

JSJ Group LLC
Tourism Statement

2.1 – Explain how the issuance of a liquor license at your establishment has/will encourage tourism.

An issuance of a liquor license at our establishment will encourage tourism because we are located within the Ted Stevens International Airport. Our establishment is also located significantly apart from any other bar/restaurants. We are the only establishment to offer Asian cuisines and alcoholic/non alcoholic beverages.

2.2 – Explain how the facility was/will be constructed or improved as required by AS 04.11.400(d)(1).

The facility is located within an airport terminal at the Ted Stevens International Airport. The airport is always under construction and development. We put a lot of time and effort in the appearance of our business because it reflects the airport as a whole.

2.6 – If your establishment includes a dining facility, please describe that facility. If it does not please write "none".

Our establishment consists of two separate areas. On one side of the concourse our establishment consists of a dining area for families, alcoholic bar area for adults over the drinking age of 21 and also another sushi bar. This ensures that we can accommodate to both adults who are just trying to enjoy an alcoholic beverage and also families wanting to dine in. On the opposite side of the concourse we have a stand alone bar. This bar accommodates individuals that are of age to be in an area without children.
