

## MEMORANDUM

TO: Robert Klein, Chair, and  
Members of the ABC Board

DATE: July 11, 2017

FROM: Erika McConnell  
Director, ABC Board

RE: The Porterhouse Grill #5569 Restaurant  
or Eating Place – Public Convenience

Mr. Steve Drolet moved his restaurant, The Porterhouse Grill, from Sterling to Soldotna. As Soldotna did not have any restaurant or eating place licenses available due to population limits, Mr. Drolet applied for a restaurant or eating place – public convenience license under 3 AAC 304.335. This section of regulation requires that the license applicant show community support for the issuance of a license over population limits by submitting a petition signed by a majority of the residents 21 years of age or over who reside within one mile of the proposed premises. The local governing body must also approve the application.

3 AAC 304.115(a) states:

If required by statute or regulation, a petition is a necessary part of an application for a new license, and for renewal, transfer, or relocation of an existing license. An application submitted without the required petition is incomplete. All petitions must be on forms prescribed by the board. Petition signatures must be obtained within the 90-day period immediately preceding the submission of the application. After an application has been filed, no additional signatures may be added to the petition, and no signatures may be withdrawn.

The application was first submitted on March 28, 2017. It was returned on March 30 as significantly incomplete. A second application was submitted on April 10 but has not yet been deemed complete. Corrections to the application were being made in mid-June.

The file has a letter from the Director of Economic Development and Planning at the City of Soldotna, dated February 27, 2017, calculating the approximate number of residents within a mile of the proposed premises, and the number of those residents likely to be 21 years of age or older. Based on those calculations, Mr. Drolet was told that he needed to get 702 signatures.

The applicant began collecting signatures for the petition on December 21, 2016. I do not know how many signatures were turned in with the April 10 application. It appears that the office has been

flexible with the timing of accepting petition signatures, as Mr. Drolet was provided (unfortunately incorrect) information regarding the remaining number of signatures he needed to collect. Petition pages were submitted over time, and somehow, the file ended up with multiple duplicate pages. It appears neither Mr. Drolet nor my office kept track of the number of signatures very well.

I began to review the situation about mid-June when the examiner working on the application was out for an extended period of time. A closer look at the signatures provided so far revealed that a great percentage of the signors did not live within a mile of the proposed licensed premises. Mr. Drolet and I met on June 19 and reviewed the situation. I reminded him of the regulatory language and sent him an email later that day stating that if he was to get all corrections to his application and petition signatures in by June 23 (the board meeting deadline), only signatures collected after March 25 could count, and of those that had been submitted since that date, only 20 were valid. The applicant was unable to submit the required number of valid signatures by June 23 so I deemed his application incomplete. Mr. Drolet has requested to appeal this decision pursuant to AS 04.11.560.

It is unfortunate that the applicant did not keep better track of the signatures he collected, and I regret that my examiner did not do a better job evaluating the signatures. It is true that my office told Mr. Drolet on May 24 that he only needed 78 more signatures, but it appears she counted duplicate pages and also did not eliminate signatures of people who lived outside the one mile radius around the proposed licensed premises. In actuality, the total number of petition signatures submitted (between December 21, 2016 and April 30, 2017, which is 130 days) is 518, and a great many of those are not from people who live within the required one mile radius. My office has evaluated the 115 signatures received between March 25 and June 23 (90 days) and only 20 are valid.

Recommendation: Uphold the director's decision of an incomplete application

B. Before a Person may be admitted as a Member of the Company, that Person must sign and deliver to the Company the documents and instruments, in the form and containing the information required by the Company, that the Members deem necessary or desirable. Membership Interests of new Members will be allocated according to the terms of this Agreement.

#### ARTICLE 8: DISSOLUTION

8.1 **Dissolution.** The Company will be dissolved upon the first to occur of the following events:

- (i) The unanimous agreement of all Members in a consent in writing to dissolve the Company;

- (ii) Entry of a decree of judicial dissolution under Section 405 of the Alaska Limited Liability Company Act;

8.2 **No Automatic Dissolution Upon Certain Events.** Unless otherwise set forth in this Agreement or required by applicable law, the death, incapacity, disassociation, bankruptcy, or withdrawal of a Member will not automatically cause a dissolution of the Company.

