Tailwind JNU LLC Tourism Statement

Tailwind JNU LLC operates the Restaurant, Bar and Retail facilities at the Juneau International Airport, owned and operated by the City and Borough of Juneau.

Since beginning operations in 2018, Tailwind has strived to provide the optimal customer experience at the Juneau Airport. Over the years, we have upgraded our kitchen equipment to provide a wider array of Food and Beverage options to passengers, whether they have time for a sit down meal or only a few minutes to grab a packaged snack and drink. We constantly work with local vendors to provide seasonal menu and drink options for our passengers and to support the local economy. In addition to the kitchen equipment upgrades and ever changing menu options, to increase the passengers experience, upgrades to the seating (tables & chairs) in both the Pre & Post Security Restaurants, televisions and security cameras were installed.

Most recently, Tailwind JNU has expanded it's Retail operations to include a wide variety of travel essentials, souvenirs, apparel, and accessories to increase the passengers comfort and for them to pick up additional Alaska souvenirs to take home to friends and family.

Each year we strive to update and improve the concession program at the Juneau International Airport's and contribute to the overall passenger experience. Having a comfortable place to stop and enjoy a cocktail, beer or glass of wine with your meal enhances the tourism experience in Juneau.
