MEMORANDUM

TO: Alcohol Beverage Control DATE: Monday, April 22, 2019

FROM: James Hoelscher, Enforcement Supervisor RE: Enforcement Report, Alcohol

This year marks the first three years that we will have alcohol and marijuana licenses operating during the summer and it has proven to have been a continuing challenge for Enforcement regarding many investigations and inspections. Our seasonal alcohol licenses will be a priority during the months of May and June, then our priorities will shift to renewal inspections for marijuana licenses from July and will continue until September. An anticipated high amount of investigations, during the times we are trying to focus on inspections generally creates an extremely busy environment for us and I do not anticipate this changing.

Challenges aside, Enforcement has made a concerted effort in communicating with licensees, the public and working with other law enforcement.
