TAB 5

Per AS 04.06.090(h), the Board may now "within 30 days after the introduction of a bill amending a provision of this title or adding a new provision to this title, prepare an advisory opinion regarding the changes proposed in the bill." Should time allow, there are two current legislative bills that are likely of interest to this Board:

[HB 68 \(ALCOHOL: SALE, WARNING SIGNS\)](#)

[SB 15 \(ALCOHOL: SALE, WARNING SIGNS\)](#)

Lizzie Kubitz speaks to the director's report. She introduces Kevin Richard, the new AMCO Director. Kevin Richard speaks to his background. Lizzie speaks to the legislative session being held and some of the items for consideration that do impact alcohol statutes. There is mention of the empty board seat for public safety which Sara Chambers speaks to. This individual needs to be a person that has a public safety background. Kevin Higgins clarifies what qualifies as public safety background.

● **LICENSING STATISTICS**

TAB 6

B. Notices of Violation Issued and Licensee Responses

TAB 8

The board accepts the NOV report. No questions.

● **Division of Motor Vehicles: State Issued Identifications**

1:00 PM

Dana Walukiewicz introduces Lauren Whiteside from the DMV to speak on the DMV's new mobile app.

Lauren Whiteside talks about the new DMV mobile app. system being released shortly. Bruce Abbott (Brown Jug) brought to light the possible issue of AS 04.21.050(b). "Encased in plastic" is the problematic portion of the statute. Lauren lightheartedly says that phones are predominantly plastic so that would count.

A conversation ensues regarding the app. being consent based. Concern was raised about what information is displayed since the app. is consent based. If a licensee or an employee is questioning whether or not to sell to an individual, the default would be to ask for the physical ID. Everyone would still be required to carry their physical ID even if they utilize the mobile app.

Kevin Higgins clarifies that under AS 04.21.050 the information that needs to be contained in the license is the photo and the date of birth.

The demonstration failed due to technical difficulties and Lauren Whiteside offers to demonstrate at a later date.

● **PETITION UNDER AS 04.11.405.**

- **Haines Borough petition for additional Restaurant or Eating Place Licenses**
Board to hold a public hearing as required by AS 04.11.405(b)

TAB 9

Haines Borough has petitioned the ABC Board for an additional 6 REPL's. By opening this item up, this will be considered the formal public hearing.

Nolan Woodard of Alpenglow Woodfired Pizza speaks to his part in starting this petition.

A lengthy conversation begins with pondering how the number of requested additional REPL's came to be 6 specifically. Originally Haines Borough requested 10 additional REPL's. There was confusion as to how many times and in what timeframe there could be additional requests going forward.

Kevin Higgins provides clarity stating that AS 04.11.405(d) If the board grants petition for additional restaurant eating place licenses to a municipality. The board may not authorize additional restaurant eating place licenses to the same municipality under this section for the following year.

Kristina Serezhenkov states the current number of active licenses in Haines (both REPL's and BDL's).

There is a desire to hear from the local government about the public meetings, and the type of announcements that were made. Rebecca Hilton speaks to the public meetings and announcements that occurred regarding the additional REPL's.

Paul Thomas of Alaska Cache Liquor speaks to the problem of issuing the additional 6 licenses. He goes on to explain that Haines shouldn't be able to ask for 400 times the number of licenses that are already currently active.

Sarah Oates Harlow from Alaska CHARR speaks to the process to reapply for additional licenses. If they increase the number of allowable REPL's by 300%, there is a mechanism to apply for more but not one for taking them away. There is an open regulations project regarding the confusion for applying for the additional licenses that she would like to be seen through before issuing more licenses. She suggests that the board issue the one additional license and then encourage the other interested businesses to apply for a Seasonal REPL Tourism license and have the municipality of Haines reapply for additional licenses in another year when they have more businesses that are ready to operate year-round.

Diane Thompson asks Kevin Higgins about the status of the regulations project.

Kevin Higgins states that there's a directive, but there's no draft started.

