Mr. J Hamilton,

We have received attached the Enforcement violation letter from AMCO for the Liquor Store, package store license 469. The licensee, Dong Jae Choe, purchased and started operation in August 2022. He had two separate cash registers to segregate alcoholic sales and other item retail sales. However, he did not realize that he had to use separate register until he was caught by the enforcement.

Since we received the letter of violation, the Licensee took following actions.

1. Setup separate cash registers for retail and alcohol sale (pictures attached)
2. Ordered separate credit card processing machine through the processor, CDS, on 12/26/22. CDS told the licensee that new credit card processor will be delivered and installed by end of this week.

The violation was a result of licensee not understanding the requirement to have total segregation between alcohol and other item retail.

Please let us know if the licensee is required to take additional action to

RE: Notice of Violation Response
Received 12/24/2022
Licensee BARBIE'S LLC
License #5039

To Whom it May Concern,

Due to the holidays, Michelle Harding TAP #175668 will be unable to renew her TAP Card until after January 3rd, 2023. The renewal has been paid for in full (CON #36849) and she was hoping to have the renewal in hand before this response went out.

Until her TAP is renewed, she is only working early morning shifts starting at 5am. If she works past 10:00am and a table is ordering alcohol, she will relinquish the table to another server with a current TAP Card.

I have double checked the rest of my server's TAP Cards to make sure the rest are in full compliance and to avoid any further disruptions.

I will send a copy of the Notice of Violation and a current copy of her TAP Card as soon as Charr is open and able to process her renewal.

Hopefully this will address any concerns.

Please let me know if you need anything additional.

Best Regards,

Anchorage, AK 99501

Dear J. Hamilton,

We received a Notice of Violation #3AAC 304.525 (License #3304) on December 28th, 2022. The Notice is about an incident at our Red Robin Tikahtnu location restaurant (1190 N. Muldoon Road) that occurred on December 27th, 2022. The AMCO Case number is #22-2369. This letter serves to provide you with the actions we have taken at our restaurant to cure the violation and to prevent this type of incident from occurring again.

After receiving the notice, we reviewed all the other employees that work at this location to verify that all relevant employees have a valid unexpired TAP card not only on their person, but also on file in the office area located in the back of the restaurant. As an extra precaution, we engaged our payroll processor, ADP to generate a biweekly report indicating the upcoming expiration dates of current TAP's cards. This report will be reviewed by our Support Office each payroll cycle, to ensure that reminders are sent to the managers of our Red Robin locations about upcoming TAP card expirations.

The employee that was involved in this incident, Mr. Clayton Randolph, has been a very responsible member of our staff. He has taken immediate action to get his Alcohol Certification card. He is enrolled at the next available class to get that certification on Tuesday, January 10th, at 10AM. Mr. Randolph has also been instructed not to have any type of contact, cleaning, service, order taking, or inventory of anything containing alcohol, or to go behind the bar under any circumstances until his certification is completed. I will also send you a copy of Mr. Randolph's certification on Tuesday, after his course is completed.

We hope and trust that the actions we have taken will not only satisfy the AMCO with respect to this incident, but that it will strengthen our procedures to prevent this type of incident from ever occurring again.

Thank you for your understanding and consideration.

Sincerely,

James Mooney

To whom it may concern,

Hello, my name is Young Baek Lee, I am the owner of Ajimi Japanese Restaurant in Fairbanks, located on 69 College Rd. I am writing to you in response to the Notice of Violation I have received from you guys sent on 01/06/2023. For your reference the case # is as follows. AM 23-0022.

Special Investigator P. Moses visited our restaurant on 01/05/2022, upon discovering that the manager, Bok Ki Lee's TAP card was expired, the investigator advised us to rectify this situation by acquiring a new TAP card as soon as possible. Following this advice the manager has registered for the online webinar class scheduled on the 14th of this month, starting at noon and ending at four.

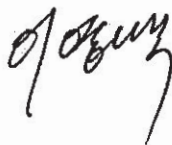

For this blunder, without a doubt there cannot be any excuse; however I must ask the board for some leniency. Like many other restaurants struggling in Alaska, we have been experiencing painful lack of workers and trouble hiring new staff through out and since the Covid 19 Pandemic, the manager hardly had any time off and though this does not excuse our mistake one bit, it slipped her awareness completely to this point.

As the owner and the licensee responsible for overseeing that everything we do as a company is correct by the laws of the state and city, I too owe the board an apology and in this writing I would like to express how deeply regretful and sorry I am. I can assure the board with absolute confidence that we have been serving our community with dedication to safety, all our workers are trained to ID everyone and to make sure our guests are drinking at our restaurant responsibly. It is my belief with strong conviction that we will not make this same mistake again; we simply cannot afford to and a violation like this is so uncharacteristic of us.

We are willing to do whatever it takes for us to assure you further and keep our license to sell wine and beer, it is crucial for our survival as a restaurant to continue making sales through alcohol.

If there is anything else we can do to fix this issue, please let us know.

Sincerely,
Young Baek Lee

Hello Mr. Hamilton

In response to the notice of violation for CARR's store 1805 located at 1650 W. Northern Lights BLVD in Anchorage, Alaska.

The employee Judd Molltca is an employee that was transferred to this location from our Muldoon store. He does have a valid TIPS card, however he as well as store management forgot to have the card sent to his new location (please see copy).

At CARR'S/Safeway we pride ourselves on making sure that we are following all laws when it comes to the purchase of alcohol as well as tobacco. We offer TIPS training once a month at our district office location (5600 Debarr). We have a schedule set and stores are sent a copy of this schedule monthly so that they can schedule employees for the training when needed. We also send them a list of upcoming expirations or new clerks, so they know who needs to attend the training. In our remote stores we set up training and one of our many trainers then travels to the store to do the necessary training.

