Section 3 – Reason for Non-operation

Provide an explanation as to why the licensed premises were not operated:

Alaska Premier Auctions and Appraisals LLC, recently purchased a facility at 325 W. Potter Drive with the intention of transferring the license to this location. We procured architectural plans to add an additional secure permitted room inside of our facility which would become the Package Store, however we were unable to execute on this addition due to the budgetary constraints of completing capital improvements financed through Wells Fargo and the Small Business Administration.

Unfortunately the improvements far exceeded the estimate our contractor had initially provided. Since we've already filed for two waivers of operation for 2023 and 2024, we have pivoted our business away from liquor sales and therefore there were zero hours of operation for this license in 2025.

We are actively in the process of negotiating with a potential buyer with the intent to file a transfer application before the end of 2025, should this sale fall through we will be actively marketing for transfer of the license as soon as possible to a new buyer.
