Dear Mr. Davies,

The LLC was formed soon after the property was acquired. All of the business accounts operated under this LLC. Each time the license was renewed, I was under the impression that it was done so under the LLC. It was not until this most recent renewal that anyone at the alcohol board informed me that there was a discrepancy in the paperwork. This was discussed with each individual who was charged with processing the renewal paperwork and subsequent transfer paperwork. I hope this adequately answers your inquiry.

Sincerely,

Lunar Chin

Investigator Hamilton:

GrayRobinson, P.A. represents Anchorage Lakefront Limited Partnership (“Anchorage”). We recently filed an application with the Alaska Alcohol & Marijuana Control Office (“AMCO”) to update the officers of Regal Hotel Management, Inc. (“Regal”). Regal is the general partner of Anchorage. As this application to update the officers of Regal was being processed by the AMCO it was brought to our attention that there was a change of limited partner for Anchorage. CDL Hotel USA, Inc.’s interest, as the 99% limited partner, was transferred to Cincinnati S.I.CO. Regal continues to hold 1% general partnership interest in Anchorage. Anchorage did not realize this internal change required a filing with the AMCO. Since receiving the notice requiring Anchorage to file this change we have been preparing the Transfer Application disclosing the changes which should be submitted to the AMCO on or before September 7, 2018.

Our client now understands that changes including general partner and officers of licensed entities are required to be reported to AMCO and to the Alaska Division of Corporations, Business and Professional Licensing.

Please contact me if you have any questions or any additional information is required. I can be reached via e-mail (John.Harris@gray-robinson.com) or phone (850-577-9090).

During an inspection on 7-6-18 it was found Sales Clerk Teresa Matranga did not have a current copy of Server Education with her or a copy on file. She contacted the Liquor Store Manager, Rachel Stone-Ewing, whom advised the copies of all employees Server Education Cards had been misplaced during their move on May 31, 2018 and had not been seen since. The Safeway Assistant Store Manager, Jennifer Moore, was contacted and able to produce a copy of her Server Education Card. Moore took over sales in the liquor store. Moore later was able to obtain copies of the other employee's Server Cards and forward them via email to myself, Investigator Stonecipher. To Whom it May Concern,

I, Michael Waring, Contacted an AMCO official by phone in March or April of 2018 to see what needed to be don't to Update the fact that my business went from being a partnership to a corporation. I Was informed to fill out a form and submit it which I did. No further contact was made with me until I attempted to renew my License and was informed that I must file for a new license. I was then informed that the instruction I received earlier in the year was incorrect. By this time the season was already over and there was nothing else I could do about the matter. I am currently in the process of compiling the necessary paperwork to apply for a new license for the 2019 season.

If any further action is needed please let me know.

Sincerely,
Michael Waring

Re: AMCO case # AB18-1220

To Whom it may concern

An inspection was conducted on Oct. 4th, 2018 at which time it was identified that our Bartender Richard Knisley had a TAP card that expired Sept. 16th, 2018. This was a complete oversight and Richard immediately went down the following day and it was renewed.

To avoid any future TAP card expiration dates, we have implemented a new process to ensure all employees that are behind the bar are current on TAP card and regulations. Effective immediately we have inspected all cards for expiration date and implemented a list of all persons serving any alcoholic beverages will have their effective and expiration dates posted in the office for review and ensure everyone up to date.

We respectfully request that this satisfies corrective measures.

RE: Fireweed Meadows Golf Course

I was advised by I believe it was Sarah Oates in 2011.... that we needed a Beer & Wine license as authorized under the Recreational Site License sec: 04.11.2010 to allow our Golfers to take beer and wine on designated fairways.... since our full beverage license #4747 limited alcohol to the Pub and adjacent decks only, why would I have applied for and paid fees for license #4969? Somehow and from someone I have been misled. I might add, that without the added incentive of beer and wine being available on our golf course, our very existence is in jeopardy.

MEMORANDUM

TO: Bob Klein, Chair, and Members of the
Alcoholic Beverage Control Board

DATE: January 23, 2018

FROM: Erika McConnell, Director

RE: Pricing and Marketing of
Alcoholic Beverages

Requested Action: Provide staff with an interpretation of AS 04.16.015(a)(6) and (b)

Statutory Authority: AS 04.06.090(a) states, "The board shall control the manufacture, barter, possession, and sale of alcoholic beverages in the state. The board is vested with the powers, duties, and responsibilities necessary for the control of alcoholic beverages..."