Tom Morphet, the Mayor of the Haines Borough speaks to his opinion of this process taking a disproportionate amount of time for a reasonable request. He supports the efforts of Mr. Woodard and the additional licenses.

Motion by Doug Moore to close the public hearing. Second by Diane Thompson. 4-0. Motion passes.

There is a question contemplating if the Board could consider granting less than the additional 6 REPL's. Kevin Higgins states that the Board may grant less than the number requested. There is a conversation about how many licenses should be considered.

Jan Hill takes a moment to speak to her community and the effect that additional licenses could have on rural/small communities like hers. She discloses that she was part of the Title IV rewrite committee representing tribal health. She expresses concern and states that she cannot support 10 additional licenses or even 6. She goes on to pull from her experience as Mayor of Haines to say that the best way to boost the economy in Haines would be to start supporting some of the opportunities that have been presented to create a more stable economy. Some examples of this would be supporting year-round businesses and creating year-round operations and year-round development that would provide good paying jobs for people in the community. Until that happens, she cannot support 6 additional licenses but would consider supporting a lesser number.

Kevin Higgins asks the Board to consider including a specific date when the licenses will become available if they decide to approve additional REPL's citing 3 AAC 305.040. That way, when the first application is received, that will trigger a 30-day period for other applications to be considered. Then, if it comes down to a coin flip, then the timelines are clear.

The Board discusses the possibility of approving a lesser number of licenses.

Kevin H. speaks to 3 AAC 305.100 in regard to competing applications. He goes on to talk about 3 AAC 305.040.

Motion by Diane Thompson to approve the Haines Borough Petition for 2 additional licenses effective March 1, 2025. Doug M. second.

Sarah Chambers asks for clarification on what it means to be able to apply for another petition the following year. Would that mean calendar year, or would it be specific date to specific date?

Kevin Higgins says he would need to do some research to answer that question to see if the Supreme Court has weighed in on that type of question. That type of question will fall under section AS 04.11.405(d).

Diane Thompson would like to have something in regulation before they approve more petitions.

Dana Walukiewicz agrees, but then again, the statute is there too, and this is what the legislature has allowed for. He agrees that more guidance would be helpful.

Jan Hill agrees with the other board members desire for more guidance on this subject. She expresses her appreciation for the compromise and hopes that this works with the community.

Vote 4-0. Motion passes.

Adjourn 12:30pm

Back at 1:34pm Completed tab 9, back up to DMV (no tab), directly after tab 8.

● **3rd AB-29 WAIVER OF OPERATIONS WITH 2025-2026 RENEWAL**

	Local governing body:	Municipality of Anchorage	
	Consideration:	2 nd & 3 rd AB-29 Waiver of Operations with 2025-2026 Renewal	

Dana Walukiewicz points out that there is a typo on the agenda for Humble Roots Beer Project on tab 11. The local governing body on the agenda shows Municipality of Anchorage, it is in fact in Fairbanks North Star Borough.

Talon Mensik owner/operator with Humbe Roots speaks to the reason for the waiver of operations, predominantly being construction issues. They are hoping to be open by April 2025.

Motion to approve 3rd waiver and 25-26 renewal with delegation by Jan Hill. Second by Doug. 4-0. Motion passes.

● **FIRST TIME LICENSE TYPE CONSIDERATION**

● BEVERAGE DISPENSARY TOURISM LICENSES WITH OR WITHOUT ENDORSEMENTS

A.	License # 16581:	Miller's Landing	<u>TAB 15</u>
	Licensee:	Miller's Landing, Inc.	
	License type:	Beverage Dispensary Tourism	
	Premises address:	13880 Beach Drive	
	Local governing body:	Kenai Peninsula Borough	
	Consideration:	New License Application, Requirements of Beverage Dispensary Tourism license type regarding population count/room count, Restaurant Endorsement, Multiple Fixed Counter Endorsement, Large Resort Endorsement	
	Pending approvals:	Local Government, DEC, Fire Marshal, Background Check	

Jana Weltzin as legal counsel speaks to the application being very tourism heavy. Explains how the number of rooms available for rent was calculated.

