Tailwind JNU LLC Tourism Statement

Tailwind JNU LLC operates the bar and restaurant facility in the Juneau International Airport, owned and operated by the City and Borough of Juneau, for which the liquor licenses are renewing.

Tailwind strives to meet customer satisfaction. With that, at Tailwind we work hard to structure our drink menus to bring the best quality drinks to our customers and we include local spirits when available. Seasonal drink menus are also offered to keep the customers looking forward to what's new and what will come next.

The dining facilities operated by Tailwind JNU include both dine in and grab and go options for our customers. Over the past year and a half, we have upgraded our kitchen equipment including a pizza oven to offer a wider array of food options. Both the Pre-Security and Post-Security restaurants and bars have upgraded seating and tables as well as televisions. For security and safety of our customers, a security system was also installed.

Beverage Dispensary – Tourism License

Form AB-17d: 2020/2021 Renewal License Application

What is this form?

This renewal license application form is required for all individuals or entities seeking to apply for renewal of an existing beverage dispensary-tourism liquor license that is due to renew by December 31, 2019. All fields of this form must be complete and correct, or the application will be returned to you in the manner in which it was received, per AS 04.11.270 and 3 AAC 304.105. The Community Council field only should be verified/completed by licensees whose establishments are located within the Municipality of Anchorage or outside of city limits within the Matanuska-Susitna Borough.

This form must be completed and submitted to AMCO's main office before any license renewal application will be reviewed. Receipt and/or processing of renewal payments by AMCO staff neither indicates nor guarantees that an application will be considered complete, or that a license will be renewed.

Section 1 – Establishment and Contact Information
