MEMORANDUM

TO: Robert Klein, Chair and
Members of the Board

FROM: Cynthia Franklin
Director, ABC Board

DATE: April 12, 2016

RE: The Broiler #851

This is an application for a renewal of new restaurant/eating place in Juneau. The City and Borough of Juneau (CBJ) waived its right of protest with the stipulation that the ABC Board renew the license with a condition, per AS 04.11.480(c).

Date Notification sent to CBJ: January 8, 2016

Date CBJ Response Received: February 9, 2016

Recommended Condition: Renew with the condition that licensee "remains current on his payment plan" of delinquent taxes

Statutory Considerations: AS 04.11.480(c) permits the board to renew a license with condition(s) recommended by the local governing body, but the board must conduct an AS 04.11.510(b)(2) hearing in order to impose the condition(s).

Notice requirements for an AS 04.11.510(b)(2) hearing were not met for this meeting due to some confusion on CBJ's response. In order to issue license with conditions per AS 04.11.480(c), board should table to July meeting to meet statutory notice requirements.

CBJ has conditional use permitting process which would permit CBJ to impose conditions themselves.

Recommendation: Table the renewal of the license to July, 2016 in order to meet statutory notice requirements for a hearing that would permit the board to renew license with recommended condition per AS 04.11.480(c)
