RE: #5982 Hilltop Ski Area

**Statutory &
Regulatory**

Authority:

AS 04.11.210 Recreational site license

- (a) The holder of a recreational site license may sell beer and wine at a recreational site during and one hour before and after a recreational event that is not a school event, for consumption on designated areas at the site.
- (b) The biennial fee for a recreational site license is \$800.
- (c) In this section, "recreational site" includes a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season.
- (d) The board may not deny an application for renewal of a license issued under this section or an application to transfer a license issued under this section to another person solely because the board determines that the licensed premises is not a "recreational site" as defined under (c) of this section if the applicant
 - 1) held a license under this section or received a transferred license under this section that was valid at any time between January 1, 2018, and March 31, 2019 or holds a license that was initially issued under (e) of this section; and
 - 2) operates the license under the same conditions required at the time of initial licensure.
- (e) The board may not deny an application for issuance of a new license under this section solely because the board determines that the licensed premises is not a "recreational site" as defined in (c) of this section if the applicant filed an application for a new license under this section between October 1, 2018, and the effective date of this Act [5/15/19].

Background:

Based on the findings of the 2014 and 2018 State of Alaska audits, the determination of what activities qualified as a "recreational site" came into question. The auditors felt that the board was not issuing recreational site licenses in accordance with statutory requirements.

At the August 14, 2018 board meeting, there were a number of these license types slated for renewal and one of them was for Arctic Valley Ski Area. Staff's recommendation at the time was for denial of the renewal application because they felt that the operation of the license did not meet the specific requirements. After testimony from the licensee, Assembly and legislative members and the public, the board voted to approve the renewal, 4 to 1.

Senate Bill 16, sponsored by Senator Micciche, was an act relating to certain alcoholic beverage licenses and permits; relating to the bond requirement for certain alcoholic beverage license holders; and providing for an effective date was introduced on January 16, 2019. Part of this bill was to include new subsections (d) and (e) in the recreational site license statute referenced above. On July 10, 2019 SB16 was signed into law.

Subsection (e) states that board cannot deny a new recreational site license application because the board determines the premises is not a "recreational site", defined as a location where baseball games, car races, hockey games, dog sled racing events, or curling matches are regularly held during a season, *if* the application was submitted between October 1, 2018 and May 15, 2019.

In the proposed Title 4 rewrite, instead of a Recreational Site license, there is a new license type called Sporting Activity or Event license which does include skiing and snowboarding activities in the definition.

Staff Recommendation:

Evaluate the attached application for compliance with AS 04.11.210.

Re: *Recreational Site Statement for Hilltop Ski Area*
Our File No.: 2010-04

Dear Alcoholic Beverage Control Board:

In compliance with your staff's requirement for the application for a Recreational Site License, Youth Exploring Adventure, Inc., DBA Hilltop Ski Area submits the following statement related to its recreational business:

I. About Hilltop Ski Area

Hilltop Ski Area is a non-profit corporation located in the Hillside area of Anchorage, Alaska. Hilltop offers a unique and historic environment for the community to ski, snowboard and race down a mountain without leaving town. Hilltop is thrilled to add a summer season with its brand-new bike park, enabling mountain bikers to ride the lifts with their bikes to the top of the mountain and ride and race back down.

Hilltop's first rope tow up the mountain was installed in 1962. The tow was powered by a surplus military troop carrier motor. In 1967 the rope tow was moved to a location near the intersection of Abbott Road and Hillside Drive. In 1983, Hilltop entered into a land use agreement

with the Municipality of Anchorage which allowed a chairlift to be installed. This improvement moved the ski area to its current location on Abbott Road. Also in 1983, Youth Exploring Adventures, Inc. in its current iteration was formed. In 1984 a snowmaking system was installed to add consistency to snow conditions. In 1997 the Platter Lift was installed with night lighting to support evening operations. In 2000 the MOA granted Hilltop a long-term lease through a vote of the people. In 2020 the MOA exercised the lease extension to extend the lease to 2030.

Hilltop hosted the 2001 Special Olympics Word Games. Hilltop relies on the generosity of Alaskans to sustain operations. Hilltop receives no money from the MOA. Ticket sales, donations and sponsorships fund exciting programs and opportunities, particularly for Alaska's youth. Ski schools and school vacation programming allow youth to engage in healthy outdoor activities and develop a lifelong love of Alaskan winters.

II. Hilltop's Recreational Events

Hilltop provides seasonal opportunities for the recreational activities of ski races, jumping and competitions, skiing, snowboarding, a terrain park, and permitted alternative ski equipment such as disabled skis. Hilltop is well known for its seasonal camps and schools for skiers and snowboarders of all ages.

Hilltop recently acquired equipment that permits mountain bikers to take their bikes to the top of the mountain on the chairlifts. This enables Hilltop to provide summer seasonal opportunities for Alaskans to ride and race bikes down the mountain and to utilize the terrain park for unique biking challenges.

The creation of Hilltop Bike Park is generating a lot of excitement in the Anchorage community. By creating a bike park for the summer season, Hilltop continues to extend new recreational opportunities for the Alaskans who keep it going and growing year after year.

III. Hilltop's Two Seasons

Hilltop will operate a recreational site liquor license in two seasons, winter and summer. The winter season runs from November 1 to April 30. The summer season for the bike park runs from June 1 to September 30. Beer and wine will be served in the lodge and on the adjoining patio area during the hours that the lodge is open for each season.

IV. Hilltop's Plan to Safely Serve Beer and Wine

Hilltop has created a solid plan for the safe service of beer and wine in the lodge and attached patio area. Outside seating will be fenced and only the section inside the lodge that houses the eating and drinking tables will be drawn into the licensed premises. There will be no alcohol permitted outside the designated dining areas (indoor and outdoor). Hilltop has volunteer Mountain Hosts who patrol the hill in bright green coats. Mountain Hosts will assist staff in enforcing the prohibition on carrying beer or wine outside the designated service areas. Hilltop is designated as a municipal park and the Municipality of Anchorage Parks and Recreation Department fully supports its application.

V. Hilltop Qualifies for a Recreational Site License

Although Hilltop does not hold baseball games, car races, hockey games, sled dog racing, or curling matches, Hilltop is a recreational site as contemplated by AS 04.11.210. As the board

knows, Arctic Valley is another non-profit ski area in the Anchorage Bowl. Arctic Valley holds a recreational site license and serves beer and wine in conjunction with their recreational activities. Although Hilltop's bike park is breaking new ground for Alaska, we are confident that the manner in which the bike park is operated qualifies it as a recreational site for purposes of the statute.

Hilltop's application for this recreational site license enjoys the full support of the Municipality of Anchorage and the Hillside Community Council. In the wake of the devastation COVID-19 brought to our community, and the many hospitality businesses that fell prey to its destructive wake, Hilltop offers a bright spot of hope for fun and appreciation of Alaska's outdoors. The Hilltop Board is confident that the addition of wine and beer service in the lodge and on the patio will result in more adults visiting and supporting, both financially and with their presence, the continued evolution of the hill.

Hilltop expresses its appreciation to the Board for its consideration of its application for a recreational site license for the service of beer and wine in the lodge during the winter ski season and the summer bike park season.

Respectfully,
THE LAW OFFICE OF BRADLY A. CARLSON, L.L.C.
