Tourism Statement

The Annie Mae Corporation dba The Annie Mae Lodge operates an eleven room lodge that provides lodging and full restaurant services for our overnight customers and the local population. Our room units do not have individual kitchenettes or cooking facilities. We are the only full service lodge open in both the summer and winter.

This license enables us to provide an extra service that is desired by our guests along with providing extra funding for the continuous improvements that a lodge like ours requires. In the last two years we upgraded and replaced our kitchen stove/oven and dish sanitizer. We also updated our room fixtures and all of our mattresses. At the end of this summer season, we started the replacement of our roof and remodel of some of the exterior. This project also includes the remodel of one of our exterior storage rooms in order to better accommodate guest luggage storage and provide additional office space. By allowing us to offer our guests beer, wine, and spirits this license has proven to be indispensable as far as bringing in more clientele and keeping the clientele that we already have.

We pride ourselves on being an exceptional lodge catering to a wide diversity of travelers. We advertise online, in print media, and on the radio in order to attract travelers that are looking for amazing fishing trips, tours into Glacier Bay and Icy Strait, whale watching tours, single and multi-day kayaking trips, and people that are here for business. We not only provide lodging and meals, but arrange any tours and airfare that our guests desire. We work with many other businesses in order to provide an all inclusive destination that promotes tourism to the fullest in our area.

The Beverage Dispensary Tourism License is a competitive edge that we need in order to continue to provide an establishment that encourages travelers to visit not only our lodge, but Gustavus and Glacier Bay.
