM

TO: Robert Klein, Chair
and Members of the ABC Board

DATE: Wednesday, October 01, 2014

FROM: Sarah D. Oates
Records & Licensing Supervisor

RE: Palmer City Alehouse #119

Under AS 04.11.400(k):

The board may allow the relocation of an existing beverage dispensary license under AS 04.11.090 to a restaurant, eating place, or hotel, motel, resort, or similar business that contains a restaurant or eating place, in a borough with a population of 60,000 or more if the governing body of the borough approves the relocation. However, if the relocation of the license is into or within an incorporated city in the borough, the board may not approve the relocation unless the governing bodies of both the borough and the incorporated city approve the relocation. The board may allow not more than three relocations in a borough under this subsection each decade. In this subsection, "decade" means each 10-year period beginning April 1 in a year ending in zero.

On June 30, an application was received by the ABC Board to transfer a beverage dispensary license from outside of city limits within the Matanuska-Susitna (Mat-Su) Borough to a restaurant within Palmer city limits.

The City of Palmer waived its right to protest on July 22.

The Mat-Su Borough submitted a protest letter to the Board on July 29, stating that, "The application for relocation of the liquor license must be submitted to the MSB and approved by the Borough Assembly."

There has been one other beverage dispensary license transferred from outside of city limits within the Mat-Su Borough in this decade: license #4733 was transferred to Glacier Canyon Grill within Wasilla city limits in May 2010.

RE: Bering Sea Restaurant #5335

AS 04.11.400(d)(1)(C) requires 25 rental rooms if the population is 2,501 – 5,000.

The City of Nome has a certified net population of 3,552.

The applicant offers 47 rooms, a master suite, full dining facilities, and room service.

There is a public objection from the bar owners of Nome who expressed in a letter that this application does not qualify as a duplicate license because a different address is used for this application (315 Front Street) than the original license application (305 Front Street).

The applicant responded with a letter stating that the establishments are connected. Also included with the letter is a photo of the buildings, a copy of the Building/Remodeling Permit from the City of Nome, and a copy of the Plan Review from the State Fire Marshal.

To the ABC BOARD

We the bar owners feel that the duplicate lenience for the nugget inn should not be approved because , it will be used in a different address. It is our understanding that the duplicate license for the nugget inn is going to be put for the Bering Sea. And if that is true, the bering sea bar needs its own license . Thank you for your time in this matter.

Bering Sea Restaurant and Nugget Inn

05/29/2014

In response to the complaint made towards Bering Sea Restaurant and Nugget Inn not being connected. The two buildings had an access door installed from previous owners. This door is located on the South/East side of the Bering Sea Restaurant. The buildings have been connected together for several years. We have enclosed pictures showing the two buildings and their connection as to make access to buildings being adjoined. We are enclosing still pictures and Video of the access and the connection of the two establishments. We are just waiting for the steel door to arrive and it will be installed by a professional carpenter, in the access of the south/east corner. The access and the door are approved by Nome City inspector Greg and also the Fire Marshall for Alaska. If there are any additional questions or pictures needed to prove this access, please let us know and we will forward immediately.

License #110 was not operated in 2013. Trudy Sobocienski had two major surgeries in August and September of 2012 and is still recovering. This held up the process to start up a business until recently.

Trudy and Columbus Sobocienski met with Wells Fargo Small Business Division with a business plan, personal financial statement, and a variety of other documents necessary to be considered for a commercial loan. We are in the midst of the loan approval process now.

We have a commercial building that we intend to purchase, located on Front Street in Nome, AK. Our goal is to open the doors in March 2014 in time for the Iditarod.

Re: **Notice of Violation AB14-0763**
Hong & Lees, Inc.
D/B/A : Fusions

Dear Bob:

Please let this letter serve as a written response to NOV AB14-0763 issued to Hong & Lees, Inc d/b/a Fusions.

As you may be aware from Investigator Hamilton, there was an alleged assault which occurred outside of Fusions very early in the morning on July 10, 2014. At the time, my client's bar was not open, nor was it serving alcohol. The victim claims that he was assaulted by an off-duty, security guard employed by a security contractor hired by my clients.

