

## Liquor License Renewal Application

### "Mandatory Points To Be Included"

---

1. **Explain how issuance of a liquor license at your establishment has/will encourage tourism.**

Having a liquor license at our establishment has encouraged tourism throughout our time of being in operation. Not only do we serve sushi and Asian cuisines, we compliment our foods with the option of ordering alcohol along with it. As people are waiting at the airport, many adults enjoy grabbing a quick beverage before their upcoming flight.

2. **Explain how the facility was/will be constructed or improved in accordance with this application.**

Our facility has been built to accommodate the regulations that come along with owning a liquor license. The bar is placed distinctly in one section of the restaurant where the liquor is located so that patrons can easily identify the area as the bar. Our dining tables are at a lower height than the bar area and takes up a majority of the front of house so that it is easily identifiable by patrons. The dining and bar areas are strategically placed so that patrons do not confuse the bar area as the dining area.

3. **Who operates the facility for which a liquor license is being applied?**

Jung Kim, who is an owner of the facility oversees all general operations of the restaurant.

4. **Do you offer room rentals to the traveling public?**

No, we do not offer room rentals to the traveling public. *Location is inside the airport.*

5. **Does your establishment include a dining facility?**

Yes, our establishment includes a dining facility.

6. **Are additional amenities available to your guests through your establishment (eg: guided tours or trips, rental equipment for guests, other activities that attract tourists)?**

Our facility does not offer additional amenities to our guests.
