To whom it may concern;

I received our reprimand for expanding our outdoor seating Saturday, September 17<sup>th</sup> during our "Bear Naked BBQ" event. Let me assure you first and foremost that there was zero malicious intent nor nefarious plans in the works. We were not intending to defraud anyone or break any laws. This mistake was made purely out of inexperience and poor prior planning. We take full responsibility for our actions and are willing to pay any monetary consequences that may occur. We simply did not realize the number of people who would be showing up and made an executive decision on the day in question to elongate our predetermined outdoor area. We did not widen it and we placed signs stating "No beer beyond this point" along the perimeter. We did the best we could in light of it being a Saturday and no opportunity to contact the appropriate officials in order to get the necessary approval.

Since then we have dialed back the barriers to our original footprint and keeping it that way unless we are approved for anything larger. We understand the problem and have worked to rectify the situation. There should no longer be a concern in the future and we have taken care of it. That being said, attached you will find a new plan we would like to formally submit for future use or events. You will see we extended the footprint in order to include more standing room outside. While we do not foresee us needing such an extension currently, we do not want to be caught in the same situation as before. Please let me know if you need anything else from us and, as usual, we will provide it immediately. Thank you in advance.