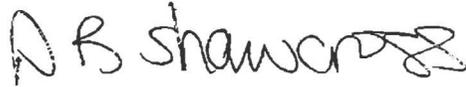

It cannot be understated that my client takes these allegations very seriously. Safety of patrons is a primary concern. This is why my clients enlist the help of security professionals. However, in this instance, it is my client's firm belief that the actions of the security guard were intentional acts for which my client could never be responsible. The man was off duty and was apparently engaged in some sort of personal dispute with the victim. A most unfortunate incident, but one which would have been very difficult if not impossible for my client to have anticipated and prevented. When an errant employee or contractor makes the decision to take intentional physical action against someone, an employer generally is not liable unless they had very good reason to know that the employee was inclined to assault people. Here, my client had no such knowledge.

Irregardless of any legal responsibility of my client, my client immediately fired the security guard. This behavior cannot and will not be tolerated.

Due to the severity of the accusation and claims being made, my client would like to arrange a personal meeting with you to discuss these matters and my client's actions in attempting to assure this never happens again. My clients and I are available to meet with you at any time.

Thank you very much for your time and consideration in this regard.

Sincerely,

Handwritten signature in black ink, appearing to read "A B Sherman".

**RE: Breeze In Corporation Notice of Liquor Violation No. AB14-0810
Alaska License No. 662
Our File No. 3471-024**

Dear Interim Director Beasley:

I represent Breeze In with regard to the Notice of Violation it received from the Alcohol Beverage Control Board, dated August 12, 2014. This was a notice of furnishing alcoholic beverage to a person under the age of 21 on or about August 4, 2014 at the Breeze In located at 3370 Douglas Highway in Juneau, Alaska.

The Notice required Breeze In to respond to the Director of the Alcohol Beverage Control Board in writing to explain what action Breeze In has taken to prevent a reoccurrence of the violation. While the Notice was dated August 12, 2014 and physically delivered on August 16, 2014, due to internal mail handling within the company, the certified letter was not presented to management until August 25, 2014. Please consider this Breeze In's response to this notice of violation, and we apologize for the delayed response and appreciate in advance your consideration of the ten day response requirement beginning on August 26, the date management was provided with the Notice of Violation.

Breeze In requires a Training for Alcohol Professionals ("TAP") certification of all employees selling alcohol. Breeze In Employee Samantha F. Coronell was hired on May 27, 2014, and her TAP card was current and not due to expire until April 14, 2016 (attached hereto as Exhibit "1").

Breeze In has adopted and implemented a written policy against selling alcohol products to persons under 21 years of age. This policy is attached hereto as Exhibit "2." In addition to the TAP certification which employees must obtain, the manual reiterates Breeze In's policy on alcohol sales and the disciplinary action employees may face for an unlawful sale, in addition to fines and criminal penalties under Alaska law.

BAXTER BRUCE & SULLIVAN P.C.

Robert L. Beasley, Interim Director

August 29, 2014

Page 2

Breeze In employee Samantha Coronell received a copy of Breeze In's written policy in May of 2014, when she was hired. Ms. Coronell agreed not to sell liquor products to any person under the age of 21 and agreed to require and check a valid government-issued photo identification card that establishes the bearer's date of birth.

Breeze In has implemented a point of sale system which requires the keyed input of the date of birth on the government identification in order to process a sale, which immediately provides a "red flag" if the date does not conform to age requirements for sales of alcoholic beverages, and will not consummate the sale transaction. Ms. Coronell did not request a valid government photo identification card from the minor, and therefore did not enter a date of birth that would trigger the red flag in this instance. Disciplinary action is pending against Ms. Coronell at this time.

Ms. Coronell is no longer employed by Breeze In. Her last day of employment was August 15, 2014 which was before Breeze In received notice of this violation. However, since receipt of the notice, Breeze In immediately took action to prevent a reoccurrence of the violation, as follows:

1. Increased training of all employees to understand the significance of the "red flag" on the point of sale system;
2. Will continue to require all agents/employees to certify in writing that the agent/employee has been informed of and understands Breeze In's written alcohol sale policies and requirements of Alaska law regarding alcohol sales; and
3. Will continue to require agents/employees to verify the age of purchasers of alcohol products by means of a valid government issued identification via Breeze In's point of sale system. We believe this to be an isolated incident in which Ms. Coronell did not appreciate the depth of her responsibility when serving/selling alcoholic beverages, and that it will not occur again in the future.

If you have any questions or need additional information, please feel free to contact me by telephone at (907) 789-3166 or by email at dbruce@baxterbruceclaw.com.

Mr. Robert Beasley , Interim Director

My name is Lisa lee Owens, I am the present owner of the Manley Lodge a.k.a. Roadhouse , License Number 694. I am responding to the certified letter than I received in the mail regarding a "Notice of Violation." AS 04.16.052 .

