16269 Harbor Mountain Brewing Company  
16477 Sitka Spirits

**Sec. 04.11.320(a). Denial of new licenses and permits.** (a) An application requesting issuance of a new license or endorsement shall be denied if

(1) the board finds, after review of all relevant information, that issuance of the license or endorsement would not be in the best interests of the public;

(2) issuance of the license is prohibited by [AS 04.11.410](#), relating to location of premises near churches and schools;

(3) the application has not been completed in accordance with [AS 04.11.260](#);

(4) issuance of the license or endorsement would violate the restrictions pertaining to the particular license or endorsement imposed under this title;

(5) issuance of the license is prohibited under this title as a result of an election conducted under [AS 04.11.507](#);

(6) the requirements of [AS 04.11.420](#) — 04.11.450 relating to zoning, ownership and location of the license, and the identity and financing of a licensee have not been met or the requirements of [AS 04.11.430](#)(b) relating to location of the endorsement have not been met;

(7) issuance of the license is prohibited under [AS 04.11.400](#)(a) or prohibition of issuance of the license is found necessary under [AS 04.11.400](#)(b);

(8) the application contains false statements of material fact;

(9) the license is sought for the sale of alcoholic beverages in a first or second class city where there are no licensed premises at the time of application unless a majority of the voters have voted not to approve a local option to restrict or prohibit the sale of alcoholic beverages under [AS 04.11.491](#), have voted to approve a local option to allow the type of premises under [AS 04.11.491](#)(a)(2) or (3), or have voted to remove a restriction or prohibition on the sale of alcoholic beverages under [AS 04.11.495](#); or

(10) the license is sought for the sale of alcoholic beverages in an established village where there are no licensed premises at the time of application unless a majority of the voters have voted not to approve a local option to restrict or prohibit the sale of alcoholic beverages under [AS 04.11.491](#), have voted to approve a local option to allow the type of premises under [AS 04.11.491](#)(b)(2), or have voted to remove a restriction or prohibition on the sale of alcoholic beverages under [AS 04.11.495](#).

**AS 04.11.400. Population limitations.** AS 04.11.400(a)(2)(B). Except as provided in (f), (i), and (k) of this section and [AS 04.11.405](#), a new license may not be issued...a unified municipality if, after the issuance..., there would be inside...the unified municipality more than...one distillery retail license for each 9,000 population or fraction of that population.

**3 AAC 305.100. Procedure for mutually exclusive and competing applications.** (a) If the board receives an application for a license that requires denial because it would exceed the amount of licenses available for that license type under [AS 04.11.400](#)(a), the application will be considered "mutually exclusive."

(b) The board will consider, and grant or deny, mutually exclusive applications in the order in which they are received. However, all "competing applications," as defined under (c) of this section, will be treated as if they were received at the same time, and will be considered together.

(c) For the purpose of this section, competing applications are those mutually exclusive applications for licenses, with or without an endorsement, that,

(1) inside a unified municipality,...(B) are for the last available license...and are received during the 30-day period beginning on the date the board received the first application for the license.

**3 AAC 305.105. Selection among mutually exclusive and competing applications.** (a) Within an incorporated city, organized borough, or unified municipality, all competing applications, as defined in [3 AAC 305.100](#)(c) will be considered together by the board under this section.

(b) If affiliates, or persons who are related by birth or marriage, have filed competing applications for premises at a single location, the board will deny all but one of those applications.

(c) The board will deny any competing applications which are required to be denied under [AS 04.11.320](#), 04.11.340, 04.11.480, or [3 AAC 305.110](#).

(d) If the denial of one or more competing applications under (b) or (c) of this section makes any other competing applications no longer mutually exclusive, the board will approve the applications that are no longer mutually exclusive.

(e) If competing applications remain after the board takes action under (b), (c), or (d) of this section, the board may grant any applications the board considers to be most in the public interest. In determining the public interest, the board may consider factors including

- (1) the safety, suitability, and proximity of the proposed premises to other licensed premises;
- (2) the size of the proposed premises;
- (3) community amenities associated with the premises including entertainment, dining facilities, and tourist accommodations; and
- (4) preferences or priorities expressed by the local governing body.

(f) If competing applications remain after the board takes action under (b), (c), (d), or (e) of this section, the board may conduct a drawing to determine which remaining competing applications to approve.

(g) A competing application not granted under this section will be denied without prejudice to future application.

(h) A license, with or without an endorsement, granted under this section will be issued after the time within which unsuccessful competing applicants may appeal the denial of their applications, and after all statutory requirements are met by the successful applicant.
