## TANGLE RIVER INN

Mile 20 Denali Highway, Delta Junction, AK 99737

### Purpose:

The primary goal is to prevent the unauthorized transfer of alcohol across to minors in the vicinity.

Staff: All staff are instructed to check all ID for anyone purchasing alcohol. Adults can have a drink with their dinner in the dining room, but minors are not allowed in the bar at any time. This will be emphasized in staff meetings. At least two staff members will be available at all times during open hours.

Any person who appears intoxicated or belligerent will not be served to prevent incidents.

Training: All employees will undergo mandatory training on responsible alcohol service, including identifying and prevent sales to minors. This will be reinforced at every staff meeting.

### Identification and Verification:

All individuals will be required to provide a valid government-issued identification card before entering areas where alcohol is served or sold.

Staff members are empowered to refuse service or access to individuals who fail to produce valid identification or display signs of intoxication.

Boundaries: Alcohol will be served only inside the premises. Signs are put up to deter minors from entering the bar area, and to warn parents that they are not welcome.

Controlled access points: Entryways are monitored to prevent minors from entering the bar area. Doors are locked during closing hours to prevent entry.

### Secured Alcohol Storage:

All alcohol is kept under lock and key except when staff member trained in handling alcohol with proper permits is present.

### Monitoring and enforcement:

Security will be strictly maintained and any incidents need to be reported to the manager/owner immediately. Serious incidents will be immediately reported to the state police for assistance if necessary.

This security plan aims to prevent incidents, and combines personnel training, serving protocols, and lack of access by minors. It will be upgraded and updated on an ongoing basis.