Dian Gurtler has been a long time loyal employee to the Manley Lodge a.k.a. Roadhouse and has never been in any violation, nor has the Lodge itself. Myself and all employees included take responsibility, in our ability to uphold the laws which govern all underage person(s) from consuming alcoholic beverages and never intend to be in this situation again.

Mrs. Gurtler has worked for the Lodge for many years and I was sorry to see her go, she was planning on NOT returning for the 2014-2015 seasonal work year. Upon returning , she works 3 days a week, returned to work on June 2nd, 2014 with the public as a morning cook/bartender. Mrs. Gurtler and I discussed a day prior to this violation, she had 30 days upon coming back to work that her TAP training for Alcohol professionals could be taken online due to the fact that we live further than 50 miles from the nearest trainer. Since the violation, Mrs. Gurtler has received her TAP certification.

The underage persons never touched nor CONSUMED the alcohol that was being served . The investigator came in with in moments the girls slid their I.D's to Mr. Bankowski , he then told them they could leave. Dian said the I.D. was military and she miss read it.

I apologize for this incidence ever happened ,no one wants to see under age minors consuming ,I don't, nor does Dian we have never had a problem with under age people coming in, I have children an grand-children so does Dian Gurtler. I can hold staff meeting to better educate employees an myself

RE: Notice of Violation No. AB14-0542
Flying Fish, LLC d/b/a Wasabi's
Our File No.: 507,328.2

Dear Director Beasley:

Please be advised that Birch Horton Bittner & Cherot ("Firm") has been retained by Flying Fish, LLC (d/b/a Wasabi's Restaurant), License No. 753 ("Wasabi's"), to respond to a Notice of Violation ("NOV") it received regarding two alleged incidents, occurring on or about April 25, 2014. Although the NOV was received on or about May 2, 2014, there was apparently a miscommunication between the Firm and Wasabi's regarding whether or not a response to the NOV was required. Rest assured, any misunderstanding regarding the Licensee's obligation to respond to a NOV has been addressed and will not happen again. Please accept this correspondence as the licensee's formal response.

As to the substance of the first NOV allegation concerning Angela Cramer, a citation and summons was issued to her on April 25, 2014, after she allegedly served an alcoholic beverage to a female under the age of 21. While the NOV does not mention the identity of the woman in question, I presume she was working as an operative for the Alcohol Beverage Control Board ("ABC Board"). It is unknown whether the Kenai District Attorney's Office will proceed with its prosecution of Ms. Cramer. At the recommendation of legal counsel, Ms. Cramer has invoked her constitutional right to remain silent as these allegations are being vigorously challenged in court. Since the outcome of any prosecution is unknown at this time, my client requests that this NOV be held in abeyance pending the conclusion of any criminal proceedings. In the event Ms. Cramer is not convicted, then I request in advance that the NOV be dismissed.

Mr. Robert L. Beasley, Interim Director
Alcoholic Beverage Control Board
August 1, 2014
Page 2

As to the substance of the second NOV allegation concerning Idalia Frazier, a citation and summons was issued to her on April 25, 2014, after she allegedly failed to provide proof of alcohol server education to the investigating officer. This charge was quickly dismissed by the Kenai District Attorney's office prior to her scheduled arraignment on May 30, 2014, after evidence was revealed that she was properly trained and proof of this training had been sent to the investigating officer within hours of the investigative contact. A copy of the dismissal is attached for your convenience.

While the pending criminal charges against Ms. Cramer prevent a more detailed response to the allegations in the NOV, this is not a situation where Ms. Cramer failed to check the identification of the customer. Rather, Ms. Cramer asked for identification and was presented with a military dependant ID card. Ms. Cramer asked the operative for identification, misreading the date of birth.

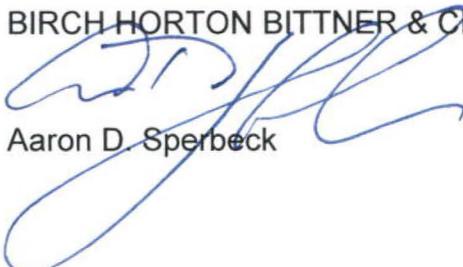

In response to this incident, Wasabi's now hosts weekly staff meetings to reiterate the importance of understanding and implementing Alaska's Title 4 laws. Emphasis is placed on compliance efforts and training opportunities, identifying how each employee and the business can work to prevent any future incidents. Wasabi's also created an employee policy handbook which details current laws applicable to the business operations and trains its employees on compliance with these policies. Each employee must sign and agree to abide by the policies in order to remain employed. Additionally, new "born on stickers" were posted at all six point-of-sale systems, along with the posting of new "born on date" calendars at all the server stations. Finally, Wasabi's confirmed that all of its employees currently hold a valid TAPS card, of which photo copies are kept on premise.

