

MEMORANDUM

TO: Bob Klein, Chair, and Members of the
Alcoholic Beverage Control Board

DATE: February 19, 2019

FROM: Erika McConnell, Director

RE: 4881 Alaska Travel
Adventures

Requested Action: License renewal

Statutory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

Staff Rec.: Deny the renewal

Background: This recreational site license does not appear to meet the statutory requirements of the license type at AS 04.11.210. AS 04.11.330(a)(6) states that a renewal shall be denied if "renewal of the license would violate the restrictions pertaining to the particular license under this title..."

At the February 1, 2017, board meeting, the board recognized that this license did not qualify for a recreational site license, and voted to renew this license for a final time, indicating that the 2017/2018 renewal would be the last renewal.

The board tabled action on this renewal at the December 2018 meeting.

Re: Alaska Travel Adventures, License #4881;

Dear Alaska Travel Adventures Inc.,

At the February 1, 2017, meeting of the Alcoholic Beverage Control Board in Juneau, Alaska, the board voted to approve your **Recreational Site License** with delegation to the director. Delegation means that the board has authorized me to issue your license once all outstanding approvals are received and objections lifted.

Although you hold a recreational site license, the board has determined that your business does not fully meet the statutory definition of recreational site as currently defined by state law:

Sec. 04.11.210. Recreational site license.

- (a) The holder of a recreational site license may sell beer and wine at a recreational site during and one hour before and after a recreational event that is not a school event, for consumption on designated areas at the site.
- (b) The biennial fee for a recreational site license is \$800.
- (c) In this section, "recreational site" includes a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season.

The board recognizes the impact of this interpretation on your business and has agreed to allow this last renewal. Therefore, this will be the final recreational site license issued to this business under existing statute. We encourage you to review the different license types available under Alaska statute if you wish to serve alcohol after this license expires.

The following information reflects what is currently on file for your application:

Local governing body action:

If we are still awaiting a response from your local governing body, then you may continue to operate under the temporary license that was issued to you until the local governing body has waived its right to protest. If a timely protest has been received or is received, your application will need to go back in front of the board for consideration. If your local governing body has already waived its right to protest but you have not yet received your real license, one will be mailed to you shortly.

Please contact our office at alcohol.licensing@alaska.gov with any questions or updates.

Sincerely,

A handwritten signature in blue ink that reads "Erika McConnell".

RE: Recreational Site Statement Guidelines

We will be serving beer and wine from 10 a.m. to 8 p.m. at the termination point of our raft trip where guests disembark the rafts and enjoy a snack and beverage prior to transfer back to their cruise ship dock. Our raft trips occur daily with multiple departures and take place during the summer tourist season, April 20th through October 15th of each year.

Please let me know if you have additional questions.
