Outside Service Plan - La Casa de Monana

We have a small area just outside the restaurant where people can enjoy beer and wine. Our plan to ensure that minors do not gain access to alcohol is as follows.

- 1) The area will be cordoned off with a rope or chain.
- 2) We will include all requisite signage telling people they cannot take open containers outside the area and that minors may not consume alcohol within the area.
- 3) The wall leading to this area is comprised of a series of large windows, giving full view of that area to anyone working the cash register or the bar. Staff will frequently take food out to the area and clean tables when guests leave. At all times, staff will be on the lookout for inappropriate conduct in the outside service area. First and foremost, they will be checking to ensure that no minors consume alcohol.
