Mr. Hoelscher,

Per my telephone call on 12/5/18 you had asked me to put in writing what we had discussed per our conversation and forward it to you.

On October 1, 2017 Gold Miners Lodge Restaurant and Motel LLC entered into a lease with option to buy agreement with John & Inthira Zavacky. You had asked if we had a "Manager's Agreement" with the Zavacky's. Mr. & Mrs. Zavacky do not have a financial business interest in Goldminers Lodge Restaurant and Motel but only the property and will be starting their own business under a different business name and License or LLC. Mr. & Mrs. Zavacky have been performing a major renovation of the restaurant and motel buildings. In our original agreement with Mr. & Mrs. Zavacky we were not intending to apply for a waiver. They originally planned to be able to open in 2018 after applying to transfer the liquor licenses into their new business name prior to opening a new restaurant/bar & motel. It has taken them much longer on the renovation and they have not opened yet! Since speaking with Mr. & Mrs. Zavacky the first week in November 2018 they agreed the waiver option would be necessary according to the handbook and assured us that they would turn in their necessary paperwork and applications to transfer and renew the liquor licenses into their new business name before the deadline date of December 31, 2018.

Prior to moving out of Alaska on October 1, 2017 Brian and I were communicating with Sarah Oates via telephone and email in the month of September 2017. I had come into the AMCO Anchorage Office at least 4 times prior to leaving because we were not having our calls returned. I repeatedly communicated with Sarah at the office regarding the process of the transferring of the liquor licenses and before leaving we turned in our necessary paperwork with her.

Two months later on December 22, 2017, I received an email from Jacqlene Drulis. The letter dated December 22, 2017 stated "At this time, your application is considered incomplete for the following

reason: AB-01 Transfer License Application - We have not received the remainder of the Transfer Application Forms." Jacqlene Drulis had returned our transfer license paperwork that we had turned in prior to leaving Alaska. I called Jacqlene Drulis and talked with her to get accurate instructions on how to proceed. She suggested that we send our completed paperwork to Mr. & Mrs. Zavacky so that when they turned in their applications they would have everything AMCO needed. On 1/30/18 I sent them our necessary completed portion of paperwork for the transfer applications.

On November 5, 2018, I began to inquire via an email to AMCO regarding the waiver application process. I received a response email from Carrie Craig on November 6, 2018. I sent another email to Carrie on November 13, 2018 asking her a few more questions regarding the transfer and renewal applications, and asked her if she would email us when John Zavacky turned in his applications as it is sometimes hard to get ahold of him. I also asked if she would please let me know if someone else was taking care of his application if she would let me know their name and email address since the deadline was drawing near. I received a response email from Carrie November 13, 2018. I sent another email to Carrie on November 14, 2018 asking her a question regarding the Notary Public. I did not get a response email from Carrie so I called AMCO and she was the one who answered the phone so I was able to get my answer with that phone call.

I mailed the waivers for License #4526 Beverage Dispensary - Tourism and License # 4380 - Restaurant or Eating Place to AMCO and the City of Houston on November 14, 2018 via certified mail with return receipt. The signed return receipts received by AMCO and the City of Houston states the waivers were received on November 19, 2018 and the checks were cashed on November 20, 2018 per my bank account.

I believe this latest misunderstanding stems from a phone call I made on October 11, 2018, I called AMCO asking to talk to with Jacqlene Drulis and talked to a Mr. Campbell as he asked if he help. I explained some details regarding our lease with option to buy agreement and asked if Mr. & Mrs. Zavacky's transfer application was turned in. He checked and said that "no transfer application had been turned in." I also told him that Mr. Zavacky was in the process of a major renovation. I had some questions regarding applying for a waiver for the first time. He explained the fees and to also send a copy of the waivers to the Local governing body the City of Houston AK.

Soon after that phone call on October 11, 2018 on November 29, 2018, we received an email from Jason Davies to our goldminerslodgealaska@gmail.com showing a Notice of Violation for failure to communicate. That next evening Brian called to find out what the Notice of Violation was pertaining to and talked to John Hamilton. The next day we received another email from Jason Davies again on November 30, 2018 stating he had talked with Mr. Hamilton and found his original letter was never received in the mail because it was sent to our physical address and not our mailing address and apparently was not sent as certified mail. That is what prompted my call to you on December 5, 2018.

We have continually been trying to comply with all AMCO requirements and as you can see with all the above communication, I have been in contact with AMCO before and after we moved from Alaska in 2017 extensively. With regards to the violations listed in the Notice of Violation letter sent via email we believe there was a misunderstanding. John & Inthira Zavacky have never used or been

offered temporarily to use our liquor licenses and they have not yet even opened their new business. Mr. Zavacky has been trying to complete a major renovation of the restaurant and motel and have assured us they will not open until all required applications are granted by and through the AMCO authorization.

