Tailwind JNU LLC Tourism Statement

Tailwind JNU LLC operates the bar and restaurant facility in the Juneau International Airport, owned and operated by the City and Borough of Juneau, for which the liquor licenses are renewing.

To meet the needs of the Pre-Security and Post-Security customers, the dining facilities offer both dine in and grab and go options. Striving for customer satisfaction, Tailwind works hard to structure the drink menus with the best quality drinks and incorporate local spirits in our seasonal drinks when available.

Over the past few years, we have upgraded our kitchen equipment to be able to offer a wider array of food options as well as upgrading the seating, tables, televisions, and security.

We believe that our additions and improvements to the Juneau International Airport's concession program contribute to the overall passenger experience at the airport. Having a comfortable place to stop and enjoy a cocktail, beer or glass of wine with your meal only enhances the tourism experience in Juneau and all of Alaska.
