FROM: Kristina Serezhenkov, OLE    RE: #1766 Hatcher Pass Lodge

Requested action: Consideration of transfer of ownership application for Beverage Dispensary license.

Statutory and Regulatory Authority:

Renewal; transfer of ownership; evaluation of the public interest under AS 04.11.360(1) and 3 AAC 304.180.

AS 04.06.090(b): “The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title.”

AS 04.11.040(a): “A license issued under this title may not be transferred to another person except with the written consent of the board.”

3 AAC 304.180. Denial, suspension, revocation, or refusal to renew or transfer, in the public interest:

(a) The board may consider the following factors in determining whether it is in the public interest to deny, revoke, suspend, or refuse to renew or transfer a license:

(1) the applicant’s, the applicant's affiliates', the transferee's, or the transferee's affiliates' histories of conviction of a felony in this state, the United States, or another state or territory during the 15 years immediately preceding the date of application;

(2) the applicant’s, the applicant’s affiliates’, the transferee’s, or the transferee’s affiliates’ histories of commission of

(A) a violation of AS 04 or regulations adopted by the board; or

(B) a violation of the alcoholic beverage control laws of another state, as a licensee of that state;

(3) whether the applicant, the applicant’s affiliates, the transferee, or the transferee's affiliates are untrustworthy, unfit to conduct a licensed business, or a potential source of harm to the public;

(4) whether the applicant, the applicant's affiliates, the transferee, or the transferee's affiliates have permitted, on licensed premises belonging to that person, the occurrence of sexual contact between persons; for the purpose of this paragraph, "sexual contact" means the touching of genitals, anus, or female breast or the intrusion of any object into the genital or anal opening regardless of whether the act was consensual; and
(5) all other factors the board in its discretion determines relevant to the public interest.

(b) A local governing body may properly protest an application under AS 04.11.480 using the factors set out in (a) of this section.