Re: KLB, Inc. DBA: Roadside Inn License# 2111
AMCO Case #AM18001467

To Whom It May Concern,

In the process of creating a trust for personal reasons there was no intention to change ownership that would create a violation for KLB, Inc. license. Per counsel ownership was to a grantor-trust wholly owned and controlled by the exact same individuals, in the exact same proportions as the prior ownership. It was not realized that this would create a conflict.

Pursuant to inquiry by the AMCO Board, a notice of change was immediately submitted to the State of Alaska Division of Corporations and was reversed on 11/29/18. A copy of reversal and proof of receipt from the State was also submitted to AMCO Mikal Milton.

As stated previously there was no intention to create a violation or confusion regarding ownership of KLB, Inc..

If there is any other action we need to take please advise.

Thank you.

Respectfully Submitted,

PO 232-3834

Dear Mr. Hamilton,

The Petroleum Club of Anchorage is a Nonprofit Corporation with a board of directors. Our board of directors change annually. I am the General Manager of The Petroleum Club of Anchorage. I accepted the position of General Manager in July of this year. I did not have an outgoing General Manager to "pass on" the necessary steps associated with a change of board. I regret that I did not notify the Alcohol & Marijuana Control Office promptly with the change of corporate officer.

As a result of this I am creating a hard copy file of the necessary steps to follow when a change of officers occurs. It will be kept here in office so that anyone in this position will have a clear road map as how to properly proceed. Additionally, I will set up a calendar alert so that myself or whoever is responsible for the renewal and updating of the alcohol license will be electronically alerted to the necessary steps. Lastly, I will submit a copy of the file to the board to be included in the minutes of the last board meeting.

Again, I regret this oversight and will take these steps to prevent this violation from re-occurring. I appreciate your understanding in this matter and want to work with your office to ensure that all Alcohol & Marijuana Control Office policies are closely followed.

Sincerely,

Sheri Underwood

General Manager

On 10/22/2018 AMCO Enforcement received information VFW Post #7056 was hosting events inviting members of the public to the licensed club premises. VFW Post #7056 Director, Dewey BELL contacted AMCO Enforcement and stated they had been open to the public for Sunday brunch on 10/21/2018. I advised BELL of the restrictions of a club license and followed up by sending an advisory notice to the licensee via the email address on file on 10/30/2018 informing them the club license does not allow the solicitation of public patronage to the licensed premises.

AMCO Enforcement later received information VFW Post #7056 posted announcements on community Facebook pages soliciting public patronage of the club licensed premises on the following dates:

11/09/2018: VFW Steak Night, Friday, Nov. 9th, 5-9 PM
11/26/2018: VFW Breakfast, 9:00 am to 1:00 pm

V.F.W. Katmai Post #7056 Treasurer Tony PARKER, responded to a comment regarding the 11/09/2018 event when a person asked if it was for members only. PARKER replied, "No anyone can stop by and have dinner."

PARKER posted the Facebook advertisements for the 11/26/2018 and 12/16/2018 breakfast events. Included in the post for the 11/26/2018 breakfast was "This is Sunday breakfast is always open to the community."

License #/Type: 5651 / Brewery

Licensee: Black Spruce Brewing Company, LLC

Address: 3290 Peger Road, Ste. B, Fairbanks, AK

DBA: Black Spruce Brewing Company

AMCO Case #: AM18-1535

Note: This is not an accusation or a criminal complaint.

On 12/20/2018, AMCO Enforcement received information from Randy BEZDEK, manager of The Hungry Robot LLC, regarding access of minors to the Black Spruce Brewing Company licensed premises. BEZDEK stated on 12/19/2018 two of his minor employees were staffing a table in the tasting room of Black Spruce Brewing Company. BEZDEK stated The Hungry Robot pizza trailer was set up in the parking lot off of the Black Spruce Brewing Company licensed premises. He stated the two minor employees staffed the table in the tasting room, took pizza orders from brewery customers, brought the pizza orders out to the trailer and brought the pizzas from the trailer to the table in the tasting room where they served the pizza to the ordering brewery customers. BEZDEK said he currently does not have any employees who are 21 years of age or older. The two Hungry Robot employees who staffed the table on 12/19/2018 were 19 years old.

Black Spruce Brewing Company holds a brewery license and does not have a restaurant designation permit. Access of minors to a licensed premises is restricted.

