Good afternoon,

I have received the AB-29 forms and your request to the Board to consider waiving the fees and strikes against the licenses. I will need to collect the fees for these AB-29 forms but will add your request under Special Consideration on the agenda for the next Board meeting scheduled for 12/12/2022. If the Board approves the waiver of fees and the removal of the strikes against the licenses you will receive a refund of the fees.

The fees for each vessel are as listed below:

- #5056 - St. Michael- Common Carrier- Seasonal - \$250.00
- #5062 - American Eagle- Common Carrier Seasonal - \$250.00
- #5539 - St. Innocent- Over 10 Common Carrier Seasonal - \$50.00
- #5540 - St. Anastasia - Over 10 Common Carrier Seasonal - \$50.00
- #5060 - St. John- Common Carrier- \$500.00

I will reach out by telephone tomorrow for credit card payment or, if you like, I can ebill you for the amounts. If you would like an ebill please shoot me back an email to let me know.

Thank you,

Hello,

Attached are the AB-29 forms for our Allen Marine Tours boats that did not operate in 2022.

- #5056 – St. Michael
- #5062 – American Eagle
- #5539 – St. Innocent
- #5540 – St. Anastasia
- #5060 – St. John

We understand that this would typically be a strike against these licenses, however, these boats were unable to be operated due to the lingering effects of Covid on our company, our supply chains, and hiring challenges. We respectfully request that the Alcoholic Beverage Control Board consider waiving the strike and penalty fees for not operating these licenses in 2022. We continue to work hard to get all our boats back in service, but it was impossible this year.

Please let me know if these will be counted as a strike and whether we'll need to pay the fees typically charged for not operating a license. If we do owe fees, I can give a credit card number over the phone if someone would be available to call me.

Thank you for your consideration,
