Subject: License Transfers from a deceased Licensee

Hello,

I'm looking into purchasing a package store license and was hoping to get a little clarification on the regulation regarding a license transfer from a deceased licensee. The regulations say a license must be transferred within 90 days- I'm wondering if this is 90 days from date of death or 90 dates from the end of probate on the will.

If someone could get back to me, it would be much appreciated so I know what kind of timeline I'm looking at here.

Thank you.
