Alaska Alcoholic Beverage Control Board

## Form AB-41: Common Carrier Approval Registration

Why is this form needed?

**Registration Fee: \$1,250**

Per AS 04.09.750, a common carrier may not transport or deliver alcoholic beverages to a person in the state unless the ABC board has approved the common carrier.

In section two (2) of this form, a detailed diagram (or description) of the secure storage location where alcohol will be held (both prior to and after transport) is required. Your diagram (or description) must include dimensions and must show all entrances and boundaries of the premises and areas of storage.

In section three (3) of this form, you must describe how the carrier will verify age and obtain a signature of the recipient. You must also state where records of shipments of alcoholic beverages will be held and made available for inspection and audit by AMCO Enforcement.

Per AS 04.09.750(c) delivering alcoholic beverages to a person in the state shall ensure that the package containing alcoholic beverages is delivered directly to a person who:

- (1) Presents identification and acceptable proof of age under AS 04.21.050 showing that the person is 21 years of age or older; and
- (2) Provides a signature acknowledging that the person received the package.

Per AS 04.09.750(d) an approved common carrier shall make records of shipments of alcoholic beverages to persons in the state available for inspection and audit by the board.

---

Hello Kristina,

The Anchorage facility is on the airport and there is only controlled entry. Applying to all centers - all buildings are secured if no employees are on site. Please let me know if you have any follow up questions or comments. We will remain attentive.

Best Regards,  
James Trilling

Hello,

Can you provide a physical description of the 'outside storage' area for the Anchorage Gateway/Hub/Package Center. There is a small rectangle outline on the diagram but no other information. Does this area have any barriers around it such as a fence? Is the area monitored? This is an AOA area per your diagram but are there any other security measures for this outside area?

Thank you,

Kristina Serezhenkov

An aerial photograph of a commercial district. The image is oriented with a north arrow pointing towards the top-left. Several labels are overlaid on the image: 'Hwy 101' is at the top left, 'Boyle St' is written twice (once horizontally across the middle and once vertically at the bottom), and '1740 Boyle St' is written vertically. A red heart icon is placed on a large white building. A blue location pin icon is placed on a smaller white building. The area contains various commercial buildings, parking lots filled with cars and trucks, and some undeveloped land. The bottom edge of the image shows a dark, forested area.