As a precaution going forward our stores will be keeping a copy of all TIPS cards in our managers office's as well as a copy in our liquor stores.

I requested a copy of all required signage from your office a couple weeks ago and it was received. A set of the required signage will be sent to all our CARR's Safeway location next week.

Thank you for your time. If there is anything else needed from us, please let me know.

Hello Joe,

These are not valid work permits. We were contacted by the employer yesterday regarding 16 and 17 year old's not having permits. We informed her that work permits were required because alcohol was served on the premise and no minors could work unless they had an work permit approved by the Department. She assured us no minors would work until they had an approved work permit.

A review of our email shows these permits were submitted to our email box last night at 11:48pm, but they are waiting to be reviewed and have yet to be approved and sent to the employer.

I hope this helps. Let me know if you have any further questions.

**RE: AMCO Case Nos. 23-0114 and 23-0115
GMRI, Inc.'s Response to Notice of Violation**

Dear Mr. Hamilton:

I represent GMRI, Inc. d/b/a Olive Garden ("Olive Garden"). We are in receipt of the above-referenced Notice of Violation for our Olive Garden restaurants at Muldoon Road and Dimond Boulevard.

As an initial matter, we confirm that all employee records for each restaurant are either physically maintained in the restaurant or are accessible electronically by management from the restaurant. Our Compliance team at our Orlando, Florida headquarters has access to all employee records and regularly accesses the systems those records reside in to respond to information requests across the country. This is the most efficient method, not the sole method, to quickly retrieve responsive records and the reason why you received the records from Ms. Wood instead of directly from the restaurant.

Our goal is to ensure compliance with all applicable laws in the jurisdictions we operate in. As a result of the audit, our Compliance team is currently in the process of scheduling refresher training with the management teams of both restaurants to review the issues identified in the Notice of Violation and ensure that those violations do not recur.

Thank you for your professionalism. If you have any questions at all or would like to discuss our response further, please reach out to me directly at (407) 245-6056.

Sincerely,

Seth N. Rivera

Hello Joe,

These are not valid work permits. We were contacted by the employer yesterday regarding 16 and 17 year old's not having permits. We informed her that work permits were required because alcohol was served on the premise and no minors could work unless they had an work permit approved by the Department. She assured us no minors would work until they had an approved work permit.

A review of our email shows these permits were submitted to our email box last night at 11:48pm, but they are waiting to be reviewed and have yet to be approved and sent to the employer.

I hope this helps. Let me know if you have any further questions.

Can you tell me if these are valid work permits. I don't think they are, there is no stamp like I've seen before. Any help would be appreciated. Thank you.

**RE: AMCO Case Nos. 23-0114 and 23-0115
GMRI, Inc.'s Response to Notice of Violation**

Dear Mr. Hamilton:

I represent GMRI, Inc. d/b/a Olive Garden ("Olive Garden"). We are in receipt of the above-referenced Notice of Violation for our Olive Garden restaurants at Muldoon Road and Dimond Boulevard.

As an initial matter, we confirm that all employee records for each restaurant are either physically maintained in the restaurant or are accessible electronically by management from the restaurant. Our Compliance team at our Orlando, Florida headquarters has access to all employee records and regularly accesses the systems those records reside in to respond to information requests across the country. This is the most efficient method, not the sole method, to quickly retrieve responsive records and the reason why you received the records from Ms. Wood instead of directly from the restaurant.

Our goal is to ensure compliance with all applicable laws in the jurisdictions we operate in. As a result of the audit, our Compliance team is currently in the process of scheduling refresher training with the management teams of both restaurants to review the issues identified in the Notice of Violation and ensure that those violations do not recur.

Thank you for your professionalism. If you have any questions at all or would like to discuss our response further, please reach out to me directly at (407) 245-6056.

Sincerely,

Seth N. Rivera

Hello,

I have attached here TAP cards and renewal certifications. Currently, Muslije, Sami or Drenushe are always on premise between 10am - 8pm to serve alcohol. However we are requiring our 5 servers to obtain taps cards to be able to serve. Two servers are registered for the class this Tuesday and the remainder 3 are registered for the following week. Let me know if you would like proof of registration emailed.

We currently have two employees under the age of 18. One was just hired and her payroll paperwork is being processed tomorrow; I contacted her and let her know that a work permit will be necessary before she can resume. The second one has worked for us longer but does not have a work permit but only a food handler's card. This was my mistake as I was under the impression that she had received one from a work class she is enrolled in school. She is off until the end of January, and I have let her know she will need a permit before returning.

I sincerely apologize for our oversights and appreciate your time and patience.

I can be reached through this email or at (907)717-3255 for any questions or information.

Thank you

Subject: AMCO Case #: 23-0034 License 5822

Good afternoon,

This is a response the notice of violation for case 23-0034 for license number 5822.

We sincerely apologize for the stated violations and have required all of our current employees to obtain training and taps cards. I have attached the temporary certifications and a work permit for our employee who is 17 years old. Samantha Diocares, Ernest Hernandez, and Trenton Carreiro have obtained their taps cards on Tuesday the 11th, but don't return to work until tomorrow and therefore we don't yet have their copies. I have attached the copies we currently have to this email. I am also happy to print and mail physical copies if necessary.

Please let me know if any additional information is needed and once again we sincerely apologize for failing to pay closer attention.

Thank you for your time,
Sami Hukali
