RE: #5631 Tailwind Concessions

This is an application for a new Beverage Dispensary – Tourism license in the City and Borough of Juneau.

AS 04.11.400(d)(2) requires that a new license encourage the construction or improvement of an airport terminal.

This license is located in the Juneau International Airport.

The applicant offers a full-service restaurant.

Tailwind JNU LLC Tourism Statement

Tailwind will not be offering room rentals to the traveling public.

There will be no additional amenities available to guests through our establishment.

Our facility is located in two areas within the airport terminal.

Tailwind JNU LLC will operate the facility, which is owned and operated by the City and Borough of Juneau, for which the liquor license is being applied.

Our establish will include a dining facility.

The airport terminal was constructed to include a bar and restaurant to service the patrons and tourists of Juneau Alaska.

Tailwind strives to meet customer satisfaction. With that, Tailwind works hard to structure their drink menus to bring the best quality drinks to their customers.

With having the Port of Juneau located just a short 14 miles from the airport, Tailwind believes that having a liquor license will encourage tourism. Tourists will be flying in and out of the JNU airport. While some passengers are flying into the airport to begin their vacation on a cruise or trek through the glaciers and mountains, others are leaving their dream vacation to head home. Whether you're coming or going, who doesn't want to indulge in a delicious alcoholic beverage to either begin their fun, or have one last hoorah before heading home?