Tom Miller speaks to the room count and café capabilities. Speaks to the rooms within the cabins being available for rent, not just the cabin as a whole unit.

Motion to approve the beverage dispensary tourism license, large resort endorsement, multiple fixed counter endorsement, and restaurant endorsement with delegation by Doug Moore. Jan Hill second. 4-0. Motion passes.

C.	License # 16812:	Raven's Perch at Alaska Glacier Lodge	<u>TAB 16</u>
	Licensee:	Alaska Glacier Lodge, LLC	
	License type:	Beverage Dispensary Tourism	
	Premises address:	29979 East Knik River Road	
	Local governing body:	Matanuska-Susitna Borough	
	Consideration:	Requirements of Beverage Dispensary Tourism license type regarding airport terminal vs heliport.	
	Pending approvals:	Local Government, DEC, Fire Marshal	

Chad Emswiler representing Alaska Glacier Lodge. Speaks to having an REPL, 22 cabins and full lodge building that is divided into an upper restaurant as well as a lower terminal area. He mentions that there are helicopter tours to the glacier, dog sledding and paddle boarding activities. Explains that the application is based on the airport terminal requirement of this license type since the heliport is defined as an airport by the FAA. They meet the full definition of an airport under CFR 14, part 139. They are in full compliance with CFR 14 part 1-1 and have a full terminal downstairs. There's a gate open to the public to enter but then a controlled security area similar to, or the same as, an airport. Over 15,000 passengers going through the heliport per year.

Eli High the general manager of Alaska Glacier Lodge explains that there are 8 helicopter pads and 1 primary loading pad that they land on and then the guests are escorted out of the building to the helicopter in order to depart.

Kevin Higgins brings the attention of the board to the statutory requirement of promoting the construction or improvement of an airport terminal in AS 04.09.350.

Chad Emswiler states that they have an additional tourist facility that are a row of 7 cabins that they intend to build to further facilitate the operation of the lodge. The sewer is already in place for those additional cabins.

Eli High walks the board through a virtual tour of the facility.

Motion to approve license 16812 with delegation by Diane Thompson. Second by Doug Moore. 4-0. Motion passes.

Sarah Oates asks the board for guidance as to what would qualify an application as a heliport.

Dana Walukiewicz cites the detailed discussion that transpired and the volume of passengers/flights going through this facility as evidence to show that the applicant qualifies as a heliport. He further states that the applicant has made a significant investment and the number of aircraft that they have running in the facility adds to the validity of the application.

● NEW RESTAURANT OR EATING PLACE LICENSES

A.	License # 16348:	Bleu Sage Noshery	<u>TAB 17</u>
	Licensee:	Bleu Sage, LLC	
	License type:	Restaurant or Eating Place	
	Premises address:	3002 Spenard Road #101	
	Local governing body:	Municipality of Anchorage	
	Consideration:	New License Application, 2 Alcohol Serving Counters	
	Pending approvals:	Local Government	

Motion to approve the REPL license 16348 with delegation by Dana Walukiewicz. Second by Doug Moore. 4-0. Motion passes.

B. License # 16527:	Devil's Club Brewing
Licensee:	Devil's Club Brewing LLC
License type:	Restaurant or Eating Place
Premises address:	100 N. Franklin St., Juneau
Local governing body:	City and Borough of Juneau
Consideration:	New License Application, Overlapping Premises
Question for Board:	Pending SRPTL application
Pending approvals:	Local Government, DEC

TAB 18

David McCasland asks if the new REPL application for Devil's Club Brewing is part of the new REPL's that Juneau has petitioned for.

Evan Wood inquires if this is a public hearing and asks that this application be heard before opening to public testimony.

Jane Sawyer clarifies that Juneau has not submitted a petition for additional REPL's at this time.

Kevin Higgins states that he believes the license became available because of an expiration after a non-renewal.

Jane Sawyer speaks to the population count.

