Dear ABC Board and AMCO Director,

We formally request a change to the details of our SREPTL #15765 in relation to the service and employment of minors. We were under the false impression that our overlapping licenses would not allow minors to be on our premises. With the understanding that via AS 04.09.360 (f) we can:

allow a person who is at least 16 years of age but under 21 years of age to enter and remain on the licensed premises for dining only;

(2) to allow a person who is under 16 years of age to enter and remain on the licensed premises for dining only if

(A) the person is accompanied by a person who is 21 years of age or older; and

(B) the parent or guardian of the person consents to the person being on the licensed premises; and

(3) subject to AS 04.16.049, to employ or permit the employment of a person who is at least 16 years of age but under 21 years of age on the licensed premises if the employer provides adequate supervision to ensure that the person does not obtain alcoholic beverages.

We request the ability to do so. Following the above statutes we plan to allow minors to dine in our main dining area and the connected downstairs dining area during normal hours of operation. Minors will only be employed in the kitchen, not for food or drink service. Additionally, anyone appearing under the age of 40 is ID'd upon entrance, regardless of whether they order food or alcohol. Underage patrons will be identified and monitored by staff to ensure no drinks are furnished to them illegally. Our staffing areas have complete view of all dining areas.

Sincerely,

Evan Wood