Staff Recommendation: Advertisements or promotions of games or contests that suggest they are using alcoholic beverages, even with a disclaimer stating they are not, are not permitted under AS 04.16.015(b).

Background: AS 04.16.015(a)(6) states, "On premises where alcoholic beverages are sold by the drink, a licensee or a licensee's agent or employee may not... encourage or permit an organized game or contest on the licensed premises that involves drinking alcoholic beverages or the awarding of alcoholic beverages as prizes."

AS 04.16.015(b) states, "A licensee or a licensee's agent or employee may not advertise or promote in any way, either on or off the premises, a practice prohibited under (a) of this section."

Staff has had inquiries, generally around the holidays and Fur Rondy, from licensees wanting to advertise a "Beer Drinking Contest" with a disclaimer that the contest uses non-alcoholic beer. We have received similar inquiries for "beer pong" and "party pong" where the licensee intends to use non-alcoholic beer or water. Note that the events are not proposed to be advertised as "Non-Alcoholic Beer Drinking Contest" or "Non-Alcoholic Beer Pong."

Staff is seeking the board's guidance on whether or not these activities are compliant with AS 04.16.015.

Attached is a list of all current employees that was printed on November 9, 2018 showing the expiration dates of all TAPS and Food Handler's cards for anyone needing such. November 9 was the date that the officer came in asking to see Morgan's TAPS card so you can see that I took immediate action to try and correct any missing or expired cards we might have of current employees. I had printed out a similar chart prior to summer, but then failed to update it with new summer hires. Morgan was told upon hiring she had 30 days to complete the training and get me a copy of the proof of completion. She claims she went on-line and took the class but never got a card. I'm not sure what happened there, but I take the blame for not following up to ensure the process was completed in its entirety and requiring proof of passing the final test. She did have a valid alcohol card for Utah as well as having taken the class, but just never finalizing the test on-line. After the officer's visit she immediately completed the test again and provided me a copy of the temporary card until the original comes in the mail. A copy of that card is attached. I will be far more diligent in ensuring all new hires get the proper cards necessary in the future.

If you have any further questions for me or if you have any suggestions for how to improve this system of checking for current cards, my cell number is 907-398-3693.

Mr. Hamilton:

Milano's Pizzeria has requested that our office assist with the response to the attached Notice of Violation. The allegation alleges an unapproved board transfer of a restaurant and eating place license. In 2009 the license owner Mr. Chul Woo Kang and his wife Kyung Ok Kang incorporated the restaurant business Milano's Pizzeria Inc.; each has a 50% interest in the Corporation. The liquor license owned by Chul Woo Kang was not transferred to the new Corporation. However the business license for the sole proprietorship owned by Mr. Kang, Milano's Pizzeria, was not renewed after 2011. My question is: if Mr. Kang, as the owner of the license, renews the sole proprietorship business license will the business be in compliance or will it be necessary to apply for a transfer of the license to Milano's Pizzeria Inc? Thanks for the assistance?

Sincerely

H. Conner Thomas

Re: Notice of Violation – License # 1450

Dear Mr. Hamilton:

Chul Woo Kang dba Milano's Pizzeria has requested that our office respond to the above referenced Notice of Violation. (Copy Attached).

Mr. Kang is a Korean speaker with very limited English. He was not aware that when he incorporated his business in 2009 and obtained a business license in the name of the new entity that he would be in violation of the alcohol licensing law. It was not his intention to transfer the license to the new entity in violation of the law. He overlooked the impact on the license with creation of the new entity and new business license. As you can tell from the history he has had no problems with this license in the past.

Mr. Kang wants to take whatever steps are necessary to rectify this problem. He will obtain a business license as a sole proprietor dba as Milano's Pizzeria. Mr. Kang recognizes that he may not be permitted to obtain a business license for Milano's Pizzeria since that is the same name used by the entity Milano's Pizzeria Inc. Assuming that is the case he will consider dropping the business license for Milano's Pizzeria Inc. In addition he will, this week, begin preparation of the transfer paperwork to Milano's Pizzeria, Inc.

Let us know if there is anything else that Mr. Kang should do to address this violation.