Kevin H. cites and reads regulation 3 AAC 305.900.

Dana Walukiewicz asks for clarification about the two seasonal REPL's as well as the REPL application that is before the board.

Evan Wood speaks to his applications and license saying that that there is a current seasonal REPL that was operated the previous summer. He then went ahead and applied for another seasonal REPL out of caution. He goes on to state that through correspondence with the AMCO office it is clear to him that if he is granted the year-round license, the seasonal REPL that is currently held would be surrendered and the application for the unprocessed seasonal REPL will be rescinded.

Sarah Oats states that the population count should've been done July/August 2024. Latest one was done in January of 2024. Potentially affecting all local governments in Alaska.

Dana Walukiewicz recounts testimony that the information for the basis of the population count had been coming out late.

Sarah Oats states that even if it's out late, the population data is still supposed to be processed in July of 2024, no later than August 2024. The population count hasn't been done since January 2024.

Kevin Higgins speaks to talking with former Director Wilson in the July/August timeframe reminding her about the due dates and the license becomes available under 3 AAC 305.040. Going forward, that is something the board can certainly offer direction on, Director Richard would be able to formulate his own plan as he gets his feet under him. Between now and July/August, when the new determinations have to be made.

Jane Sawyer states that the Juneau population changed from 2023-2024 and generally takes about 10 months to get those numbers out. That being said, the office likely wouldn't have had that in July of 2024. The population changed by about 200 people and those 200 people reduce the number of licenses available. This change would come up next year when the director is supposed to make that determination.

Kevin Higgins states that the confusion is coming from the different numbers in different places.

Dana Walukiewicz agrees and says that yes, the confusion is not stemming from the process.

Motion to approve the new REPL with delegation and the condition of surrendering of the current SREPLT and to rescind the application for the additional SREPLT by Dana Walukiewicz. Second by Jan Hill. 4-0. Motion passes.

D.	License # 16588:	Wei Restaurant	<u>TAB 19</u>
	Licensee:	Wei, LLC	
	License type:	Restaurant or Eating Place

Summary of November 19, 2024 meeting minutes:

Request to table tab 20 (4th waiver request license #4747, Howling Wolf Brewpub), requested by legal representative/licensee who was unable to attend the meeting.

Patrick Phillip with Carlson Law Group speaking to contractor issues, ongoing construction and financing issues. The licensee is anticipating operating later this year. He mentions that there is a transfer application to a food truck.

Kristina Serezhenkov from AMCO states that she is working this transfer application and that it is nearly complete.

Motion to approve the 4th wavier of operations for license 4747 by Jan Hill. Second by Diane Thompson. 4-0. Motion passes.

● **2024-2025 Renewal with Restaurant Receipts Affidavit under AS 04.09.210(e)**

A. License # 6027	UCP 49 LLC	<u>TAB 59</u>
Licensee:	UnCommon Pizza	
License type:	Restaurant or Eating Place	
Premises address:	401 Chief Eddie Hoffman Highway	
Local governing body:	City of Bethel	
Consideration:	Restaurant Receipts Affidavit under AS 04.09.210(e)	

Summary of November 19, 2024 meeting minutes:

Sherman E. counsel for licensee and Grant K. available in person to speak on the background of the affidavit submitted where less than 50% of revenues came from food. They speak to taking the issue very seriously. Sherman E. provides background to the specifics of the license in the community of Bethel. Grant K. speaks on the focus of building out the menu and educating the staff. They will also be looking at the hours of alcohol service. Dana W. asks about establishing a policy of requiring food purchase with alcohol sales. Grant K. says that they are looking at that and would consider a policy like that. No excessive calls regarding overservice and no NOV's. Doug M. expresses concern with the license being used as a quasi-bar.

Kevin H. brings up AS 04.11.510 (a), 04.11.580, 04.09.210, as a point of consideration. Licensee would be ok with this item being tabled. Tabled.

Grant Keener speaks to the history of the license and the lack of local government protest of the renewal of this license. He states that they are confident that this will not be a continuing issue.