We are confident that these remedial steps will prevent similar incidents from occurring in the future and it does not appear to be a matter requiring further action by either the ABC Board or your office. Please communicate with me directly if you (or enforcement staff) believe that an additional response or information is needed.

I thank you in advance for your time and attention to this matter. Do not hesitate to contact me if you have any further questions.

Sincerely,

BIRCH HORTON BITTNER & CHEROT

Re: Notice of Violation Number: AB14-0872

Dear Mr. Beasley,

This communication is Safeway's response to Notice of Violation AB14-0872. As part of an ABC compliance check inspection, a Safeway employee sold alcohol beverage to a minor on 08/27/2014. Subsequent investigation conducted by Safeway's Loss Prevention Department fully identified the checker number being used at the time of this transaction. The checker number is assigned to employee Suddcliff Schlee, Date of Hire 09/23/2013.

Safeway takes the unlawful sale of alcohol products to an under aged person very seriously. Pursuant to Safeway policy, our standard response to the sale of an age restricted product to an underage customer is the termination of employment.

In order to prevent future violations, the following steps will be taken:

- Store Management will ensure that the consequences of future violations are made known to all employees.
- Store Management will have all employees who operate Oaken Keg check stands to re-acknowledge Safeway's policy regarding alcohol sales by reviewing and re-signing Safeway's sale of alcohol products policy.
- Store Management will increase management oversight by observing employees who operate checkstands to ensure that the Date of Birth Lock is utilized appropriately-
 - This will help to ensure that the company policy and procedures prohibiting the sale of age restricted products to minors, and the requirement to check identification of all customers, and enter the Date of Birth shown on the customer's identification, are being followed.

Safeway has a very aggressive employee training program that includes a significant portion related to procedures regarding the sale of alcohol & tobacco products.

Safeway's policy states, among other things, the following:

08272014 Store 22/1812 Alcohol Sales Violation

- “All Anchorage area stores including Eagle River and Girdwood **MUST** ask all customers for valid ID each time they make a purchase. All other Alaska stores, if you have previously reviewed the customer’s ID and verified their age, ask for their date of birth and enter that date into the system. Under no circumstances should the DOB prompt be bypassed. Store management will coordinate with Safeway’s training department for any additional retraining needed.”

Thank you for bringing this matter to our attention. Should you have any questions please feel free to contact me

RE: Violation on 8/5/2014, Fred Meyer store number 00158 located at 8181
Glacier Highway, Juneau, Alaska. **Alcohol license number 2066.**

Greetings, Robert.

With regards to the violation which occurred at Fred Meyer store 00158 on 8/5/2014 at approximately 12:08 hours involving Fred Meyer clerk Eric Robert Montgomery; the following actions have been taken to prevent a reoccurrence of the violation.

Fred Meyer requires that all employees who sell alcohol take a test annually to ensure the employee understands that it is their responsibility to ask for valid photo identification containing the birth date of all persons appearing to be under the age of 27 when they are purchasing alcohol. It is stressed with our employees that violating this policy can result in disciplinary action up to and including termination. Mr. Montgomery most recently took this test on 06/17/14.

As a result of his actions, Eric Robert Montgomery's employment with Fred Meyer will be terminated on or before 09/02/2014. The Store Director of this location has followed up with all other employees who sell alcohol and has personally readdressed the policy.

Respectfully Submitted,

Greg Parker

VIOLATION: On 08/12/14 at about 1438 hours, I conducted a routine inspection at China Lights located at 12110 Business Blvd, Ste 2. I contacted a female server who told me that she did not serve alcohol and she stated she would get the manager for me. A female then met me near the cash register and she was identified as Beng Athayasa. I asked her if she was the manager and she said no. I asked her if she served alcohol and she said yes. Athayasa was unable to provide me with proof of having completed alcohol server education. She stated that she has been working there for 3 months and has never taken an alcohol server education course. I told Athayasa that she was to immediately cease selling/serving alcohol until she obtains a valid alcohol server education card.

