This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

VIOLATION: On 3-15-17, this office became aware of an advertising banner from Solstice Cafe, license #847. The banner leads one to believe that during Fur Rondy / Iditarod, Alaskan Amber beer and Jack Daniels shots are available at special prices during the event. Had the banner also read, "Specials available all day every day" or listed a specific calendar week, this would have met the requirements of Title IV. (Pictures attached)

RE: Solstice Café, Lic 847, NOV
NOV # AB17-0121

Dear Mr. Hamilton and Ms. Chambers:

I am writing in response to the above referenced Notice of Violation issued on 03-21-2017 for an alleged violation occurring on 03-15-2017 received by myself and Michelle Pipkin.

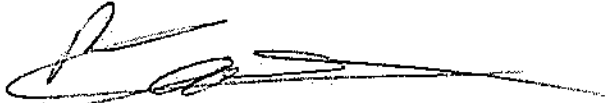

As I interpret AS04.16.015; it doesn't specify to declaring the week in any advertisement/marketing material, just that it be a calendar week in duration. The "specials" were not limited to any specific time of day or day of week only.

Immediately following this NOV, we have removed the banner.

I request that this NOV be reversed and removed from our record. I would make myself available for an appearance should the Director prefer. Please to the email address or physical address below.

In conclusion, thank you for considering this response to the Notice of Violation.

Respectfully,

Philippe Janicka

**Re: Notice of Violation No. AB17-0124
License No. 5118**

Dear Ms. Chambers:

On March 20, 2017, Girdwood Brewing Company, LLC Co-Owner/Brew Engineer Rory Marengo received a phone call from the Alaska Alcohol & Marijuana Control Office (AMCO) Enforcement Supervisor James Hoelscher. Mr. Hoelscher informed Mr. Marengo that Girdwood Brewing Company, LLC (GBC) was out of compliance because its brewery license had not yet been issued. That same day, Mr. Marengo emailed Mr. Hoelscher the correspondence from the Municipality of Anchorage (MOA) and AMCO conveying the brewery license approval. Based on this correspondence, GBC had a good faith belief that License No. 5118 had been approved and it began operations on March 16, 2017.

Upon being notified by Mr. Hoelscher of its non-compliance, and informed by Mr. Hoelscher that a site inspection was required, GBC immediately scheduled the site inspection with AMCO. The site inspection occurred on March 22, 2017 and License No. 5118 was issued that same day.

On March 30, 2017, GBC received Notice of Violation No. AB17-0124 for operating without a license. As explained above, GBC had a reasonable good faith belief that its brewery license application had been approved based on communications from and with the MOA and AMCO. After being contacted by Mr. Hoelscher, GBC immediately rectified the situation before resuming brewing operations. Specifically, GBC was notified of the issue on March 20th, was closed March 20th, 21st and 22nd, and did not resume operations until March 23rd (after the site inspection was conducted and the license issued).

Please note that License No. 5118 is currently posted in a visible location in the GBC brewery premises as required by State law. Further, GBC understands that this license is required to be renewed biennially per AS 04.11.130(d) and has docketed the renewal date in its calendar. Further, GBC understands that

additional inspections may be required at that time. Accordingly, GBC feels confident that a reoccurrence of this violation is very unlikely.

Compliance with AMCO statutory and regulatory law is of the utmost important to the Girdwood Brewing Company. This violation was unintentional and solely due to GBC's unfamiliarity with the nuances of the AMCO licensing procedures. We respectfully request that AMCO find the corrective actions taken by GBC to date, and the preventative measures implemented by GBC, acceptable and sufficient.

Please contact me at any time with any questions at the phone number or email address listed below.

Sincerely,

Rory Marengo

Re: **Response to Notice of Violation – AMCO Case #AB 17-000234**
Wood Center Pub License #1243

On June 1, 2017 the Wood Center Pub and the University of Alaska Fairbanks received a Notice of Violation from the Alcohol and Marijuana Control Office. The Notice alleges violations of AS 04.16.015 due to eight different Facebook posts offering drink specials for less than a calendar week.

AS 04.16.015(b) prohibits certain off-premises advertising defined in AS 04.16.015(a). Specifically, AS 04.16.015(a)(3) prohibits the sale, offer to sell, or delivery of alcoholic beverages at a price less than the regular price for the beverage during the same calendar week. "Calendar week" is not defined in AS 04.21.080 or associated regulations.

I consulted with Wood Center Pub staff in responding to this Notice. Staff confirmed that all of the specials referenced in the Notice ran for seven consecutive days. The understanding that specials could be offered for seven consecutive calendar days was based on instructions employees received at their TAMs classes.

The alleged violations appear to be based on the Wood Center Pub's incorrect interpretation of the meaning of "calendar week." The term "calendar week" is not defined in state statute or regulations and Wood Center Pub staff understood calendar week to mean any seven consecutive days. Our additional research suggests that "calendar week" actually means Sunday through Saturday, and I would appreciate confirmation that this definition is consistent with AMCO's interpretation.

I have taken this opportunity to educate all Wood Center Pub managers and staff about the restrictions on pricing and marketing alcoholic beverages pursuant to AS 04.16.015. I met with all Wood Center Pub staff and clarified the meaning of calendar week as I now understand it. As a result of this additional training, the Wood Center Pub will no longer offer specials starting mid-week. Moreover, all advertisements for drink specials will clearly state that they run for at least a calendar week.

Please feel free to contact me at 907-474-5886 if I can provide additional information or provide further assistance.

Mr. Hamilton:

We are in receipt of your letter dated June 2, 2017. We acknowledge the requirement of employees ages 16 and 17 must have approved work permits prior to start of work. The quick hire during the opening of our new business did allow for proper procedures to be in place however, the documents were not submitted to the proper authorities.

As of a June 6, 2017 manager meeting, all new hires will be processed through our Accounting Department prior to any work beginning. This will allow for one point of identification and age verification. Any minors requiring a work permit will not be allowed to begin work without an approved permit in their employee file.

Mat Su Resort, LLC (dba Everett's Fine Dining) enjoys being able to give the youth of Alaska an opportunity to work and contribute our community. We will comply with all laws and regulations regarding their hire and employment activities.

Dear Investigator Johnson,

It recently came to my attention that we never received our renewed liquor license for Little Tokyo in Juneau, AK. My wife, Toki Yoon, filled out the paperwork for the renewal, had it notarized, and paid our late fee.

On June 7th I had one of my employees call the ABC office in Juneau to inquire about our license, since we never received the new one in the mail. The employee said that page 2 of our application had a space at the bottom which was not filled in. (Our liquor lic #)

I immediately had my employee email the completed page 2 to the Alcohol Board Worker. My next correspondence was that I may now be in violation of operating without a liquor license.

In order to remedy this problem in the future, I will have my employee, who speaks good English, review and complete any and all paperwork relating to my liquor license. She is aware of the new due date, and we will complete our renewal application well in advance of the due date. Her name is Jennifer Elske, and she helps me read and complete paperwork. She is aware of the new due date.

Thank you,

Kwang S. Yoon

Please contact Jennifer Elske @ 907-738-9380 if you have any questions.