Sherman Ernouf speaks as legal counsel to the unique situation where the community of Bethel has 2 licenses that are both having similar issues. Both of which have been put on notice that the board isn't happy. This license is halfway through another renewal year and will be back in front of the board again in another year. He goes on to suggest that the board give the licensee the chance to continue on the improvement route. He mentions again that the licensee has the community's support.

Motion to approve 2024-2025 renewal with restaurant receipts affidavit as submitted for license 6027 with delegation by Diane Thompson. Second by Jan Hill. 4-0. Motion passes.

● Local Government Protest

5860 Magnetic North Brewing: Protest of 2024-2025 Renewal pending certification from Land Use

TAB 60

Summary of September 10, 2024 Meeting Minutes:

Jeremiah C. speaks to the history of the conditional land use permit.

Dana W. informs the licensee that the board would acknowledge the protest and deny with 180-day abeyance period.

The Board decides to table the discussion until the next meeting November 19th in Anchorage (this was missed for the November meeting and is to be considered at the February meeting).

Jeremiah Christian speaks as licensee to hiring Scope Permitting and Engineering, they did clear this up and he says that they have a CCO. There was a hanging line item on an old permit that didn't get closed. They have the CCO and it is active now.

Jane Sawyer states that the office hasn't received the lift of protest from the Municipality.

Dana Walukiewicz states that without the lift of protest the board would need to deny the protest with 180-day abeyance to lift the protest. The licensee will need to follow up with the Muni to clear this up.

Motion to deny the renewal with 180-day abeyance by Jan Hill. Second by Diane Thompson. 4-0. Motion passes.

END OF ENDORSEMENTS

● **PROTESTS**

Summary of November 19, 2024 meeting minutes:

Doug M. states that he'd also like to make a comment that the Kodiak can certainly come back in the future. There is going to be an option here, because this obviously sounds like there's going to be a transfer. It sounds like there are 2 REPL's in Kodiak that are not functioning anymore, but he doesn't feel like this is the correct process.

Jan H. states that she agrees with the comments she's heard.

Diane T. makes a motion to deny the City of Kodiak's protest of the continued operations of license 2611. Doug M. second. Motion passes. 4-0. The City of Kodiak's protest is denied.

- Licensee: Sook C. Yun
- Status of license: Active (2024-2025) – temporarily surrendered
- Consideration: Kodiak Island Borough Protest of

TAB 61

Continued Operations Under AS 04.11.480 of 2025 operating year.

A lengthy recap of the multiple protests from both the City and Borough of Kodiak takes place with Kristina Serezhenkov from the AMCO office summing up by saying that the City of Kodiak initially protested and AMCO reached out to the Kodiak Island Borough to see if they were also going to protest and at that time they chose not to. Following the November Board Meeting they then chose to. In addition, in the last day or two the City of Kodiak has lodged a protest of the renewal of license 3293. That most recent protest did not make the agenda for this meeting because there was not enough time to notify the licensee of that. That protest will be potentially heard at the April meeting.

Kevin Higgins reads out AS 04.11.480(e).

Dana Walukiewicz and Kevin Higgins discuss the standing of the protests. Dana Walukiewicz goes on to say that given the discussion, the understanding is that the Assistant Attorney General's interpretation is that the Kodiak Island Borough doesn't have the standing to protest the continuing operations. The Title IV rewrite language that they're referencing only applies to the initial issuance, renewal, relocation, or transfer and not the continued operations.

Motion to deny the jurisdiction of the Kodiak Island Borough's protest based on interpretation of AS 04.11.480(e) as not having standing made by Diane Thompson. Second by Jan Hill. 4-0. Motion passes. Protest denied.

Consideration:	Kodiak Island Borough Protest of renewal of license for license cycle 2024-2025 (including 1 st and 2 nd waivers of operation).	

Dana Walukiewicz asks if this would fall under the same circumstances as the previous tab.

