

MEMORANDUM

TO: Alcoholic Beverage Control Board DATE: September 02, 2022
FROM: Kristina Serezhenkov, OLE RE: #775 Nome Liquor Store

Requested action: City of Nome requests special conditions placed on license renewal and Nome residents submitted a letter of objection to the license renewal.

Statutory and Regulatory Authority:

AS 04.11.480(c) "A local governing body may recommend that a license be issued, renewed, relocated, or transferred with conditions. The board shall consider recommended conditions and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the recommended conditions and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board's permanent record of its review. If the local governing body recommends conditions, the board shall impose the recommended conditions unless the board finds that the recommended conditions are arbitrary, capricious, or unreasonable. If a condition recommended by a local governing body is imposed on a licensee, the local governing body shall assume responsibility for monitoring compliance with the condition, except as otherwise provided by the board.

AS 04.11.470: A person may object to an application for issuance, renewal, transfer of location, or transfer to another person of a license, or for issuance of a permit, by serving upon the applicant and the board the reasons for the objection. The board shall consider the objections and testimony received at a hearing conducted under AS 04.11.510(b)(2) when it considers the application. An objection and the record of a hearing conducted under AS 04.11.510(b)(2) shall be retained as part of the board's permanent record of its review of the application.

Staff Rec.: Review the City of Nome request to place special conditions on the renewal of license #775 and hold a hearing. Consider the objection letter received from Nome residents as well as the licensee's response letter.

Background: The 2022-23 renewal application (including a noted NOV received during the renewal period) was deemed complete on 11/22/2021. A temporary license was issued, and the application was scheduled for consideration at the 1/18/2022 Board meeting at which the Board approved the application with delegation. On 1/20/2022 our office received a timely letter from the City of Nome requesting conditions be placed on the renewed license. On 1/25/2022 our office received a letter of objection to the renewal of the license signed by several Nome residents. On 3/25/2022 our office

received a response letter from the licensee opining that no conditions should be added to the renewal of the license. At the 4/12/2022 Board meeting counsel for the licensee requested the tabling of the consideration of this renewal until the 6/28/2022 meeting. The Board continued discussion and the mayor and City Manager for the City of Nome attended and testified they would like to see uniform conditions on all package store licenses in the city. The Board then passed a motion to table the consideration of the renewal to the June meeting in Nome. At the 6/28/2022 Board meeting the Board again tabled the consideration until the 9/20/2022 meeting

Re: License No.: 775
Licensee: The North West Company [International] Inc.
D/B/A: Nome Liquor Store
License Type: Package Store

Dear Ms. Klinkhart:

This letter constitutes the City of Nome's recommendation that the above-referenced license be renewed subject to the following conditions:

1. Licensee shall employ and have on site (including the outside area immediately adjacent to 303 W. Front St.) security personnel (at least one person on duty during all operating hours).
2. Licensee shall not sell alcoholic beverages (other than beer or wine) in containers larger than .75 liter.
3. Licensee shall limit sales of alcoholic beverages to a single sale per person per day.
4. Licensee shall not sell that single person more than one container of alcoholic beverages (other than beer or wine) per sale.

These recommendations are made pursuant to AS 04.11.480(c). The basis for the recommendations is the high frequency of public intoxication observed immediately outside the licensee's premises and the unacceptable conduct resulting from that intoxication. Enclosed are summary statistics compiled by the City of Nome Police Department covering a period from 2017 through 2021. The Nome Police Department is responding either to calls at the licensed premises or the immediate vicinity between 953 and 1056 times per year. Of these 500-600 calls each year are

AMCO

JAN 20 2022

"There's no place like Nome"
www.nomealaska.org

either directly to 303 W. Front Street or to the Nome Visitors Center next door at 301 W Front Street.

The calls to the liquor store include responding to assaults and ambulance calls. The volume of responses to a single liquor store demands action intended to reduce the staggering amount of public intoxication that can be directly traced to sales from the licensed premises. The City believes that limits on the quantities and frequency of alcohol purchases as well as the presence of on site security is a reasonable condition to impose on the licensee in the name of public safety and the general welfare of Nome residents.

Please take these recommendations under consideration and advise me when the public hearing is scheduled. In advance, thank you for your attention to this request.

Sincerely,

CITY OF NOME

Alcoholic Beverage Control Board Members,

I am writing this letter in response to the Nome City Manager's recommendation regarding the renewal of package license # 775 (Nome Liquor Store). Mr. Steckman is requesting the Beverage Control Board impose four conditions as part of the renewal.

Alaska Commercial Company (AC) has been operating retail businesses in Nome since 1899 and has always prided itself on being an honorable community member. AC takes our accountability to sell alcoholic beverages very seriously. The store staff and manager work closely with law enforcement and the city council to help ensure all state and local laws are upheld. AC has taken proactive steps to reduce public intoxication in the community by limiting spirit sales and maintaining a 'no sell' list of community members that frequently abuse alcohol.

We believe this action towards our downtown license from the City Manager is unreasonable. The conditions requested to be placed on our Front Street location is ignoring the other two package stores in town and the numerous serve licenses on Front Street. Based on the city's recommendation, the other two package licenses will not have to adhere to the conditions.

The regulating of alcohol to include imposing sale limits, container sizes, monitoring of customers, security, etc. should be dealt with by city wide ordinances, not the Alcohol Control Board. The City Council could amend the Alaska title by ordinance to combat a high frequency of public intoxication in the community. This way all businesses that sell alcoholic beverages to residents would equally share accountability.

Subject: Protest Quick Stop Liquor License.

To Whom it may concern:

A call comes in on the pager: "Medic Request for a person who is breathing and unresponsive", at some location on Front Street Nome, on the seawall or the beach. Many times our EMS volunteers cannot respond promptly. The risk is great during freezing conditions for death or loss of limb or hypothermia for the passed-out individual.

Please refer to the Nome Police report showing emergency calls to different locations. The number are outrageously high.

The homeless street individuals have no place to relieve themselves, where do they go? Anywhere! This can result in a health hazard.

As I (We) understand for every three thousand residences one alcohol package license is allowed. Nome population is approximately 3,500 with three licensed alcohol stores. One or two licenses should be denied, starting with the Quick Stop.

I (We) strongly protest the Quick Stop alcohol package store license.

Respectfully Submitted.
