This is in Response, TO All The Phone CALLS OR letters you have Recieved, From either Tribal Councils OR Village Residents. THAT WANT TO shut The LIQUOR store Down, IT would be very DISSAPPOINTING IF YOU BASED your Decisions TO NOT Renew AC. LIQUOR STORES license, I AND ALOT OF REGISTERED VOTERS WHO live in Bethel AND WHO VOTED FOR Alcohol SALES Would be very DISSAPPOINTED AND wonder Why Our votes Dont Count AND Why should we vote Any more, These people have TO learn TO Be more Responsible in Their Actions,

One OF The Things is THAT People WHO live in Dry Villages ^{should} ~~Are~~ NOT Be Allowed TO buy LIQUOR AT ALL, CAUSE The ID STATES They Come From A village THAT voted Dry Before bethel became wet, Villages Were NOT Allowed TO order booze From Anchorage, why Cant We DO The Same Thing
