FROM: Kyle Helie, Licensing Examiner II

RE: License #847 Solstice Café; Reinstatement
request, 2024-2025 renewal application,
2026-2027 renewal application

Requested Action:

Consider the reinstatement of a license that expired for not completing the 2024/2025 renewal before February 28th, 2024. If reinstatement is approved, then consider 2024/2025 renewal, 2025/2026 renewal, first waiver of operation for 2024, and second waiver of operation for 2025.

Statutory and Regulatory Authority:

AS 04.06.090(b): Only the board may issue, renew, transfer, relocate, suspend, or revoke a license or endorsement under this title. The board shall review all applications for licenses and endorsements made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses, endorsements, and permits authorized under this title.

AS 04.11.540: . . . If a complete application for renewal has not been filed by February 28 or the required fees and the penalty fees have not been paid by that date, the license expires at 12:00 midnight February 28.

3 AAC 305.055. Reinstatement of license. (a) For the purposes of AS 04.11.540, if a license expires because an applicant fails to file a complete application for renewal or fails to pay the required renewal fees and penalty fees by February 28, the board will consider a written request to reinstate the license. A request to reinstate a license must include

- (1) the complete renewal application;
- (2) a license reinstatement fee of \$1,000;
- (3) all other required fees and penalty fees; and
- (4) proof of good cause for the applicant's failure to file the renewal application by

February 28.

(b) The board will deny a request for reinstatement of a license submitted under (a) of this section if

(1) the license became available in accordance with 3 AAC 305.040 and the license was issued to a different applicant, unless the limit of licenses under AS 04.11.400 has not been reached; or

(2) the board finds that the applicant's failure to timely file or pay was caused by

(A) the applicant's failure to notify the board of a change of the applicant's electronic mail address;

(B) a transfer of ownership of the business for which the license was issued without written approval of the board in violation of AS 04.11.040;

(C) a lease of the licensed business to another person in violation of AS 04.11.450(c); or

(D) any other action of the applicant, whether active or tacit, that the board finds constitutes a failure to lawfully operate the business for which the license was issued. (Eff. 1/1/2024, Register 248)

3 AAC 305.120. Waiver of annual operating requirement and minimum operating requirements.

(a) Except as provided in this section, the board will deny an application for renewal of a license or a license with one or more endorsements if the licensed premises were not operated for the time required under AS 04.11.330(a)(3) or (d).

(b) A licensee may submit a waiver application to the board to request a waiver of the operating requirement in AS 04.11.330 (a)(3) or (d). Under AS 04.11.330(a)(3), the board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises could not be operated for the required time during the preceding calendar year.

(c) A waiver application for a calendar year must be made in writing to the board and must be accompanied by the non-refundable application fee of

(1) an amount equal to one-half the applicable biennial license fee if a waiver application was not made for the previous year; or

(2) double the amount of the fee paid for the previous waiver application.

(d) A waiver application must include a statement from the licensee explaining why the licensed premises was not in compliance with AS 04.11.330(a)(3) or (d). The licensee must provide a copy of the waiver application to any local governing body with jurisdiction over the license and licensed premises.

(e) The board may deny a third or subsequent, consecutive application for waiver

(1) unless the licensee clearly shows that the licensed premises were not operated, because the premises were condemned or substantially destroyed by any cause; or

(2) the licensee holds a common carrier dispensary license and is a boat weighing over 1,000 tons;

(f) Absent circumstances to the contrary, the board will deny a third or subsequent, consecutive application for waiver in the event of condemnation or destruction of the premises if the premises identified on an applicant's license are not leased or owned by the licensee. Additionally, a third or subsequent consecutive application for waiver that does not identify a licensed premises location will be denied.

(g) The board may impose conditions along with the approval of a waiver application.

(h) If a waiver application is denied, an application for license renewal for the succeeding license period will be denied by the board under AS 04.11.330(a)(3).

(i) In addition to the application fee under (c) of this section, the applicant shall pay \$1,000 for an application that is received too late for board consideration at its last meeting of the calendar year for which the waiver is requested.

(j) In the event of the death of a licensee, destruction of the premises, or comparable circumstances showing extraordinary hardship, the board may waive the fees required under (c) and (i) of this section.

Background:

On February 20, 2024, AMCO received notice from the licensee, Westmark Hotels, Inc, stating that they do not wish to renew license #847 Solstice Café. AMCO staff reached out to confirm the surrender of the license on May 30, 2024. The licensee confirmed once again that they do not wish to renew license #847, and an expiration and mandatory cessation letter was sent on June 5, 2024. On October 23, 2025, legal counsel for the licensee inquired on how to file a reinstatement request for the license. Legal counsel for the licensee provided renewal packets for both the 2024/2025 and 2026/2027 renewal cycles, AB-29 Waiver of Operation applications, and appropriate payment for the reinstatement request.

There are no Safety Inspection Certificates for the Common Carrier routes that are licensed under Tour Alaska, LLC. Per the application instructions this pertains to Vessels and Airplanes.

Hello Kyle thank you so much!

The licensee requests to reinstate the license for the purpose of transferring it, with the Board's approval, to a new owner.

That was my mistake on the 2024/2025 renewal form! The license WAS operated 2022 and 2023. Please see attached updated 2024/2025 renewal form to fix this.

Alaska Alcoholic Beverage Control Board

Form AB-29: Waiver of Operation Application

Why is this form needed? A licensee must request that the Alcoholic Beverage Control Board waive the operating requirements of AS 04.11.330(a)(3) or (d). If a recreational site license, a theater license, a common carrier dispensary license, or a sporting activity or event license did not operate at least once during a calendar year, or if a license of any other type did not operate for at least 240 hours in a calendar year, this application (and corresponding fees upon request) must be submitted for the calendar year, per 3 AAC 305.120. *A waiver application does not apply to Manufacturer Direct Shipment license*.

This application must be accompanied by a non-refundable waiver application fee of:

- for a 1st request, an amount equal to ½ the applicable biennial license fee; or
- for a 2nd or subsequent request, double the amount of the fee paid for the previous waiver application.

The ABC Board will review your statement to determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises could not be operated for the required time during a calendar year. The ABC Board may impose conditions along with the approval of an application for waiver of operation. If an application for waiver of operation is denied, an application for the license renewal for the succeeding license period will be denied by the Board.

In addition to the waiver application fee, the applicant must pay a late fee of \$1,000 for an application that is received too late for Board consideration at its last meeting of the year for which the waiver is requested. **Please check AMCO's website for meeting agenda and waiver deadlines.**

Please note that a licensee must submit a separate completed copy of this form and pay a separate corresponding fee for each license and for each calendar year during which a license was not operated in compliance with AS 04.11.330. Listing more than the one license will not be accepted.