I also noted that only one of the required alcohol warning signs was present in the entryway of the premises. I provided Athayasa with copies of all 3 required warning signs and asked that they be posted immediately.

Athayasa informed me that the owners were "Tracy" and "Elsie" and provided me with contact information for them. I contacted Elsie on the telephone and she confirmed that she was in fact an owner of China Lights. I informed Elsie of the outcome of my inspection.

RE: Notice of Violation # AB14-0681

License Number : 4593

Dear Robert L. Beasley:

I am writing in response to the above referenced Notice of Violation issued on 06/16/2014 and received on 7/8/2014 certified mail. I am the Food and Beverage Manager of the McKinley Princess Wilderness Lodge.

As to the substance of the Notice of Violation, a citation and summons was issued to Amie McCaskill on 6/16/2014 at about 13:57. She is employed as a Supervisor at the McKinley Princess Wilderness Lodge. However, to my knowledge formal charges have yet to be filed by the District Attorney's Office.

Until the charges against Amie McCaskill are resolved, any actions on the Notice of Violation would be premature.

Following this incident, I have taken the following steps to ensure all staff are adhering to the laws of Title IV and providing responsible service.

1. I have reviewed with the staff, the regulations pertaining to this Notice of Violation in the 2013-2014 Edition of the ABC Title IV statute book. AS 04.16.049 on page 56 and AS04.16.052 on page 61.
2. I have held a meeting with my Bartenders, Servers and Supervisors to review proper ID checking procedures and the types of identifications we accept.
3. I will be setting up a refresher course with our on-property TAPS instructor Alyssa Lee to go over the laws and proper identification checking procedures.
4. Our policy at the McKinley Princess Wilderness Lodge is not to accept State of Alaska identification in the vertical format. We are asking for a second form of Identification when a customer presents a Military identification. We are using the state identification to verify date of birth and alcohol restrictions.
5. We are requiring Amie to attend a TAPS course for a refresher on state laws and procedures in regards to serving alcoholic beverages.

In conclusion, I thank you for considering this response to the Notice of Violation. I may be contacted by phone or email.

Respectfully,

Jason R. Marsh

This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

VIOLATION: On 08/21/14 at about 1430 hours, I conducted a routine licensed premises investigation at Carlos' Fine Mexican Restaurant. I contacted a server identified as Rogelio Mendoza-Reyes. Mendoza-Reyes was unable to provide proof of a valid alcohol server education card and told me that he had lost it. The bookkeeper attempted to locate a photocopy of a current alcohol server card in Mendoza-Reyes' personnel file. The only photocopy located in the file was an expired alcohol server education card from 2011. Mendoza-Reyes was instructed to stop selling/serving alcohol until he obtained proof of completing an alcohol server education course. I contacted Alaska CHARR and they were unable to locate any records indicating that Mendoza-Reyes had a current, valid alcohol server education card.

Your attention is directed to **AS 04.21.025 Alcohol Server Education Course**

You are directed to respond to the Director of the Alcoholic Beverage Control Board in writing to this Notice of Violation within 10 days of receipt to explain what action you have taken to prevent a reoccurrence of this violation. Failure to respond within 10 days will result in a mandatory appearance before the ABC Board at the next Board meeting.

***Please include your Alcohol License Number in your response.**

Dear Mr. Beasley:

I am writing this letter in regards to the Notice of Violation I received on August 14th, 2014, on license #3695. It is with deep regret that I have to address the fact that one of my bartenders served an underage person. Prior to this incident I felt like I had done everything in my power to prepare and to train my bartenders to serve responsibly, and for a situation like this to never happen.

Each bartender at Louie's, as required by law, has taken the TAMS course. As part of the hiring process at Louie's Douglas Inn we have discussed responsible serving practices, and have talked extensively about different situations that may arise while working at a bar. I have asked each bartender if they are prepared for such situations and how they would mitigate should one arise. I hire my bartenders based solely on this answer.

Friday August 22nd, at noon, I have Investigator Steven Johnson meeting with all employees at Louie's to discuss this specific incident, and to speak in general about proper practices. This will give the bartender and myself greater insight into serving alcohol more responsibly.

I apologize for what has happened and will continue to participate in safe serving practices, while empowering my employees to be proactive when it comes to keeping our bar, our patrons, and the people of Juneau safe.

Please feel free to call or email me should you have any questions. This letter will follow with an attendance sheet of all employees who attend the meeting with Investigator Johnson.