Sincerely

H. Conner Thomas

Mr. Hamilton:

Thank you for bringing to my attention the concern that the transfer in the "form of ownership" of Sukakpak, Inc. from Brett Carlson, Lee Kenaston, and Matthew Atkinson to Soulstice, Inc. may represent a change in the controlling interest associated with the Sukakpak, Inc beverage dispensary license [Notice of Violation pasted below] --- in reality, the identified change in "form of ownership" represents a technical change recommended by our accountant to address the accounting/tax needs of our business --- the controlling interest in Sukakpak, Inc is unchanged, as the exact same individuals own a controlling interest in Sukakpak, Inc through their controlling interest in Soulstice, Inc. in the exact same percentages as existed previously --- AS Sec. 04.11.040 (c) refers to transfers of controlling interests in a liquor license which does seem to be applicable to this case ---

Sec. 04.11.040. Board approval of transfers.

- (a) A license issued under this title may not be transferred to another person except with the written consent of the board.
- (b) A license or permit issued under this title may not be transferred to a new location except with the written consent of the board.
- (c) A person may not receive or transfer controlling interest in a liquor license issued to a partnership, including a limited partnership, a limited liability organization, or a corporation under this title, except with the written consent of the board.

Based on our interpretation of AS Sec. 04.11.040 (c), I would like to avail ourselves of the opportunity [provided for in the Notice of Violation] to request to be heard before the Director -- - of course, I fully recognize that you and your team [not I] are the experts on Alaska's Alcoholic Beverage Statutes and Regulations --- thus, if it is determined that our interpretation is in error, you have my commitment that we will rectify our error as directed by you in a time-efficient manner --- and, will ensure that [in the extremely unlikely event this situation arises in the future] we do not make the same mistake a second time.

Thank you for listening --- and, I look forward to your direction as it regards the next step on my end.

On 11-7-18, an inspection was conducted at your establishment. As a licensee, you were asked to provide proof of server education. You stated you have current education but you provided an expired TAM card #51806, 3-27-05. Another discrepancy noted and discussed previously was no civil penalty sign posted at each entrance to your deck which is included as part of the licensed premises.

On 11-14-18, Inv. Hamilton contacted Alaska CHARR who stated they did not have a record of you in their server education system. Also on 11-14-18 you provided a copy of your sever card which indicated you took the course on 11-13-18.

F. R. Hamilton,

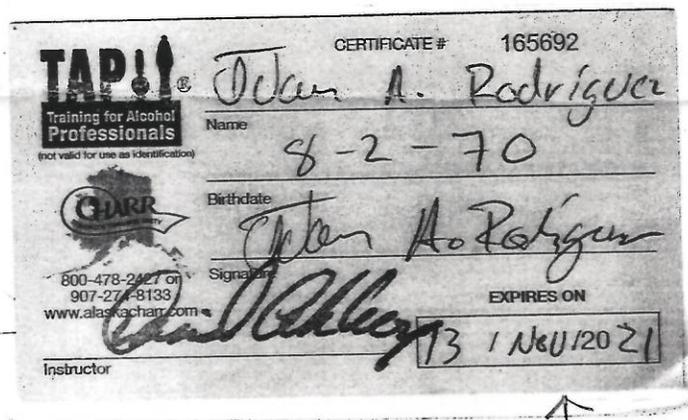

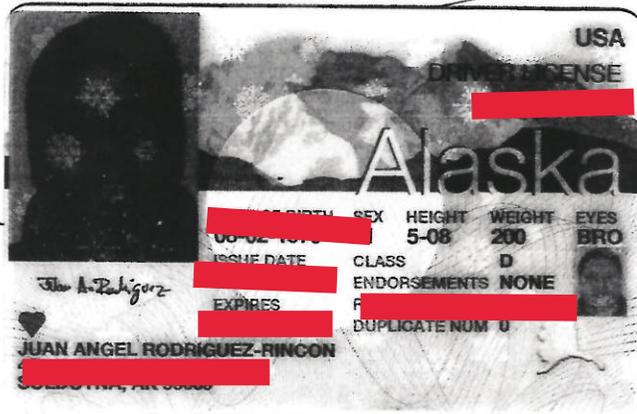

Enclosed is a copy of my current TAP card. I have already sent a copy to you. I am sorry that my card was expired when you looked at it. I never serve alcohol, I do all the cooking. However, I know that I still need to have a current card. I have installed a new procedure, which I will personally check all TAP card for everyone who serves alcohol in my establishment once a month. Also I have posted a civil penalty sign at each entrance to our deck. I will take a picture of them and e.mail it to you.

Respectfully Submitted ,
