MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: October 22, 2021

FROM: Carrie Craig, RLS with Kristina Serezhenskoy, OLE

Statutory & Regulatory Authority:

AS 04.11.100(b) Restaurant or Eating Place license
“A license may be issued under this section only if the board determines that the premises to be licensed are a bona fide restaurant or eating place.”

AS 04.16.049 Access of persons under the age of 21 to licensed premises
a) A person under 21 years of age may not knowingly enter or remain in premises licensed under this title unless
   1) accompanied by a parent, guardian, or spouse who has attained 21 years of age;
   2) the person is at least 16 years of age, the premises are designated by the board as a restaurant for the purposes of this section, and the person enters and remains only for dining;
   3) the person is under 16 years of age, is accompanied by a person over 21 years of age, the parent or guardian of the underaged person consents, the premises are designated by the board as a restaurant for the purposes of this section, and the person enters and remains only for dining

3 AAC 304.305 Restaurant or Eating Place License
a) In AS 04.11.100 and this section, a "bona fide restaurant or eating place" is an establishment, or portion of an establishment, where, during all times that beer or wine is served or consumed,
   1) the patron's principal activity is consumption of food; and
   2) a variety of types of food items appropriate for meals is available for sale as shown on a menu provided to patrons and filed with the board;

b) In considering an application for issuance, transfer, or relocation of a restaurant or eating place license, the board will determine the portion of the premises or proposed premises that constitutes a restaurant or eating place, and will license only that portion for the sale and consumption of alcoholic beverages.

3 AAC 304.910 Restaurant Definition
a) The board will use the following guidelines when determining what qualifies as a bona fide restaurant or eating place:
   1) the applicant demonstrates minimum standards for a kitchen to prepare food onsite, in accordance with 18 AAC 31.040(c) or municipal ordinance;
   2) the applicant provides a menu of food items, including entrees, that are regularly sold and prepared by the licensee on the licensed premises;
   3) the establishment has tables or counters for consuming food in a dining area on the premises; and
   4) the applicant includes a detailed plan to
      A. prevent access to alcohol by minors; and
      B. ensure that introduction or removal of alcoholic beverages is in compliance with AS 04.16.120.
**Background:** At the August 17, 2021 meeting, the board heard from staff, the applicant and their counsel, Sherman Ernouf and after discussion, the board voted to table the consideration of the transfer application pending more information regarding the proposed premises.

On August 31st, Director Klinkhart, Rick Helms and Carrie Craig meet with the applicant and Mr. Ernouf to review a proposal to remove the 4th floor from the proposed licensed premises, which staff was agreeable to.

**Previous Background:** At the July 9, 2019 ABC meeting, the board considered the transfer of a Restaurant/Eating Place license #5317 from NANA Management Services, LLC to Muse with Laura Cole (current transferor). Staff recommendation at that time was to ask the board to reduce the proposed licensed premises only to the restaurant area (in accordance with AS 04.06.090(c)) and approve the transfer.

At the time, Director McConnell had referenced the above statutes and regulations in the board memo and expressed concern that the operation of the license would not be compliant with the requirements for a Restaurant/Eating Place license, as well as the risk of museum patrons under the age of 21 and not accompanied by a parent or guardian entering the premises.

The board listened to testimony from Sherman Ernouf and Dan Coffey, legal counsel for the licensee, and Brian Steele (Deputy Director of Anchorage Museum) in which they said they understood the Director’s concerns but the premises had been licensed for years in a similar manner. They were concerned about the time and effort it would take to address statute issues and proposing changes with the legislature, so they asked the board to allow them to keep their previous approved licensed premises. The board unanimously agreed, but there were some concerns from Member Rex Leath with approving a license that did not seem to match the statute.

With this current transfer of ownership application in the Municipality of Anchorage, the applicant and their counsel are requesting a similar, yet slightly reduced licensed premises as the 2019 proposal.

**Staff Recommendation:**

Staff asks the board to consider the new proposed licensed premises, decide if it is in accordance with AS 04.06.090(c) and approve the transfer with delegation.

MEMO TO ALCOHOL BEVERAGE CONTROL BOARD

TO:  CHAIRMAN WALUKIEWICZ, MEMBERS OF ALCOHOL BEVERAGE CONTROL BOARD

FROM:  W. SHERMAN ERNOUF

RE:  ANCHORAGE MUSEUM (MUSE) PREMISES REDUCTION

DATE:  October 25, 2021

At the September 2021 ABC Board Meeting, the Board tabled consideration of the transfer of a restaurant eating place liquor license to the Anchorage Museum at the Museum’s request and due to concern voiced by the Board over the size of the premises being proposed.

After the Board meeting, we met with the Director and his team to discuss potential solutions to address the Board’s concerns. The outcome of the meeting was positive and we believe resulted in a solution that will work for the Museum, this Board, and which is appropriate under Title 4 of Alaska law.

First, the whole fourth floor has now been excluded from the premises diagram. As you will recall, this was one of the main concerns voiced by staff and this Board. This space been eliminated and will be utilized using catering and/or special events permits when needed.

Second, alcohol service will be contained to the Muse Restaurant and the Museum’s Kiosk/Atrium area. This area is a confined space which can be monitored and secured by the Museum’s roaming security team, food service employees who will be TAP trained, and by their security team monitoring video surveillance.

Lastly, private functions and events will occur in the Muse and in the Atrium and Kiosk areas. These private events would be for adults and no minors would be on the premises.

The Anchorage Museum respectfully requests approval of the transfer with the reduced premises discussed herein.