## ARTICLE 9: INDEMNIFICATION

9.1 **Indemnification.** The Company has the power to defend, indemnify, and hold harmless any Person who was or is a party, or who is threatened to be made a party, to any Proceeding (as that term is defined below) by reason of the fact that such Person was or is a Member, officer, employee, representative, or other agent of the Company, or was or is serving at the request of the Company as a director, Governor, officer, employee, representative or other agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise (each such Person is referred to as a "Company Agent"), against Expenses (as that term is defined below), judgments, fines, settlements, and other amounts (collectively, "Damages") to the maximum extent now or hereafter permitted under Alaska law. "Proceeding," as used in this Article 9, means any threatened, pending, or completed action, proceeding, individual claim or matter within a proceeding, whether civil, criminal, administrative,

or investigative. "Expenses," as used in this Article 9, includes, without limitation, court costs, reasonable attorney and expert fees, and any expenses incurred relating to establishing a right to indemnification, if any, under this Article 9.

**9.2 Mandatory.** The Company must defend, indemnify and hold harmless a Company Agent in connection with a Proceeding in which such Company Agent is involved if, and to the extent, Alaska law requires that a limited liability company indemnify a Company Agent in connection with a Proceeding.

**9.3 Expenses Paid by the Company Prior to Final Disposition.** Expenses of each Company Agent indemnified or held harmless under this Agreement that are actually and reasonably incurred in connection with the defense or settlement of a Proceeding may be paid by the Company in advance of the final disposition of a Proceeding if authorized by a vote of the Members that are not seeking indemnification holding a majority of the Voting Interests (excluding the Voting Interest of the Company Agent seeking indemnification). Before the Company makes any such payment of Expenses, the Company Agent seeking indemnification must deliver a written undertaking to the Company stating that such Company Agent will repay the applicable Expenses to the Company unless it is ultimately determined that the Company Agent is entitled or required to be indemnified and held harmless by the Company (as set forth in Sections 9.1 or 9.2 above or as otherwise required by applicable law).

## ARTICLE 10: GENERAL PROVISIONS

**10.3 Governing Law; Severability.** This Agreement will be construed and enforced in accordance with the laws of the state of Alaska. If any provision of this Agreement is held to be unenforceable by a court of competent jurisdiction for any reason whatsoever, (i) the validity, legality, and enforceability of the remaining provisions of this Agreement (including without limitation, all portions of any provisions containing any such unenforceable provision that are not themselves unenforceable) will not in any way be affected or impaired thereby, and (ii) to the fullest extent possible, the unenforceable provision will be deemed modified and replaced by a provision that approximates the intent and economic effect of the unenforceable provision and the Agreement will be deemed amended accordingly.

**10.4 Further Action.** Each Member agrees to perform all further acts and execute, acknowledge, and deliver any documents which may be reasonably necessary, appropriate, or desirable to carry out the provisions of this Agreement.

Dear Ms. Oates:

I understand the owner of the Porterhouse Grill restaurant, located at 44619 Sterling Highway in Soldotna, is in the process of applying for a Restaurant/Eating Place designation and public convenience license. The purpose of this letter is to provide an estimate of the number of City of Soldotna residents, 21 years of age or older, living within a 1-mile radius of the restaurant.

The smallest geographic unit for which we have population data, is the census block level. Using our Geographic Information System (GIS) and census block data, I estimate there are approximately 2,012 city residents (including children) living within a 1-mile radius of the restaurant. Of these, we estimate approximately 69.7% are 21 years of age or older.

I would therefore estimate the number of city residents 21 years of age or over, who reside within a 1-mile radius of 44847 Sterling Hwy., is 1403 persons.  
**Consequently, 702 signatures would be required to achieve the requirements of 3 AAC 304.335.**

Please feel free to contact me if you have any questions about this estimate, and thank you for an opportunity to provide input.

Sincerely,

Stephanie Queen  
Director of Economic Development + Planning
