

MEMORANDUM

TO: Bob Klein, Chair, and Members of the
Alcoholic Beverage Control Board

DATE: April 3, 2018

FROM: Erika McConnell, Director

RE: 4932 The Gardens

Requested Action: License renewal

Statutory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

Staff Rec.: Approve the renewal

Background: This recreational site license appears to meet the statutory requirements of the license type:

Sec. 04.11.210. Recreational site license.

- (a) The holder of a recreational site license may sell beer and wine at a recreational site during and one hour before and after a recreational event that is not a school event, for consumption on designated areas at the site.
- (b) The biennial fee for a recreational site license is \$800.
- (c) In this section, "recreational site" includes a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season.

The board should clarify with the licensee that "special events" where alcohol is served under this license must be limited to competitive sporting events in order to comply with AS 04.11.210. This is consistent with direction the board provided to License #4895, AK Tuesday Night Fights, where the licensed premises (the Curtis Menard Sports Complex in Wasilla) can be used for non-sporting events such as concerts.

In addition, the licensed premises of this facility is regularly used for youth sports (as stated in the recreational site statement), and it is likely that minors are regularly on the premises without a parent or guardian, in violation of AS 04.16.049. In his statement, the licensee hints at the concept of alternating premises under 3 AAC 304.225, but an alternating premises diagram has never been

approved by the board. The board should require the licensee to submit a written request for alternating licensed premises under 3 AAC 304.225 before the next time alcohol is served at this licensed premises, or submit information showing that no unaccompanied minor is ever permitted on the licensed premises.

This letter is to request the ABC Board to extend our Recreational Site license to a Permanent Extension that allows us to move and adjust the licensed area by having special roped-off and separated areas to be determined by the size of the event on the court side.