Sincerely,

Abigail R. Trucano, Owner

VIOLATION: On 06/16/14 at about 1915 hours, ABC Board Investigators conducted an underage compliance check at the Nenana View Bar and Grille. The underage buyer's ID card was immediately seized by the general manager when she entered the bar and he appeared to be awaiting her arrival. (Their affiliate, Prospector's Pizza had just passed a compliance check.) Investigators then identified themselves to the general manager along with the food and beverage manager in a lobby near the Nenana View Bar and Grille. Even after the investigators identified themselves and presented their credentials, the general manager refused to return the underage buyer's ID card and insisted upon calling 911 (Alaska State Troopers) stating a crime had been committed. Both managers were highly confrontational at this time and refused to accept the legality of ABC Board underage compliance operations. They were told by investigators they had no authority to seize the ID card were provided the statute that that indemnifies the underage buyers. The general manager refused to return the ID card unless directed by a State Trooper. Investigators also contacted the Alaska State Troopers and notified them of the situation. The Alaska State Troopers called the general manager and told him he needed to surrender the ID card to investigators which he did.

Your attention is directed to AS 04.16.049 (f) Access of persons under the age of 21 to licensed premises and AS 04.11.630 Accessibility of licenses and licensed premises to inspection.

You are directed to respond to the Director of the Alcohol Beverage Control Board in writing to this Notice of Violation within 10 days of receipt to explain what action you have taken to prevent a reoccurrence of this violation. Failure to respond within 10 days will result in a mandatory appearance before the ABC Board at the next Board meeting.

RE: Notice of Violation # AB14-0719

License Number: 4308

Dear Robert L. Beasley:

I am writing in response to the above referenced Notice of Violation issued on 7/3/2014 and received on 7/16/2014 certified mail. I am the Food and Beverage Manager of the McKinley Chalet Resort.

As to the substance of the Notice of Violation, several clarifications need to be made:

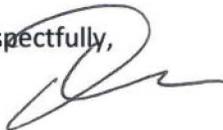

1. The underage buyer's ID was seized after the following events: she entered the bar, ordered a beer, presented the ID to the bartender and was refused service.
2. The General Manager did not seize the buyers ID; I seized it once it was handed to me by the bartender.
3. The Alaska State Troopers did not call or communicate to me to surrender the ID.
4. I surrendered the ID on my own volition once it was clear who the investigators were and the nature of the situation.

Following this incident, I have taken the following steps to ensure all staff are adhering to all laws and providing responsible service.

1. Myself and staff have reviewed the regulations pertaining to this Notice of Violation AS 04.16.049 on AS 04.11.630
2. I have held a meeting with all Bartenders, Servers and Supervisors to review proper ID checking procedures and the types of identifications we accept.
3. I have reached out to Investigator Finney from Fairbanks – Investigator Finney is going to meet with us this August and review our processes and procedures on property.

I am formally requesting that this Notice of Violation be added to the next ABC Board meeting agenda for review and removal from the file of license #4308. I may be contacted by phone or email.

Respectfully,

Dear Mr. Beasley

This letter is in response to your Notice of Violation, dated 8/12/2014. On August 5, 2014, our clerk Christina Look was cited for selling alcohol to an underage person.

I continue to take responsibility for compliance very seriously. We did institute the policy of 100% validation of age identification for all alcohol and tobacco sales. We regularly receive complaints from repeat customers regarding our 100% policy and we have lost some customers as a result, however, we intend to continue with this approach.

Along with our policy of 100% ID validation, we continue to utilize daily calendar updates of legal purchase age, which is displayed at my service counter. I discuss the significance of compliance with all State of Alaska alcohol sale compliance codes with my employees on a regular basis and also observe their compliance with our policy while I am on the premises,

In discussion of this matter with Christina, she stated she did in fact card your representative, however, the DOB year did not register with her. She indicated this was her fourth 10-hour shift that week, she was tired, had not been sleeping, and very concerned about an upcoming surgery scheduled for the next week in Anchorage. As she is the sole source of income for her family, and this surgery could have resulted in up to a month of lost income, she was understandably under considerable stress. I was unaware of her stress level, and have counseled her to be more communicative so I can provide better backup and relief in the future.

Christina is normally a very high performing employee and takes her job very seriously. She is distraught over this citation and the impact to her service record, the impact to her personal finances, and the impact to my business. She will be taking the Charr TAP on-line alcohol training class as a refresher under my observance. I will make sure she fully comprehends and understands the consequences of these regulations.

