DATE: May 11, 2022  
RE: #6034 49th State Brewing @ The Rail

Statutory & Regulation Authority:

AS 04.11.480(a) A local governing body may protest the issuance, renewal, relocation, or transfer to another person of a license by sending the board and the applicant a protest and the reasons for the protest within 60 days of receipt from the board of notice of filing of the application. A protest received after the 60-day period may not be accepted by the board, and in no event may a protest cause the board to reconsider an approved renewal, relocation, or transfer. The local governing body may protest the continued operation of a license during the second year of the biennial license period by sending the board and the licensee a protest and the reasons for the protest by January 31 of the second year of the license. The procedures for action on a protest of continued operation of a license are the same as the procedures for action on a protest of a renewal application. The board shall consider a protest and testimony received at a hearing conducted under AS 04.11.510(b)(2) or (4) when it considers the application or continued operation, and the protest and the record of the hearing conducted under AS 04.11.510(b)(2) or (4) shall be kept as part of the board’s permanent record of its review. If an application or continued operation is protested, the board shall deny the application or continued operation unless the board finds that the protest is arbitrary, capricious, and unreasonable.

AS 04.11.510(b)(1): “if an application is denied, the notice of denial shall be furnished the applicant immediately in writing stating the reason for the denial in clear and concise language; the notice of denial must inform the applicant that the applicant is entitled to an informal conference with either the director or the board, and that, if not satisfied by the informal conference, the applicant is then entitled to a formal hearing conducted by the office of administrative hearings (AS 44.64.010); if the applicant requests a formal hearing, the office of administrative hearings shall adhere to AS 44.62.330 — 44.62.630 (Administrative Procedure Act); all interested persons may be heard at the hearing and unless waived by the applicant and the board, the formal hearing shall be held in the area for which the application is requested”

3 AAC 304.145(h) “The board may uphold a protest of an application or continued operation with a single abeyance period not to exceed 180 days if the local governing body indicates that the protest is subject to rescission and that it will be withdrawn if the applicant meets conditions set by the local governing body. If the local governing body notifies the board within the period of the abeyance that the protest has been removed, the application or continued operation is approved when all other applicable requirements have been met. If the local governing body has not notified the board within the period of the abeyance that it has removed the protest, the application or continued operation is denied. The period of abeyance may not be extended or renewed.”
Background: This new Restaurant/Eating Place license application was deemed complete March 31, 2022. On May 11, 2022 the Municipality of Anchorage protested the new application pending approval by the Assembly of a special land use permit.

Staff Recommendation: Consider the Municipality of Anchorage protest and determine if the protest is arbitrary, capricious and unreasonable. If the protest is deemed not to be arbitrary, capricious and unreasonable then deny the application with a 180-day abeyance.
