MEMORANDUM

TO: Bob Klein, Chair, and
Members of the Board

DATE: February 19, 2019

FROM: Erika McConnell, Director

RE: Staff Recommendation for Regulations
Projects

Duplicate Beverage Dispensary License: AS 04.11.090(e) states, “A holder of a beverage dispensary license may not maintain upon the licensed premises more than one room in which there is regularly maintained a fixed counter or service bar at which alcoholic beverages are sold or served to members of the public for consumption unless the licensee is issued by the board, after investigation, a duplicate of the original license for each of the rooms.”

Enforcement staff is seeking clarity of the terms “room,” “regularly maintained,” and “service bar.” Defining these terms in regulations would assist the staff in determining when a duplicate license is required.