If you have additional questions, or suggestions, please free to contact me on my cell at 907 518-0567.

Respectfully

Larry Dunham

RE: Notice of Violation # AB14-0681

License Number : 4593

Dear Robert L. Beasley:

I am writing in response to the above referenced Notice of Violation issued on 06/16/2014 and received on 7/8/2014 certified mail. I am the Food and Beverage Manager of the McKinley Princess Wilderness Lodge.

As to the substance of the Notice of Violation, a citation and summons was issued to Amie McCaskill on 6/16/2014 at about 13:57. She is employed as a Supervisor at the McKinley Princess Wilderness Lodge. However, to my knowledge formal charges have yet to be filed by the District Attorney's Office.

Until the charges against Amie McCaskill are resolved, any actions on the Notice of Violation would be premature.

Following this incident, I have taken the following steps to ensure all staff are adhering to the laws of Title IV and providing responsible service.

1. I have reviewed with the staff, the regulations pertaining to this Notice of Violation in the 2013-2014 Edition of the ABC Title IV statute book. AS 04.16.049 on page 56 and AS04.16.052 on page 61.
2. I have held a meeting with my Bartenders, Servers and Supervisors to review proper ID checking procedures and the types of identifications we accept.
3. I will be setting up a refresher course with our on-property TAPS instructor Alyssa Lee to go over the laws and proper identification checking procedures.
4. Our policy at the McKinley Princess Wilderness Lodge is not to accept State of Alaska identification in the vertical format. We are asking for a second form of Identification when a customer presents a Military identification. We are using the state identification to verify date of birth and alcohol restrictions.
5. We are requiring Amie to attend a TAPS course for a refresher on state laws and procedures in regards to serving alcoholic beverages.

In conclusion, I thank you for considering this response to the Notice of Violation. I may be contacted by phone or email.

Respectfully,

Mr. Robert L. Beasley, Interim Director

Dear Mr. Beasley,

Regarding the recent violation (AS 04.16.052- "*Furnishing of alcoholic beverages to persons under the age of 21 by licensees*") at ABC licensed premise 4618, I acknowledge that an employee (Seanne Nicole Wynne) furnished an individual under 21 with an alcoholic beverage on the night of 08-06-14.

I was on site when the violation occurred and spoke with Investigator Steven M. Johnson immediately following the incident. No excuses will be made for our establishment's violation. This incident was a staff oversight that led to improper date recognition in addition to missing signs that should have resulted in scrutiny of the ID and refusal of service.

Following the dinner rush on the night of the violation, I had a post shift meeting with all four servers on duty explaining what occurred earlier in the night, the mistakes that were made in verifying the ID and the signs we should have looked for immediately after the ID was presented.

In addition to the post shift meeting, I personally had conversations with each server (not on shift that night) to verify that they can properly read and scrutinize an ID. I also printed out a memo showing the type of ID used, explained the mistakes we made and the severity of the consequences should another violation take place for the business and for the server involved. The memo was placed in each of the server paychecks the following week.

The Stikine Inn will continue to host on site training (via certified instructor) at the beginning of every season for all employees permitted to handle alcohol. We will continue to post proper signage, booklets and notifications around the establishment for our staff in the event they need a quick reference. I am also on shift every day during busy service periods in case they are uncertain or unable to confirm authenticity. Our staff also follow a strict zero-tolerance policy concerning intoxicated guests in our establishment. Our number one concern is the safety of our guests.

Thank you for your time and consideration concerning this matter.

On July 12th, Brown Bag Sandwich Co. hosted a private party for Crude Magazine outside of our normal business hours. Originally we had agreed to host this event under the following conditions:

- Invited Guests Only
- They could pre pay a bar tab for their guests to drink beer/wine provided by Brown Bag Sandwich Co.
- 21 and over only during the event; we ID all guests at the door

In regards to the Crude Magazine event marketing and pricing ad featured in the Anchorage Press, we did not submit that advertising material and we did not have a chance to review it prior to submittal. This was done without our knowledge or approval.

We have spoken with the individuals representing Crude Magazine and have discussed our dissatisfaction with their actions and any miscommunication that may have taken place. We have also decided that for all future events hosted by Brown Bag Sandwich Co. we will provide a contract clearly stating that all advertising materials must be pre-approved by us before being submitted.

To ABC board

Dear ABC Board:

Thank you for the opportunity to respond to the Notice of Violation received on 9-4-14, 2014. Logan, LLC d.b.a. Downtown Grill has worked very hard to establish the restaurant as a high-end quality restaurant in an area of town that does not have many restaurants of this type.

