RE: Delegations from November 19,  
2015 Board Meeting

The following matters were on the delegated consent, objections, or protest agendas at the November 19, 2015 board meeting. The board delegated authority to the director to issue the licenses once the applicants settled their matters with the local governing body, the Fire Marshall, or took other action necessary to get the license issued. I am attaching the emails sent individually to each applicant reminding them of the matters on which we were waiting and asking them to appear and update the board on the status of their application.

RE: Delegations from July-October,  
2014 Board Meeting

The following matters were on the delegated consent, objections, or protest agendas at the July and October, 2014 board meetings. The board delegated authority to the director to issue the licenses once the applicants settled their matters with the local governing body, the Fire Marshall, or took other action necessary to get the license issued. I am attaching the emails sent individually to each applicant reminding them of the matters on which we were waiting and asking them to appear and update the board on the status of their application.

These matters and others delegated at past meetings have been waiting on the applicants for a long period of time. These are the oldest matters in the drawer that have not crossed over a renewal period while waiting.

1. #5331 Rainy Pass Lodge- pending Fire Marshal and DEC (October 8, 2014 delegation)
2. # 5286 TRAX Outdoor Center- pending Fire Marshal and DEC (July 8, 2014 delegation)
