## MEMORANDUM

TO: Robert Klein, Chair  
and Members of the ABC Board

DATE: June 22, 2015

FROM: Cynthia Franklin, Director

RE: Director's Report – Alcohol Business

### Licensing Section

The licensing section has been hard at work permitting our busy summer events season. Erwin Domingo, a new Business Registration Examiner, submitted his resignation after being hired away from us. His last day was June 26, 2015. The remaining licensing team, Sarah Oates, and her staff, Maxine Andrews and Jane Sawyer, have gone above and beyond keeping up with the work in this pressure-filled environment.

### Enforcement Section

The enforcement team has been busy. Investigator Finney has traveled to Denali and Delta Junction as part of his annual inspection tours. The investigators have also weighed in on office technology issues (Joe Bankowski and Steven Johnson), helped manage public comment and objections for this board meeting (Steven Johnson), and worked on compliance related to management agreements (Bob Beasley and Joe Hamilton).

### NCSLA National Conference

The director traveled to San Diego, CA, June 14-17 for the annual meeting of the National Conference of State Liquor Administrators. NCSLA paid the director's travel costs in the interest of getting Alaska back to the meeting after a multi-year absence. The NCSLA's goal is to have regulators from all 50 states at the annual meeting to meet with industry representative and attorneys for the industry. By having all parties in a room discussing their issues together, the NCSLA believes that liquor licensing problems can be addressed in an open and transparent atmosphere. This year 33 states had regulators in the room of over 400 attendees, up from 22 states just a few years ago. The agenda covered TTB issues, innovative products, and exceptions, among other subject matters. The conference provided the director with valuable resources both among other state regulators and industry representation.

TO:  
ABC COMMISSIONERS  
ANCHORAGE AK

APRIL 13, 2015  
FROM  
WILLY KEPPEL  
BETHEL / QUINHAGAK  
RESIDENT 1987-PRESENT

DEAR COMMISSIONERS,  
I LISTENED TO THE MEETINGS ON ALCOHOL  
FOR PUBLIC CONSUMPTION ON RADIO KYUK.  
FOR NEARLY 30 YEARS I'VE LISTENED TO MOST  
OF THE PEOPLE WHO TESTIFIED. 3 DECADES OF  
OF THE SAME SONG FROM THE SAME PEOPLE.  
THAT'S FROM BOTH SIDES OF THE ISSUE.

ENOUGH ALREADY. I VOTE FOR A LIQUOR  
STORE. NOTHING CHANGED WHEN WE WENT  
WET. NOTHING WILL CHANGE WITH SALES  
IN BETHEL.

HERE SOME POINTS TO CONSIDER.

1. A LETTER OF PROTEST WOULD HAVE AND  
SHOULDNT HAVE ANY EFFECT OR SWAY ON  
AN APPLICATION IN ANCHORAGE OR THE  
MAT-SU, IF IT CAME FROM THE BETHEL  
CITY COUNCIL. SO IN EXTENSION, THE  
VILLAGES PROTESTS CARRY ZERO WEIGHT.
2. WHEN YOU HAD THE MEETING IN BETHEL  
YOU HAD TESTIMONY FROM MIKE WILLIAMS  
OF AKIAK. HE SEEMED PROUD OF THE FACT  
THAT AKIAK BANISHED A BOOTLEGER.

2 cont: HE FAILED TO ACCEPT ANY BLAME OR FAULT FOR THE DEATHS OF 3 PEOPLE THIS WINTER WHO GAMBLED AND LOST ON THE 60 MILE ROUNDTRIP ON A TOTALLY HAZORDISE RIVER. THE VILLAGE ELDERS SHARE A MAJORITY PORTION OF THE BLAME FOR THESE PEOPLES DEATH. THESE DEAD PEOPLE COULD STILL BE INHALING OXYGEN IF ALL THEY HAD TO DO WAS WALK ACROSS A STREET FOR A PARTY. FOR THE RECORD IT IS 100% ILLEGAL FOR A VILLAGE TO BANISH ANYONE. THAT IS STATE & FEDERAL LAW.

3. THE PEOPLE VOTED TO GO WET. NO AMOUNT OF "ADVISORY VOTES" MEAN CRAP OLA. PLEASE DO THE PEOPLE A FAVOR AND GRANT LIQUOR LISENCES. THEN BOTH SIDES CAN PUT UP OR SHUT UP WITH A REAL AND MEANINGFUL VOTE ON WET OR DAMP. THAT IS THE ONLY ISSUE VOTERS IN BETHEL FACE.

THANK-YOU  
WILLY KEPPEL

Dear Alcohol Control Board,

April 14, 2015

I am a citizen of Bethel Alaska and would like to state that I am in favor of the opening of a liquor store in Bethel. My reasons are numerous, but that is not the intent of this letter. Some voices are louder than others. I am just a quiet one, but count as much as those that stream loudly.

Thank you for your time.

I am a resident of Bethel. I have lived here since May 22, 1988. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

I am a resident of Bethel. I have lived here since 1948. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

I am a resident of Bethel, I have lived here since 1977. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community, Bethel is WET. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

Joseph (Tam) Pick

Ladies and Gentlemen:

I am a shareholder of Calista Corporation and Bethel Native Corporation; writing in support of the Bethel Spirits package store liquor license application. I have always voted yes to the sale of alcohol in Bethel when I lived here. I believe that to use alcohol or not is a personal choice and responsibility for each individual. IF the choice is not there; how can a person decide or get used to the availability of alcohol? My father said that liquor was legally sold in Bethel in the 1930s until it ended. He believed that if the stores were kept open, people would be used to having it around and be able to use it responsibly like in other rural areas of Alaska where it's always been available.

I also support Bethel Native Corporation because they've been here, making great decisions on behalf of their shareholders for 42 years and will be here forever; unlike other businesses that make their millions then leave. Also, bootlegging is rampant in the town and region. Taxes are not paid on the money TAKEN from the area; sent out of town and even the country to their families. By people that don't even have bank accounts or pay taxes. This must stop. Sale of alcohol must be regulated. Who better than the Bethel Native Corporation?

Sincerely,

  
Margaret Ann Chaney BNC Shareholder

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

I am a resident of Bethel. I have lived here since *2013*. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

I am a resident of Bethel. I have lived here since 1991. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

I am a resident of Bethel. I have lived here since 5/22/1976. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

Kenny Chaney

I am a resident of Bethel. I have lived here since 1987. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

Erica Neck

I am a resident of Bethel. I have lived here since 07. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

I am a resident of Bethel. I have lived here since 20 years. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

I am a resident of Bethel. I have lived here since 5 Aug 14. I am in full support of the Bethel Spirits package store liquor license application.

Bethel is not a local option community. At this time, the City of Bethel and the State of Alaska allow Bethel residents access to unlimited alcohol importation with no mechanism for legal sales. As a result, the community is inundated with illegal alcohol sales. Residents of Bethel deserve to be governed by the same laws and regulations that all other Alaskans enjoy.

I support regulated and controlled alcohol sales through the issuance of a package store license to Bethel Spirits LLC dba Bethel Spirits located at 905 Chief Eddie Hoffman Highway.

Thank you,
