

MEMORANDUM

TO: Alcoholic Beverage Control Board DATE: September 10, 2019
FROM: Erika McConnell, Director RE: Regulations Project: When a Petition
is Required by AS 04.11.460(b)

Statutory Authority: AS 04.06.100(a): “The board shall adopt regulations governing the manufacture, barter, sale, consumption, and possession of alcoholic beverages in the state that are consistent with this title and necessary to carry out the purpose of this title in a manner that will protect the public health, safety, and welfare.”

Status: First draft for board consideration

The board opened a regulations project to clarify when a petition is required under AS 04.11.460(b) at the July 29, 2019, board meeting.

The attached draft proposes the following:

- New subsection (c) is brought over from 3 AAC 304.615, which is then repealed.
- New subsection (d) proposes that for licenses located outside of but within 50 miles of the boundary of a municipality, petitions are not required for transfers of location when the new location is less than one mile from the old location.
- New subsection (e) proposes that for licenses located outside of and 50 miles or more from the boundary of a municipality, petitions are not required for transfers of ownership, and petitions are not required for transfers of location when the new location is less than one mile from the old location.
- New subsection (f) is brought over from 3 AAC 304.905(d), but subsection 905(d)(1) is proposed to be eliminated as duplicative. 3 AAC 304.905(d) is repealed.

The distance of less than one mile in new subsections (d) and (e) is proposed because it is consistent with AS 04.11.400(f), which allows transfers of location to new locations less than one mile from the original location to ignore population limits under certain circumstances.

Board options:

- Put out for public comment.
- Amend and put out for public comment.
- No action.
