Lone Chicharron Liquor License application.
Seward Alaska

The population of Seward is approximately 2748 and 20.4% (561ppl) are under the age of 21 which brings the total to 2187.(see attached)

The location of the Lone Chicharron is in the downtown/business district. As such, most of the buildings in the area are businesses/commercial use as opposed to residential use, with the outlying areas filled with residents.
In addition, many of the residents that do live in the downtown area are seasonal workers and not year-round.
The areas East and South of our location are made up of water and a non-liveable road/area.

Approximately 600 residents are in the Spring Creek Correctional facility which is outside of the 1 mile radius. That brings the total to 1587. (2187-600=1587)

The majority of the residential subdivisions in the City of Seward (Forest Acres 800ppl, Dairy Hill/Dora Way 500ppl..) are outside of the 1 mile radius which leaves 287 year round residents 21 years of age or older.

In our estimation the year round population within a 1 mile radius is 287 and we have gathered 168 signatures which is 58.5%

To recap:
Seward population 2748 – 561 (under 21)=2187
2187 – 600 (Spring Creek residents)= 1587
1587-1300 (subdivisions outside of 1 mile radius) = 287
Signatures gathered = 168 which is 58.5%.
