Friends By The Ocean LLC Winery Security Plan

1. Introduction

Friends By The Ocean LLC is dedicated to creating a safe and secure environment for our customers, staff, and assets. This security plan outlines the measures and protocols we will implement to ensure the safety of our operations and compliance with all regulatory requirements for obtaining an alcohol license.

2. Security Personnel

2.1 Staffing

- We will employ a professional security team that includes:
 - One full-time security manager responsible for overseeing all security operations.
 - Two part-time security officers during regular business hours.
 - Additional security personnel for special events and peak seasons.

2.2 Training

- All security personnel will undergo comprehensive training, including:
 - Basic security and surveillance techniques.
 - Conflict resolution and de-escalation methods.
 - Emergency response procedures, including fire and medical emergencies.
 - Alcohol service regulations and compliance training.

3. Surveillance and Monitoring

3.1 Monitoring System

- A state-of-the-art monitoring system will be installed, covering:
 - Entrances and exits.
 - All consumption areas.
 - Storage areas for alcohol.
 - Exterior premises.

3.2 Monitoring

- Footage will be monitored in real-time by security staff.
- Recordings will be stored for a minimum of 30 days for review in case of incidents.

4. Access Control

4.1 Entry Points

- All entry points will be controlled and monitored, including:
 - Secure access doors with keyed entry for employees.
 - Guest entrances monitored by security personnel during operating hours.

4.2 ID Checks

- Customers will be required to show valid ID before being served alcohol.
- Staff will be trained to recognize and handle fake IDs.

5. Alcohol Storage and Handling

5.1 Secure Storage

- Alcohol will be stored in a locked, secure area accessible only to authorized personnel.
- Inventory will be regularly audited to prevent theft and ensure accurate record-keeping.

5.2 Handling Procedures

- Alcohol will be handled following strict protocols to prevent unauthorized access or tampering.
- Employees will be trained in proper handling and storage practices.

6. Emergency Response Plan

6.1 Fire Safety

- Smoke detectors and fire extinguishers will be installed throughout the premises.
- Staff will be trained in evacuation procedures.

6.2 Medical Emergencies

- First aid kits will be available at strategic locations.

6.3 Incident Reporting

- All incidents, including security breaches and accidents, will be documented and reported to the security manager immediately.

7. Crowd Management

7.1 Event Security

- For special events, additional security personnel will be hired to manage larger crowds.

7.2 Customer Conduct

- Clear guidelines on customer behavior will be displayed, and disruptive individuals will be dealt with promptly and professionally.

8. Regulatory Compliance

8.1 Adherence to Laws

- Friends By The Ocean LLC will comply with all local, state, and federal regulations regarding alcohol service and security.

9. Community Relations

9.1 Transparency

- An open line of communication will be maintained with local authorities, and any incidents will be promptly reported to the appropriate agencies.

10. Conclusion

The security plan for Friends By The Ocean LLC winery is designed to create a secure environment that prioritizes the safety of our customers, staff, and assets. Through rigorous training, comprehensive surveillance, strict access control, and adherence to regulatory requirements, we aim to ensure a safe and enjoyable experience for all. This plan will be reviewed and updated regularly to adapt to any emerging security challenges and ensure continued compliance with all relevant laws and regulations.
