

MEMORANDUM

TO: Alcoholic Beverage Control Board DATE: July 9, 2019
FROM: Erika McConnell, Director RE: 5533 ACC Liquor Store

Requested Action: Transfer of ownership and location, and DBA change

Statutory Authority: AS 04.11.040(a) and (b): “(a) A license issued under this title may not be transferred to another person except with the written consent of the board.
(b) A license or permit issued under this title may not be transferred to a new location except with the written consent of the board.”

AS 04.11.470: “A person may object to an application for issuance, renewal, transfer of location, or transfer to another person of a license, or for issuance of a permit, by serving upon the applicant and the board the reasons for the objection. The board shall consider the objections and testimony received at a hearing conducted under AS 04.11.510(b)(2) when it considers the application...”

AS 04.11.510(b)(2): “The board may review an application for the issuance, renewal, transfer of location, or transfer to another person of a license without affording the applicant notice or hearing, except... (2) the board may, on its own initiative or in response to an objection or protest, hold a hearing to ascertain the reaction of the public or a local governing body to an application if a hearing is not required under this subsection;”

Staff Rec.: Hold a public hearing; if approved, require as part of delegation that the transferor submit a waiver of operations for 2018

Background: This package store license in Bethel was approved by the board on November 13, 2017. The license has never been operated because the licensee never requested an inspection—I understand that he never completed renovations on the licensed premises. A waiver of operations was not submitted for 2018.

Three objections have been submitted for this transfer: one from the Department of Labor and two from residents of Bethel. A third comment was also received. The City of Bethel was notified of the application on May 7; on June 25, the city notified AMCO that “the City Council took no action on the application.” The 60-day period to protest ends on July 6.

My name is Imogene Samuelson and I am writing this letter to plead and respectfully request that you do not approve the sale and transfer of the package liquor license to the North West Co, d/ba the Alaska Commercial Company liquor store in Bethel, Alaska.

Myself and other family live directly across from the proposed location that would be the future store and their second attempt at operating a liquor store, the first of which they completely failed at miserably! The two previous businesses that operated there have been good neighbors with no complaints, but the A.C. Co., no matter how much they promise to do better will not happen.

We will be forced to deal with the expected loiterers and riff raff that will no doubt drift right across the road to us. This will happen no matter what their proposed changes are to the City of Bethel citizens. They do not deserve another license. Their problems will be ours also. Our homes and maybe our lives will be endangered from the inevitable unpredictable behavior from the out of control drunks. Our homes will be trespassed into, our vehicles, boats and motors, sheds, snowmachines, etc. will be tampered with and damaged. We will be innocent victims of crimes, personally and property. We will have to face the negative impacts. The liquor store is not welcome in our quiet neighborhood! We do not want nor should we have

APR 15 2019

to suffer from the inevitable trouble the liquor store will bring. I personally heard from a former A.C.Co. employee at the Atsaq Street location that an A.C.Co. manager instructed a security guard to not make his security rounds around the property and being a subordinate employee, he complied so the employees are part of the problem. I guarantee there will be groups of loiterers around the store being nuisances and causing problems. A.C. will skimp on their employees allowing this to happen. Just remember at how they operated their failed liquor store. They moved in and the whole area changed for the worse.

The Alaska Commercial Company does not deserve another chance to operate a package liquor store. I respectfully request that you do not approve the sale and transfer to them.

Thank you for giving me the opportunity to speak on this personal and important issue to me and my family members.

To whom it may concern,

I am writing this letter to express opposition to the transfer of the package liquor license from Cezary Maczynski's Kusko Liquor store to the North West Company, doing business as Alaska Commercial (AC) Company in Bethel Alaska.

AC has already been given an opportunity to sell alcohol in this community and proved that they were unable to do so in a responsible manner. The opening of that liquor store had an enormously negative impact on the community of Bethel. Since the opening of the original AC liquor store numerous community members have spoken before Bethel City Council and the Alcoholic Beverage Control Board to express the ways in which the liquor store negatively impacted our community. Nothing I could write in this letter could adequately capture all of the hurt, frustration, and anger shared by community members witnessing the negative impacts of the AC liquor store firsthand. However, I would like to address two of the concerns that were repeatedly raised about the original AC liquor store. First was that the location of the original store was poorly chosen and second was that the AC staff were not enforcing policies congruent with safe alcohol sales.

The location of the original AC liquor store was the subject of many discussions. The original location was criticized for being close to people's homes and several schools. This led to increased foot track and public intoxication in this area, disrupting people's lives. Moving the liquor store to a new location, which is still close to people's homes, does not solve the issue, it simply moves it to a new location. As someone who lives within 500 feet of the proposed new location I am in strong opposition to the liquor store opening here. This area already has a lot of foot traffic as it is on one of the main roads in town. Individuals walk through this area to get into town from slough and the boat harbor. Now that there is another liquor store on Front Street we are seeing increased foot traffic from that store as well. All winter long people cut through my backyard to get from Front Street to 3rd ave heading towards Jacob's Way or the center of town. Oftentimes the individuals passing by are intoxicated. I have lived in this location less than a year and have already made multiple reports to the police department over intoxicated individuals becoming violent with others, being passed out on the side of the road, and staggering into oncoming traffic. Adding another liquor store into the mix is only going to exacerbate this problem and lead to increased public intoxication and violence, requiring additional public safety resources.

Additionally, AC liquor store proved that they were not willing to make decisions that would help lessen the negative effects of their store. Regardless of where the store is set up, if AC continues to focus on profit over the welfare of this community then the negative effects of the liquor store will continue to be felt regardless of where the store is set up. I do not have any trust in AC stepping up and making management decisions to lessen the impact of their alcohol sales on this community. Their actions in their original store suggest that they do not care about this community or working with the city of Bethel to lessen the negative impact of their alcohol sales. If they were capable of selling alcohol in a safe manner they never would have lost their license in the first place. They continuously talked about making changes in their store that would help lessen the effects of the liquor sales without ever making any progress in doing so. Please do not give AC another chance to hold a liquor license in this town after they proved time and again in the original store that they cannot be trusted.

Thank you for taking the time to read this letter. I appreciate the opportunity to speak on this matter as it is one that is very important to me and this community. I sincerely request that you do not approve the transfer of this license.

To Whom It May Concern:

It has come to my attention that the proposed location for the ACC liquor store in Bethel may be out of compliance with planning and zoning. The diagrams below appear to show part of the proposed location's building encroaching on the set back of the property line with a city owned parcel. It seems as if a variance would be required before issuance of conditional use to sell alcohol.

In the planning lot document, it shows that the Conex's used in connection with the proposed location are, in fact on the city lot. When you take that into relation with the google earth image below it, identify the Conex's' is draws a property line right through the building. I believe that this zoning issue needs to be addressed before the licensing process should begin.

Additionally, I believe there are several issues with the notice of public hear as the first letter sent out how the wrong year for the meeting, stating it was gong to take place in 2018. A new letter was issued but we believe does not give proper notification before the meeting. This too should be cleared up before the meeting can take place.

Sincerely,

A Concerned Citizen
