Subject: #4777 Icy Strait Point Premises Extension/Modification

Good morning,

Attached is a premises extension/modification for Destination Resort liquor license #4777 Icy Strait Point. It appears that they would like their "Welcome Center", and "Drop Zone" being licensed to serve alcohol. Please see diagram, the Red means they already have these areas licensed and Blue means is what they would like licensed.

Before we, the Alcohol & Marijuana Control Office, can approve it, it needs to be approved by the local governing body, in this case the City of Hoonah. Please let me know if you approve or have objections.

The contact information for Icy Strait Point is Cheryl and her number is 907-789-8513. I will copy her in this email as well.

Thank you

Jane Sawyer