Your attention is drawn to the following statutes:

A.S. 04.16.049: Access of persons under the age of 21 to licensed premises

Wednesday, January 2, 2019

To Whom It May Concern:

In response to the Notice of Violation that Black Spruce Brewing Company, LLC received on January 2, 2019 (AMCO Case # AM18-1535), the owners of Black Spruce Brewing Company have spoken directly with Randy Bezdek, owner of The Hungry Robot LLC, regarding the minimum age required to be present within Black Spruce Brewing Company's premises. Following the incident referenced in the Notice of Violation, which occurred on December 19, 2018, Mr. Bezdek staffed the indoor/on-premise register for his business either himself or with someone else over 21 years of age (age was verified by the owners of Black Spruce Brewing Company). Today, Mr. Bezdek informed the owners of Black Spruce Brewing Company that he has hired someone new and over 21 years of age to man Hungry Robot's indoor/on-premise presence full-time moving forward; again, this person's age will be verified by the owners of Black Spruce Brewing Company. In the event that the new hire is unavailable to work, the owners of Black Spruce Brewing Company have made clear to Mr. Bezdek that he will need to find someone else over 21 to work that station, work it himself or not sell his products at Black Spruce Brewing Company that day. The owners and employees of Black Spruce Brewing Company are diligent about checking customers' identifications and verifying ages. Since day one, we have refused service to and asked to leave our premise those who are not 21 or older unless accompanied by a parent, legal guardian or spouse or whose age we are unable to verify. We will continue to do so now and in the future.

Should any questions remain concerning this incident or Black Spruce Brewing Company's implemented actions to prevent recurrence of similar incidents, please contact Stephanie Haskins (contact information below).

On 12-23-18, it was observed via Groupon, that you have three advertisements involving flights of beer and a empty growler as shown in the attachment. In speaking with your staff, base price of an empty growler is \$5.00 and the base price of a flight of beer is \$10.00. The second and third advertisement violate pricing and marketing because they offer the beer at lowered price to a select group (Groupon Purchaser).

Your attention is directed to AS04.16.015: Pricing and marketing

Also noted on a walk through was your civil penalty sign is posted incorrectly. It should be posted so one can see it as they enter the establishment.

On 08/14/2018 at approximately 1350 hrs., I was conducting a licensed premises inspection at the The Norwegian Rat Saloon, license # 5264, when I contacted the on-duty bartender, identified by her driver's license as Arielle VILLENA. To Whom It May Concern,

On August 14, 2018, an inspection was conducted at the Norwegian Rat Saloon, (1906 Airport Beach Rd) license # 5264 and found bartender identified as Arielle Villena had not completed her required alcohol server education course, which is a violation of AS 04.21.025.

The following actions were taken to prevent future violations. Arielle Villena completed her alcohol server education course on August 20, 2018 and an employee log book was created with an up to date eTIPS employee certification list for managers to manage and the list is posted on a manager board for quick reference. All employees are given a three month notice and one month notice before their eTIPS certification expires. Employees are removed from pending work schedules a week prior to their eTIPS card expiring if the employee has not scheduled with a manager to complete their eTIPS test on site before expiring.

The staff at the Norwegian Rat Saloon is making every effort to prevent future violations. Should you have any questions or concerns please do not hesitate to contact one of the managers.

To whom it may concern,

On 8/15/2018, Mr. Michael Chiesa conducted an investigation at the Airport Restaurant in Dutch Harbor, AK. Unfortunately, upon inspection of the server education cards, it was found that my card was expired. Once, Mr. Chiesa brought this to my attention I immediately got online with the TAP program to rectify the predicament. I immediately took the training and test.

Attached is a copy of my current TAP card as well as a copy of the certificate of completion showing the date that my training was completed.

The expiration of my card was simply an oversight on my end. Please understand that I took all necessary measures to be compliant immediately.

This memo is in response to a notice of violation (NOV) issued to Alaskan Spirits, LLC, AM19-0046, relating to pricing and marketing violations. On 1-10-19 I went to Alaska Spirits Distillery in response to an anonymous complaint regarding the giving away of free alcohol with the purchase of a shot glass.

Once I arrived at the establishment, I purchased the shoot glass and was given a tasting of three types of vodka. My further instructions were to see if they are serving more than 2 ounces, which they were not. While settling my bill, the bartender told me about their club. If you joined, you received a bottle of their product a month and 10% of drinks. Nothing was mentioned about merchandise.

After I left, I received a text message from Alaskan Distillery stating I had 29 points. For every \$1.00 spent, you received one point. "Members \$1.00 of Craft Cocktails, 1 Point". The message also depicted that members do receive 10% off merchandise. Also advertised in violation of pricing and marketing, for 100 points, "Cocktail on us!"

Alaskan Spirits LLC, responded to the on 1-24-19, that the notice was inaccurate and they give 10% off merchandise only. In print her response is accurate. When the program was being explained to me, I heard 10% of drinks when you come in.

In closing, I could have heard her wrong at the premises, but in print, they are advertising members get a \$1.00 of Craft Cocktails and a free Cocktail upon reaching 100 points. All violations of pricing and marketing.

Sincerely,

A handwritten signature in black ink that reads "Joe Hamilton".

The paperwork was sent and we have been advised that official filing will take 1-2 weeks.

Since the ownership has remained the same we also notified AMCO of this by resubmitting form AB-17 with the corrections.
