Re. Tourism Statement

Dear Board,

Juneau Hospitality LLC – members Doug Andrew and Joel Sims have operated the Prospector Hotel and TK Maguire's Restaurant for over 10 years. Located in downtown Juneau, about 10 miles from the airport, our 62 room full service hotel and restaurant has offered tourist, business travelers and locals with out of town guests a warm, hospitable and clean environment to dine in and enjoy a cold or warm alcoholic beverage.

Constructed as a full service restaurant and lounge our guests enjoy a quiet sanctuary after touring the new State Archives and Museum next door or coming back from a conference at the Egan Conference Center across Whittier St.. We have annually upgraded and improved the interior of the property. The plan for the winter 2018/19 we will paint the interior, replace worn furnishings and kitchen/bar equipment and generally freshen the area during any slow periods. In addition we will continue to offer training for our year round serving staff who work with our tourist and business guests.

Our guest rooms do not have kitchen facilities and although they have mini fridges they are not stocked. These are provided for guest use to store water, medicine or cold snacks.

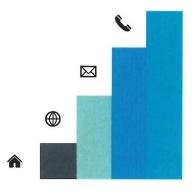

Many of our tourist guests over the years have commented how they have enjoyed a cold alcoholic beverage while watching the waterfront scene or just relaxing watching tv or enjoying a meal. Our liquor license has allowed us to meet the current and on-going expectations of tourist and travelers.

Warm regards,

Joel Sims