Kevin Higgins explains that this circumstance is slightly different because the City of Kodiak has not protested the continued operations of this license (3293) like they had with license (2611). So, this protest would fall under AS 04.11.480(a) where if something's filed before January 31st then it can move forward.

Aimee Williams from the Kodiak Island Borough speaks to the basis of the protest of license 3293. One, the building official and assessing director have protested due to the business no longer operating at the license address. Two, the business location has been renovated without the required permits from the City of Kodiak. Three, the location is reported by the fire marshal to be noncompliant with the fire inspection requirements. Four, there has not been an active State of Alaska business license since 2022.

Kristina Serezhenkov from AMCO informs the board that the number of REPL's allowed in Kodiak are 4 and they have 4.

Dana Walukiewicz responds to say that if this renewal were denied, then the license would become available to the public.

Kevin Higgins mentions that the licensee and the transferee would both have standing to request a hearing if the protest were upheld.

Kristina Serezhenkov from AMCO speaks to mentioning earlier that AMCO has received the protest of the renewal of license 3293 from the City of Kodiak and because it was just received days prior, and that is why it was unable to make it to this meeting. That protest would keep the board from renewing the license and therefore transferring it until that protest was heard. This is because the license would have to be renewed in order to transfer it.

Stephani Kim speaks to the desire for the license to be operated as well and that is why the transfer was submitted. She speaks to the history of the licenses and refers to the documents that were submitted to AMCO and are included in the various tabs.

Dana Walukiewicz and Kevin Higgins discuss the regulations regarding protests of this nature. Legislature took into consideration the waivers of operations when writing the regulations. This type of protest is usually looking at licensees that are not operating appropriately, overserving, too close to a school, or have had too many instances where the police have been called because of disturbances.

There is a discussion amongst the board consisting of the merit of the protest considering the waivers being submitted as well as a transfer application citing that the processes outlined in statute and regulations seems to have been followed. It is pointed out that based on the transfer application being submitted, there is an intention to allow a new owner to operate the license.

Dana Walukiewicz and Kevin Higgins speak to the possibility of reconvening the meeting or having a special meeting dedicated to this topic.

Kristina Serezhenkov brings to the attention of the board that the transfer application was deemed complete at the beginning of January and sent to the City and Borough of Kodiak. AMCO has not received a response from either and the protest period will be ending on March 9th.

Motion for tab 62, 63, and 64 to be tabled until a date to be determined no earlier than March 1, 2025, which will be determined by call of the board by Doug Moore. Second by Diane Thompson. 4-0. Motion passes. Tabs 62, 63, and 64 are tabled.

● ALCOHOL MAILBOX

TAB 65

Correspondence received in the board inbox from November 8, 2024, through January 24, 2025.

After the legislative items, the board circles back to the mailbox. Speaks to Trivia.

Sarah Chambers addressed the Chairman to say that legislature is actively meeting on these bills, and the board will need to speak with one voice on these bills and will therefore require discussion of these legislative items and it seems fairly time sensitive.

Dana Walukiewicz asks of the board if their desire is to discuss the legislative items before the alcohol inbox. The board agrees to discuss the legislative items before the alcohol inbox.

● LEGISLATIVE ITEMS

- SB15
- HB68
- Potential Changes to Title 4 regarding identifications (Tabled)

TAB 66

TAB 67

Dana Walukiewicz gives a brief summary of SB15 and its history. He speaks to how it was introduced last year and got approved by both the Senate and House but failed because it was voted and approved on just after midnight. It got reintroduced. Previously, this board has taken a position in support of it. He goes on to say that the additional language says that alcohol can cause cancer, including breast and colon cancers. Essentially there are 3 signs required that are to be posted on each licensed premises and with the added language that should be reduced to 2 signs.

Motion to support House Bill 68 and Senate Bill 15 with language identifying 2 different effective dates. One immediate on the appointment of working persons under 21 years of age and a delayed effective date for limitation of changes to signage by Diane Thompson. Second by Dana Walukiewicz. 4-0. Motion passes.
