### Form AB-02: Premises Diagram

#### Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all liquor license applications, per AS 04.11.260 and 3 AAC 304.185. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing. If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.

The second page of this form may not be required. Blueprints, CAD drawings, or other clearly drawn and marked diagrams may be submitted in lieu of the second page of this form. The first page must still be completed, attached to, and submitted with any supplemental diagrams. An AMCO employee may require you to complete the second page of this form if additional documentation for your premises diagram is needed.

This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete.

Yes No

I have attached blueprints, CAD drawings, or other supporting documents in addition to, or in lieu of, the second page of this form.

## Our Motto: **Fresh, Authentic Alaskan**

Palmer, Alaska is one of the only Alaskan communities to stem from an agricultural lifestyle. Established in 1916 for the Alaska Railroad's branch line to the Chickaloon coal mines, little development occurred until 1935 when 203 families reeling from the Great Depression relocated to Alaska with the promise of a better life.

The Matanuska Colony was one of more than 100 New Deal projects created by President Franklin D. Roosevelt to end nationwide unemployment and help Americans rebuild their lives. Although it began as an experiment, the success of farming in the Mat-Su Valley turned this area into Alaska's agricultural heartland. Due to an extraordinary growing season (fertile soil and 19 hours of summer daylight), the giant size of some vegetables has become one of the area's trademarks. World record setting cabbages and pumpkins are weighed-in every August at the Alaska State Fair.

Many descendants of the original colonists have remained in Alaska and are operating colony farms that grew much the food you're enjoying today! At the Raven's Perch, we find inspiration in the dedication and commitment of the hard workers of Alaska's farms.

### **This is where we source our food!**
