## AB-02 Security Plan for License No. 3445

When events are taking place on the Outside Kiosk Patio (“the Patio”), the Licensee will post security staff at the door of the building who will monitor the event and check identification to ensure (1) no transfer of alcohol across the premises boundary, as well as (2) no access of alcohol by a minor. These security staff will rope off the Patio to ensure that there are barriers around the licensed area and they will put signage at entrances and exits to make clear that, “Alcohol is not allowed beyond this point.”

Outside of the Patio, the Prince Court Patio and Large Function Room Deck have dedicated entry and exit points on the second floor of the building at the common corridor and cannot be accessed from the ground level. In other words, a person would not be able to get on or off these floating patio/decks unless he/she jumped down one story or scaled the building. For this reason, security will only be posted at the dedicated entry and exit points to check identification and ensure (1) no transfer of alcohol across the premises boundary, as well as (2) no access of alcohol by a minor.

## AB-03 Security Plan for License No. 3445

When events are taking place on the Outside Kiosk Patio (“the Patio”), the Licensee will post security staff at the door of the building who will monitor the event and check identification to ensure (1) no transfer of alcohol across the premises boundary, as well as (2) no access of alcohol by a minor. These security staff will rope off the Patio to ensure that there are barriers around the licensed area and they will put signage at entrances and exits to make clear that, “Alcohol is not allowed beyond this point.”

Outside of the Patio, the Prince Court Patio and Large Function Room Deck have dedicated entry and exit points on the second floor of the building at the common corridor and cannot be accessed from the ground level. In other words, a person would not be able to get on or off these floating patio/decks unless he/she jumped down one story or scaled the building. For this reason, security will only be posted at the dedicated entry and exit points to check identification and ensure (1) no transfer of alcohol across the premises boundary, as well as (2) no access of alcohol by a minor.