Our server, Flannery Dennison, who served the underage individual, previously worked at Benihana. It was our belief that she had server training through her former employment. Unfortunately, we have been unable to locate proof that she had the required server education. She has subsequently obtained her server education. (see attached)

The Downtown Grill has always had a policy of strict enforcement of the age requirements to serve alcohol. It was distressing to me to learn that one of our employees had failed to check the actual age on the ID card. Ms. Dennison has been cautioned that failure to check the actual age on an ID card in the future will lead to her dismissal. As part of our policy it is a requirement that all servers check the actual age of the individual asking to be served alcoholic beverages on an approved ID.

I think it is very unlikely that this type of event will occur again. The Downtown Grill now requires all servers to have copies of non-expired Certificates for TAP training in the employee's personnel file before they may serve alcoholic beverages. I have reiterated to the staff that they must examine the ID to insure that it is an approved ID, and if there is any question in their mind to decline service. The staff must check the actual birthdate of the person requesting alcoholic beverages.

I sincerely apologize for the event that occurred. If I can be of any further service please contact me.

Dear Mr. Beasley,

Hello. In response to the Notice of Violation I received, and dated 8-12-14, this is a reply to try to clarify or explain the situation regarding the events that led to the violation on my employee Leif Hansen's part, and the steps taken to assure that such a violation will not again occur. The violation is AS 04.16.052 and it occurred on 8-4-14.

Mr. Hansen, a very capable and hard-working server in my restaurant, was hired on 6-9-14, albeit on a part-time basis consisting of only a few hours per week, as he also works many hours at another job with Holland America Princess as a driver guide.

In June 2014 there were no TAP classes scheduled for the Juneau area as listed on the online CHARR calendar (<http://alaskacharr.com/calendar/2014-06/>). Mr. Hansen had attempted, then, to attend the only next available class in the following month, scheduled for the 13th of July (<http://alaskacharr.com/calendar/2014-07/>), even though this would already be outside of the 30-day grace period. Due to an accidental scheduling conflict / error, Mr. Hansen missed that opportunity and would then have to wait till the following month's class on August 10th (<http://alaskacharr.com/calendar/2014-08/>).

On Aug. 4th, 6 days before that class, and during a mid-afternoon rush, 2 people, male and female, sat down at a table and ordered one bottled beer each. Mr. Hansen asked for their i.d.s, and was given by both of them a military i.d. each, of which Mr. Hansen was unfamiliar with. Finding the dates on the back of the cards, he mistakingly read the 1995 dates as 1993 and thus considered their ages valid for the product.

This was due to a few factors, all involving human error, with absolutely no criminal intent. 1. While Mr. Hansen was reading the then unfamiliar i.d.s and trying to find the birthdates (on the back of the cards, versus the fronts, as with drivers licenses), the 2 persons were repeatedly asking him several questions regarding the ingredients of some of the dishes, which they appeared at the time interested in ordering. 2. In addition to the noise of the late lunch rush (with several orders waiting to be served to the other patrons by Mr. Hansen, the only server that day), that rush allowed Mr. Hansen to fail to remove his glasses at the time of reading the cards. He wears corrective lenses for near-sightedness, and when checking i.d.'s routinely takes them off for a moment to get an accurate reading.

Upon the Investigator coming in a few moments later and informing us of the violation having just occurred and showing both Mr. Hansen and myself the i.d.s again, Mr. Hansen immediately

recalled the circumstances of his regrettable error. For the six following days until the next TAP class, Mr. Hansen did not, and was not allowed to, serve any further alcoholic beverages. He passed the class that day and has since had his card on his person at all times.

From here on, not just young-looking patrons, but everyone, is carded when wanting to purchase alcohol at my establishment. In the event that any server questions the validity of an i.d. he or she must show it to me, the owner. This will not happen, however, since the TAP class was very thorough in explaining which kinds of i.d.s are acceptable and valid, and we hold a copy of the TAP training manual near the cash register now. Any and all future employees at my establishment will be required to have a TAP card now before they are even hired.

Both Mr. Hansen and I regret the violation occurring, but we learned quite a dramatic lesson that day. This was, then, an extremely valuable and useful experience for us, and one that we can guarantee will never happen again.

I thank you for the opportunity to explain the particulars of our non-intentional mistake and for helping all of us become better restaurateurs.

Kind regards,

Michael Andronov
